THE United States have more corn, more coal, more cotton, more oil, more woolen and cotton goods than they know what to do with. The New York Tribune actually anticipates that commercial trouble may arise out of this plethora of good things.

GOOD.—After the usual week-evening service in the new Covehead church, on Saturday, the Rev. G. Steel spoke about the necessity of paying off the debt. In a few minutes over \$100 were most cheerfully subscribed. This amount, with some unpaid subscriptions, and a little help which is relied upon from a few friends at a distance, practically provides for the debt.

THE CHARYBIDS.—The tenders for this vessel offered for sale at Halifax were eleven in number, the principal being: Wm. McFar-ridge, \$7,550; P. W. Lantalam, St. John, \$8,200; R. P. THE SCOTT ACT.—A movement is on foot, we understand, to repeal the Scott Act in this county. Funds have been subscribed, and preparations for taking the vote are now in progress. The doing away with the Canada Temperance Act and its accompaniments and the adoption of the excellent License Law passed at the last session of Parliament is a consummation devoutly to be wished.—St. Stephen, N. B., Courier.

I. O. O. F.—On Wednesday morning next, the 8th inst., the Grand Lodge of the Lower Provinces of British North America, will assemble in this city. A SLIGHT stabbing affray occurred aboard Messrs. Peake Bros. & Co.'s vessel "Ethel Blanche" yesterday evening. A sailor named Robert McLeod went on board the vessel and commenced a row. He was attacked by one of the seamen named Butler, who it appears was punishing him severely, when McLeod drew a knife and stabbed him twice, inflicting slight wounds. The Stipendiary this forenoon sentenced McLeod to four months imprisonment with hard labor. A sailor named James Purdie, who assaulted another sailor named Samuel Dooley, during the melee, was remanded eight days.

D. 1883, at Hope River, we, the undersigned, have come to the conclusion, that Catherine Ann Simpson came to her death from natural causes, and not from neglect or ill-treatment on the part of Dr. McNeill."

THE Admiration OF THE WORLD.

Mrs. S. A. Allen's Hair Restorer IS PERFECTION!

Public Benefactress. Mrs. S. A. ALLEN has justly earned this title, and thousands are this day rejoicing over a fine head of hair produced by her unequalled preparation for restoring, invigorating, and beautifying the Hair. Her World's Hair Restorer quickly cleanses the scalp, removing Dandruff, and arrests the fall; the hair, if gray, is changed to its natural color, giving it the same vitality and luxuriant quantity as in youth.

COMPLIMENTARY. "My hair is now restored to its youthful color; I have not a gray hair left. I am satisfied that the preparation is not a dye, but acts on the secretions. My hair ceases to fall, which is certainly an advantage to me, who was in danger of becoming bald." This is the testimony of all who use Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER.

"One Bottle did it." That is the expression of many who have had their gray hair restored to its natural color, and their bald spot covered with hair, after using one bottle of Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER. It is not a dye.
