

HISTORY SOCIETY

Due to the overwhelming lack of members at our last History Society meeting, this year's executive will be elected at our next meeting: Friday, September 30th in Main 319 at 1:00 pm. My message to all history majors and those considering this field as their major is: be there! Don't miss your chance to join the illustrious executive of the History Society.

At the very least, vote in an executive member so as to bribe that historian the rest of the year. The history society needs to get rolling soon as to provide education and entertainment for UPEI history lovers and to prevent the Engineers from laughing at us.

If you have any questions, please contact Luke Triantafilla, Kim Stright, Thomas Spira, or even me, the creator of our society's most illustrious member, Clio.
