

CHANGES.

By issuing the DAILY EXAMINER in the evening instead of the morning during winter, we will be enabled to furnish our readers with news from Ottawa and the seat of war from twelve to fifteen hours sooner than if we continued to issue in the evening. For instance, suppose an important debate or vote in the House of Commons on Monday night, we could not—if we continued the morning issue—under the present telegraphic arrangement—give it publicity until Wednesday morning; whereas, by issuing in the evening, our reporter in Ottawa will be enabled to forward full particulars which may be digested at the tea table of all who take THE DAILY (evening) EXAMINER on Tuesday evening. The same holds good of all foreign and Provincial news, and will continue to do so until the community prevail upon the Telegraph Company to grant a privilege to Charlottetown which is enjoyed by all other cities in North America, viz: the privilege of receiving night despatches. With the exception of reports of the City Council—now held in the evening, but which ought properly to be held in the day—and lectures or concerts, all local news will be furnished at least twelve hours sooner in the daily evening paper than in the daily morning paper—witness to-day's EXAMINER.

Our readers will not have failed to notice—though some of our contemporaries have done so—a marked improvement in the appearance of the EXAMINER. The handsome type in which the EXAMINER is now published is from the foundry of Messrs. Millar & Richards, Toronto. The large expense we have incurred in obtaining it will, we are sure, be more than counterbalanced by the additional support we shall receive in our endeavor to publish a daily paper worthy of Charlottetown. If patronized as we expect and as we think we deserve to be, we shall in the spring enlarge the DAILY EXAMINER.

Indignation Meetings.

THE indignation meeting at New Glasgow was unanimous in condemnation of the acts of the Government.

The indignation meeting at Long Creek was an excited one. Davies, Stewart, McKenzie, Farquharson, and McKay were present.

Summerside Notes.

SUMMERSIDE, NOV. 30.

Geese and turkeys are being shipped to St. John, N. B., in large quantities. Geese sell here at 35 cents, and turkeys 60 cents each.

The barque "Kismet," owned by the Hon. J. C. Pope, sailed yesterday for Liverpool, G. B., with a cargo of oats and potatoes, shipped by the owner. Mr. Pope is also loading a vessel here with 10,000 bushels of oats.

The streets are in a fearful state. If it were not for our plank sidewalks it would be necessary for a person to dig his finger and toe nails into the sides of the houses in order to save himself from sinking out of sight of his friends.

A young man named Wright, of Bedeque met with an accident on Wednesday night last. By handling a revolver in a rather careless manner it went off, the ball lodging in the palm of his hand. Dr. Jarvis, of this place, extracted the ball, and the young man will soon be all right once more. A person cannot be too careful in handling revolvers, as the many accidents attest, and why so many prove fatal is a mystery.

It is said that a Lodge of British Templars will be organized at Kensington.

A Reform Club is to be organized at Malpeque on Wednesday next. A number of delegates from the Summerside Club will be present.

SALVAGE CORPS.—The annual meeting of the Charlottetown Salvage Corps, for the purpose of electing officers, will take place in the City Court Room on Monday evening, at 8 o'clock. A full attendance of members is requested.

THE steamer "Carroll" sailed for Boston this evening at three o'clock, with freight and the following passengers: Mrs. Jones, Miss Katie Campbell, Mrs. Donald Martin, S. H. Lion, Mrs. A. E. McDougall, Allan McDougall, Laura McDougall.

MESSES. T. K. JENKINS & Co. sold at auction, yesterday, the cargo of the schr. "Jessie," from P. E. Island: Calico potatoes at 28 cents per bushel; Early Rose do., 25 cents per bushel; oats, 45 cents per bushel; turnips, 25 cents per bushel; prime mess pork at \$10 per barrel, and onions at 8 cents per pound.—*Hx. Herald.*

AN UNUSUAL COMPLAINT.—A well dressed woman this (Saturday) morning complained at the Stipendiary Magistrate's Court that her husband was about to desert her—going to Boston, and that as she had no means of support, she asked for a warrant for his arrest. There was no power for the Court to interfere in the matter, and she was left to her own winning powers to induce her dear one to stand by her.

Sympathy of Condolence.

This morning a deputation of the members of the Caledonian Club, waited upon Mrs. Walker, and presented her with the following resolution of sympathy and condolence from the Club:—

ST. LAWRENCE HOTEL,
30th November, 1877.

