

THE EASTERN GUARDIAN

AGENTS:—MONTAGUE: Harold F. Landry, Mrs. Byron Stewart. AGENT GEORGETOWN: Waldon Lavers

The Guardian may be bought at the following places in Montague: Blue Dome Restaurant, and Guardian Office; In Georgetown: The Post Office; in Souris: The Snack Bar.

*SKATES SHARPENED at Bell's Service Station, Montague.

*RETURNS FROM FURLOUGH—Miss June Conrad of the R. C. A. F. has returned to Regina, Sask., after spending her furlough at the home of her parents, Mr. and Mrs. Sterling Conrad, Sturgeon, P. E. I. June is clerk typist in the recruiting unit in Regina and has risen to the rank of leading air woman.

*C.G.I.T. OFFICERS—Evelyn MacLure was elected president of the C.G.I.T. at the opening meeting held in the church hall yesterday afternoon. Other officers are vice-president, Carol Boehner; secretary, Audrey MacDougall; treasurer, Mabel MacLean. There were ten members present. The meeting was conducted by the leader, Mrs. Malcolm MacKenzie, and opened with the C.G.I.T. purpose and worship period. Plans were discussed for holding a social evening at the next meeting. Miss MacLure and Miss Boehner were appointed on a games committee. The meeting closed with taps, followed by games and a singing.

*R.C.M.P. STAFF CHANGE—Constable Gordon Silver, R.C.M.P., has arrived in Montague where he will be a member of the detachment, replacing Constable Jack Geisler, who has been transferred to Summerside. Const. Silver arrived here from St. Stephen, N. B., his last posting. Born in Halifax, N. S., he joined the R.C.M.P. in 1952, enlisting at Montreal and training at Regina. Following his training period, he was stationed at headquarters at investigation, N. B., and was later transferred to Minto, his next posting was to St. George where he remained for ten months before going to St. Stephen. Possessing a keen interest in sports, he confesses that his main interests are in baseball and hockey, although he also engages in other field sports as well.

Former Leading

Throughout every section of the United States and Canada. During the past five years he has devoted approximately 3,000 hours to the Federal Bureau of Investigation, in furnishing information as to the tactics and personnel of the communists, and has spoken at Air Schools both at Maxwell Field in Alabama and at Floyd Bennett Field, Brooklyn, New York.

Mr. Budenz has just published two new books, one a textbook based on his new course in the Institute of Contemporary Russian Studies at Fordham University on the techniques of communism, and the other a popular treatment, "The Cry Is Peace". Autographed copies of the latter book may be procured at the lecture tomorrow afternoon.

Born on July 17, 1891, in Indianapolis, Indiana, Mr. Budenz is an alumnus of Jesuit colleges in the Middle West and a member of the Bar of Indiana. Early interested in labor problems, he engaged extensively in organizational work and was arrested twenty-one times for activities on behalf of American Federation of Labor Unions, being acquitted in each instance. Having left the Catholic Church in 1915, he gradually became drawn toward the Communist party and eventually joined it in 1935.

Storm Quickly Blocks Roads In King's Area

*After digging out from Wednesday's storm which blocked all roads in King's County, the area was again visited yesterday by a follow-up storm which wiped out all the work of getting traffic moving again on Thursday. A heavy snowfall accompanied by a strong west wind piled snow into three and four foot drifts bringing all traffic to a halt. The storm got underway shortly after noon, with a light snow fall, but increased as the hours passed. About 4 p.m. the wind became easterly, whipping the snow into whirling eddies to form drifts through which traffic was unable to pass. Snow plows were standing by for emergency calls, but are making no attempt to keep the roads open owing to the fast drift-in. With the cessation of the storm, the plows will be at work again clearing all main traffic routes.

Pipe Line Company Reports Profit

REGINA, (CP)—Interprovincial Pipe Line Company's net profit for 1953 amounted to \$4,433,500, equivalent to 88 cents a share of outstanding common stock, the firm announced Friday. At the end of 1953, the company's investment in fixed assets stood at \$17,577,555, up \$8,111,947 from 1952. Working capital amounted to \$17,971,044, higher by \$7,827,265.

Personals

*Miss Joyce Conrad has returned to Mount Herbert after spending a week's vacation at her home in Sturgeon.

Provincial Red Cross

(Continued from page 5)

tribute. Everything possible is being done this year to try to overcome this situation and, while we realize that this may not be as great a year financially for our rural people, we feel that if every one is contacted, and gives his fair share, there should be very little difficulty in reaching the objective for 1954.

"In the past few years we may have over emphasized the services being rendered by the Canadian Red Cross Society within our own Province. We must always remember that Red Cross belongs not only to the community, the Province, the nation, but to the world at large. Each member of a national society automatically becomes a member of the International Red Cross and in this way is able to help in rendering assistance wherever it is most needed through the League of Red Cross Societies or the existing Red Cross of the country concerned.

