Feed For Milk.

The following are the conclusions reached at the Iowa Agricultural College:

The supply of milk depends essentially upon the rapid growth of new cells in the milk glands. These cells consist largely of proteine. The caseine and fat (cheese and butter elements) are formed from the proteine; hence profitable dairying must depend largely on the amount of proteine contained in the food and made on cheap food. Where rations rich in proteine are fed, such as clover and oil-meal, the following results may be noticed:

1st. A decided increase in the quantity of milk and very little shrinkage for a long time.

2nd. Considerable gain in the solid matter of the milk, as shown by chemical tests, or by the increased butter and cheese production.

3rd. Again in the quality of the milk, where fodders rich in carbon-hydrates and fats are given. The slight increase in quantity and richness of the milk is not due to any direct action these have, but to the assistance they afford the proteine in preventing its oxydation. Animals fed mainly on sugar beets, potatoes, or corn, will give considerable milk; but it is done at the expense of the proteine of the body and after a while the animal will suddenly waste away.

The Great French Remedy, Dr. LeDuc's Periodical Pills.

For the cure of Leucorrhœa or White's Excessive or painful Menstruation, Green Sickness, Falling of the Womb, Catarrh of the Uterus or Vagnia, Hysteria, pain in the Back, or Piles, or for the puepose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very enfebled conditions, one pill three times a day. To effect cures in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected.

AYER'S Hair Vigor

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a **Ladies' Hair Dressing,** the VIGOR is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from *Kirby, O., July* 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. BOWEN, proprietor of the *McArthur (Ohio) Enquirer*, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The VIGOR is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from *Boston, Mass., Feb.* 6, 1880: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 *Elm St., Charlestown, Mass., April* 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the VIGOR, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.

"We have visited the bottling stores of Greenlees Brothers, and have selected from the vats, samples of their Lorne Highland Whisky, and have subjected them to careful examination and analysis. The samples were very fragrant, mellow, and of pleasant flavor, and possessed all the characteristics of pure and well-matured Scotch Whisky of the first quality."

DEAR DOCTOR,—Just a few lines as promised by me. I am more than pleased with the "Liver Pad" I got from you when in Charlottetown, and can conscientiously say that it is the best thing I ever saw or heard of. It has done for me what all kinds of medicine and different physicians could not do for me—*i. e.*, removed a very nasty body eruption, which had given me a great deal of annoyance for more than two years; and, more than that, I have not been troubled with a single headache since I have used it. Before wearing the Pad I was troubled with severe headaches continually; and that very objectionable feeling of sluggishness and dullness has entirely left me—in fact I am a new man, to what I was before wearing it. I am truly thankful to you for what you have done for me, and I hope that you may be long spared to the benefit of the public.

Believe me,
Yours sincerely,
FRANK ELLIOTT.