At a Meeting of the Caledonian Club held this day, immediately on the return of the members from accompanying, in procession, the funeral of the late Honorable Patrick Walker, John A. McDonnell, Esq., President of the Club, having taken the chair, the following resolution was moved by Hon. W. McGill, and seconded by John A. McDonald, Esq., and passed unanimously:—

Resolved, That the members of the Caledonian Club of Prince Edward Island, do deeply and sincerely condole with the widow of their former worthy and respected Chief, the Hon. Patrick Walker, whose death has caused such great bereavement to his widow, and a large number of relatives and friends; and the members of this club do earnestly hope that the widow of the late Mr. Walker, may derive comfort and consolation in her sorrow from Him, who alone can bestow these blessings, and that her affliction will, in a manner, be mitigated by the knowledge that she has the sympathy, not only of the members of this Club, but of the inhabitants of this community generally;

Ordered, That John A. McDonald, Esq., Hon. W. McGill, John A. McDonnell, Esq., A. A. McLean, Esq., A. McNeill, Esq., and the Hon. A. A. McDonald, do compose a Committee to present a copy of the foregoing resolution to the widow of the late Hon. Patrick Walker.

Mr. Caven, on behalf of Mrs. Walker, made the following reply:—

Gentlemen of the Caledonian Club:

I have been deputed by Mrs. Walker to receive you, and in her name to thank you for the kind expressions of condolence embodied in the resolution you have just read. Mrs. Walker is gratified to think that a resolution so honorable to the memory of her late husband, and your former Chief, should be recorded on the Minute Book of your Club. You have not, however, she is aware, been satisfied with this only; you accompanied his remains to the grave on the Feast of your Club's Patron, St. Andrew, with every mark of honor which your respect for an old and valued member could devise. This was not accomplished without some sacrifice and some inconvenience on the part of the Club. For these Mrs. Walker bids me thank you, and at the same time, I am to assure you of her feelings of gratitude for the expressions of sympathy you have bestowed on her, and the honors conferred by you on her deceased husband.

The Fishery Commission.

TEXT OF THE AWARD AND OF JUDGE KELLOGG'S PROTEST.

(From the Toronto Mail.)

WASHINGTON, D. C., Nov. 24.—Telegrams received here give the following as the record of the closing proceedings of the Fishery Commission, sitting at Halifax for the last five months:

The undersigned Commissioners, appointed under Articles 22 and 23 of the Treaty of Washington of the 8th of May, 1871,

Do DETERMINE, having regard to the privileges accorded by the United States to the subjects of her Britannic Majesty, as stated in Articles 19 and 21 of said Treaty, the amount of any compensation which in their opinion ought to be paid by the Government of the United States to the Government of her Britannic Majesty in return for the privileges accorded to the citizens of the United States under Article 18 of the said Treaty, having carefully and impartially examined the matters referred to them, according to justice and equity, in conformity with the solemn declaration made and subscribed by them on the fifteenth day of June, one thousand eight hundred and seventy-seven, do award the sum of five millions five hundred thousand dollars in gold to be paid by the Government of the United States to the Government of her Britannic Majesty, in accordance with the provisions of the said Treaty.

Signed at Halifax this twenty-third day of November, one thousand eight hundred and seventy-seven.

MAURICE DELFOSSE.
A. T. GALT.

The United States Commissioner is of opinion that the advantages accruing to Great Britain under the Treaty of Washington are greater than the advantages conferred upon the United States by said Treaty, and he cannot, therefore, concur in the conclusions announced by his colleagues, and the American Commissioner deems it his duty to state further that it is questionable whether it is competent for the Board to make an award under the Treaty, except with the unanimous consent of its members.

(Signed),

E. H. KELLOGG.

Hon. Dwight Foster, agent of the United States Government, then said: "I have no instructions from the Government of the United States as to the course to be pursued in the contingency of such a result as has just been announced, but if I were to accept in silence the paper signed by two Commissioners, it might be claimed hereafter that as agent of the United States I have acquiesced in treating it as a valid award. Against such an inference it seems my duty to guard. I therefore make the statement, which I desire to have placed upon record."

