The Juvenile Victorias Saturday night assured themselves of first spot in the City Juvenile Hoop League when they walloped the Ramblers by a score of 70-31. In the first game of the twin bill the Saints Dunstan's University defeated the Abbies 35-20 to assure themselves of second place in the standings. The playoffs for the league are scheduled to start Wednesday night.

In the first game of the twin bill the Saints packed too much opening speed for the Abbies as they built up a 19-3 lead at the half. The Abbies fought on even terms in the second half and succeeded in outscoring the winners in the final canto by one point.

Leading scorer for the winners was Earl MacKinnon who had fourteen while Fred Driscoll had an even ten in a winning cause. Joey Hoyt was high man for the losers with six while Keith Dalziel was next with five.

**SECOND GAME**

The Vics rolled through the Ramblers a most at will to topple the third place team. In the first half of the game they built up a ten point lead with the score being 19-9 at the half in favour of the "Red" Howatt coached quintet. It was in the last half of the game that the winners really poured it on as they chalked up 41 points while holding the losers to twelve.

Jack MacAndrew was high point getter in the game as he accounted for 15 points for the losers followed closely by Charley Hine and Ian MacNevin, with 13 and 11 respectively. Malcolm MacFadyen was high man for the losers getting fourteen. Earl Seaman was next with seven.

Line-ups and scores:

# East Royalty Royals Win Semi-Final Series

East Royalty Royals won the right to meet the North River All Stars in the Queen's County Intermediate B. Finals by defeating the Covehead Red Wings 7-4 at North River Saturday night. Royals previously defeated Covehead 12-3 in the first play-off game.

An injury to Royal goalie, Frank Roper, Saturday night, however, has dimmed the East Royalty players' chances in the play-offs. Roper was carried from the ice early in the second period and is a patient in the P.E.I. Hospital suffering from a back injury.

He was replaced by Mat Duncan in the Covehead game who completed the last two periods. Duncan will be between the pipes tonight for the game at North River.

# Kensington Juveniles In 10-3 Victory Over S'side

The Kensington Juveniles, undefeated, well-planned power play which had the Summerside Juveniles back on their heels most of the evening, defeated Summerside by the score of 10 to 3 at Kensington Saturday night. They took the round 15 to 7. The score might have been more lopsided but for the fine net guarding of Balfour MacKay in the Kinsmen nets. MacKay held Bill MacLean's charges with brilliant saves and the large crowd of Kensington fans were applauding him before the game was over.

The first period was fairly even, Kensington having a one-goal edge when it ended. They panned in the visitors more consistently in the middle session and were leading 7 to 3 at the bell. Three goals without a return from the hosts coached squad gave the visitors their impressive margin of victory. Bruce Champion led all snipers with three goals and one assist.

# Local Curling Fans Break Records At Vancouver

Ten champion curling rinks cracked time tonight on the eve of the 1950 Canadian curling championships. Tonight officials will lay down the order of battle for the rinks of which Alberta and Manitoba have been designated generally as the pick.

Potential giant-killing roles have been assigned Ontario, Northern Ontario and Saskatchewan with British Columbia considered an outsider and the remainder well back in the placings.

Only Newfoundland is not represented in the bonspiel.

The competitors get their first look at the Kerrisdale Arena tomorrow morning where the five surfaces to be used in the four-day round-robin are being given last-minute touches.

Attendance at the 3,400-seat arena will be good, advance sales indicate.

A flight of 26 Charlottetown fans arrived this afternoon by chartered plane, getting the nod as the biggest delegation traveling the farthest—and at the most cost. Bad weather delayed their departure from Lethbridge, Alta., where they set down for a stop-over.

# Many Attend Barbara Ann Scott Show

The Saturday afternoon and night performances of Barbara Ann Scott and the Skating Sensations of 1950 witnessed by a packed Forum on both occasions completed the finest skating spectacle Island citizens ever had the privilege of viewing on local ice.

The show was a repetition of Friday night's opener with the crowd appealing personality of Barbara Ann enthraling the spectators throughout her six numbers. Her every movement one of grace, her every act one of delight, she received the ovations that a champion commands.

Aby supplementing her were a bevy of skating artists both female and male. The comedians and acrobats also stole their part of the show with several numbers that proved attractive particularly to the younger group.

An artistic lighting set up with bright costumes and appropriate music made the show complete. It was presented under capable direction to keep the program a novelty from beginning to end.

Barbara Ann and the Sensations left for Saint John yesterday morning. A word of thanks is due to the management of the Charlottetown Forum for their efforts in bringing the group to the Island.

# Miners Advance To C.B.S.H.L. Finals

**NORTH SYDNEY, N. S., March 5**—(CP)—Glac Bay Miners advanced into the Cape Breton Senior Hockey League finals against Sydney Millionaires when they triumphed North Sydney Victorias 3-2 here Saturday night. Miners won the best-of-seven semi-finals 4-1 in games. The finals open Thursday.

**STELLARTON, N. S., March 5**—(CP)—Antigonish Bulldogs overcame an early Stellarton Royals lead here last night to down the hometown squad 3-1 in the fifth game of the best-of-seven final series for the Antigonish-Pictou-Colchester Senior Hockey League championship.

The win was an important one for Bulldogs who had a 3-1 deficit in games. A win for Stellarton, who finished first in the league's regular schedule, would have given them the league championship.

"I suppose so," was the reply, "but I would be happier still if he had studied for the Priesthood as we planned."

To date the "Skating Sensations" have travelled some 12,000 miles and played to some 600,000 people. Mr. Gorman has associated with him in National Sports Enterprise his two sons, Frank and Joe.