CHOKED TO DEATH BY A MARBLE.—On Thursday night week, a little child of Mr. Holtze, carpenter, who resides in Berlin, Ont., was choked to death by a marble, which it had playfully put into its mouth in imitation of some older children. Medical assistance was promptly called in, but the poor little child, scarcely a year old, was dead before the arrival of the doctor. Mothers and nurses should take warning from this—they cannot be too careful in keeping out of reach of their darlings everything by which their lives may be endangered.

Civic Improvements—and More Wanted.

To the Editor of the Daily Examiner:

SIR,—The marked improvement which has recently taken place in the organization of our city staff, and the satisfactory mode in which our city affairs are now being managed—the direct effect no doubt of the accession to office of our present energetic Mayor—are matters of congratulation with our citizens generally; and besides these beneficial changes, it is also gratifying to notice the street improvements that have lately been made in various parts of the city and its approaches. But, while these improvements are so apparent in most of our streets and thoroughfares, there is one great thoroughfare leading into the city, which appears, in a most unaccountable manner, to have escaped the notice even of our vigilant Mayor. I refer to the St. Peter's Road; and if evidence, in proof of the contrast between the neglected state of that part of the city as compared with others, were required, those of our citizens who attended the funeral of the Hon. Patrick Walker, this morning, will be fully prepared to give it, for instead of having the benefit of a good wooden sidewalk, or plankway, from the Cemetery into the city—as the people should have—we were compelled, on our return, to wend our way, ankle-deep, in mud, at the imminent risk of losing not only our india-rubbers, but our boots.

How the resident inhabitants in that section of the town have borne this discomfort so long, is a subject of astonishment to every one who has occasion to travel that way, especially at this season of the year.

Trusting you will give this letter a place in your live journal, I am yours,

A CITIZEN.

Ch'town, 30th Nov., 1877.

To the Editor of the Daily Examiner:

SIR,—I received through the Post Office, in a sealed envelope, a letter signed "J. C. Doull," and purporting to have been written by me to some person—to whom I cannot tell, as no name is embodied in the letter.

I am not the author; neither am I in any way connected with the hubristic effusion to which some person has been impudent and mean enough to append my name.

Yours, etc.,
J. C. DOULL.

Catholic Abstinence Union of Prince Edward Island.

On Thursday evening last, a number of gentlemen met in the Bishop's Palace, and organized themselves into a Society to be known as the "Catholic Total Abstinence Union of Prince Edward Island." His Lordship Bishop McIntyre on taking the chair explained the object of the meeting, which was to form a Central Council, whose work it would be to aid in the suppression of the evils of intemperance; and with this view Societies would be formed throughout the Island, which would be affiliated with the Central Council. A draft constitution was then read, discussed, and agreed to. The following gentlemen constitute the Council:—

His Lordship Bishop McIntyre, Rev. James Phelan, Vernon River; Rev. R. B. McDonald, Miscouche; Rev. Dr. C. B'Brion, Indian River; Rev. Charles McDonald, Georgetown; Hon. Senator Howland, Alberton; Hon. Andrew A. McDonald, Charlottetown; Hon. Joseph O. Arsenault, Egmont Bay; John Gaffney, Esq., Summerside; Michael McCormack, Esq., Souris; James E. McDonald, Esq., Cardigan; Austin McDonald, Montague; Maurice Blake, John Quirk, J. B. McDonald, John S. McDonald, P. R. Bowers, Esqrs., Charlottetown.

The following gentlemen were elected office bearers:—

Spiritual Director, Right Rev. Peter McIntyre.
President, Rev. R. B. McDonald.
1st Vice-President, Hon. Senator Howland.
2nd do. do., John Gaffney, Esq.
Secretary, P. R. Bowers, Esq.
Treasurer, Maurice Blake, Esq.
Marshal, John S. McDonald, Esq.

The Constitution and Bye-Laws are being prepared for the press, and when ready His Lordship the Bishop will issue a Pastoral to the Catholic Clergy throughout the Province, who will, no doubt, cheerfully cooperate in forming Temperance Societies in their respective parishes. At the close of the meeting the Hon. A. A. McDonald was called to the Chair, and a vote of thanks was tendered to the Bishop for presiding at the meeting, to which he replied in appropriate terms, and stated that he would do all in his power to aid the objects of "the Catholic Total Abstinence Union."—*New Era.*