"That our people do realize this was evidenced from time to time and particularly during this past year when they responded so readily to the appeal for the victims of the European floods. As the former President Truman said on these occasions, "At no time in history has there been such urgent need for individuals to demonstrate by their unselfish acts the neighborliness which is our national heritage. The Red Cross, through its many services, provides its millions of members, both young and old, a practical outlet for achieving this end. I regard the Red Cross as the greatest voluntary agency of our time. To millions of Americans it is a living symbol of what men and women of goodwill can accomplish in working for a better world."

"Eight meetings of the executive and two of the Divisional Council were held during the year, as well as meetings of the different standing committees. Members attend these meetings and carry out the duties in connection with them, at considerable sacrifice to themselves, and I would like to take this opportunity to express gratitude to all of them for their faithfulness and zeal.

Junior Red Cross

The first Junior Red Cross Leadership Training Centre for the Atlantic Provinces held last summer at Mt. Allison in Sackville was a great success and has already proved to be an incentive for High School students to carry on Red Cross activities in their own schools. There was a slight increase in the general membership of the Junior Red Cross for the year, and reports received from Branches revealed more activities effectively carried out. The Juniors took a keen interest in raising money for the relief of the children in the Far East, and subscribed the splendid amount of \$850.00 to this special fund. They also contributed \$1360.00 for their own Crippled Children's Fund which, with the addition of \$4,500.00 from the Charlottetown Ro-

Swimming And Water Safety

"A record number of classes with an all-time high enrollment of swimmers was reported by the Swimming and Water Safety Department last summer when 3,668 pupils were given instruction in 53 centres—a 73% gain over the year before. The new outdoor swimming pool at Victoria Park in Charlottetown provided by the Kiwanis Club considerably increased the numbers enrolled in the classes at Brighton, and greatly facilitated the teaching of beginners. We are happy to note that many more localities this year assumed some of the responsibility of the cost of these classes, but even at that the budget for this department was somewhat over extended.

Blood Donor Service

"The 21 clinics held during the three visits of the Mobile Blood Donor Team to this Province last year produced 2,897 donations, slightly more than last year, although the September clinics did not come up to expectations. 2,413 bottles of blood were given to 1,294 patients in our local hospitals, and in addition plasma was provided for the armed services overseas, and for the manufacture of gamma globulin to be used in the fight against polio. We must keep on exploring ways, and doing everything we can to induce more people to be donors in order to

To Hold 7th Conference Of Agricultural Council

Production and Marketing on Prince Edward Island will be the theme of the seventh annual Conference of the P.E.I. Dominion Provincial Agricultural Council which opens February 23. The three day meeting will see all top officials of both the Federal and the Provincial Departments of Agriculture meeting to discuss the mutual problems which arise and to hear reports of the various committees appointed to look into the many subjects involved.

Chukkar Partridge Are Distributed

30 Chukkar partridge that arrived in Charlottetown by C. N. R. Express Wednesday evening from Sydney, C. B., were taken to a temporary place of abode yesterday morning. 20 were delivered to Dingwall MacLeod, Vernon, and 10 to Monty MacLeod, Cherry Valley. Special quarters for the birds were prepared in advance. It is planned to keep the birds penned up until sometime in April and then they will be released in different sections of Queens and Kings counties. The partridge are splendid specimens. They are large, vigorous and fat.

Campaign For Empire Games Fund Nets Only \$17,500

TORONTO, (CP)—A campaign started nearly six months ago to finance cost of sending more than 200 Canadian athletes to the July 30-Aug. 7 British Empire Games at Vancouver has netted only \$17,500 to date, it was announced here Friday. "We need between \$50,000 and \$75,000 to pay all expenses of the athletes from the time they leave their homes until they return from the games, and we are confident we can get the money," Lt.-Col. George C. Machum of Montreal told a meeting of sports officials.

Charlottetown Camera Club

Last night the Charlottetown Camera Club held its regular meeting. The main item on the programme was the showing of a color movie on the manufacturing of film used for ordinary snapshots. In the movie the narration emphasized the extreme need for cleanliness to prevent contamination of the emulsion on the film during manufacturing.

Veterans' Services

"Regular visiting of veterans in hospital was carried out by members of the Charlottetown Detachment of the Canadian Red Cross Corps who made 1,224 visits during the year. They also gave valuable assistance at the Blood Donor Clinics held in Charlottetown, and formed committees to serve on the Disaster Services set-up.

Disaster Services

"Under the enthusiastic and efficient chairmanship of Mr. J. Gordon MacDonald, progress was made in setting up workable Disaster Service Committees at Charlottetown and Summerside, and in the work of the other centres. For the benefit of those who may not understand what this service is set up to do, I would like to explain that this committee is one of general preparedness whose function is to be ready to provide food, clothing, shelter, enquiry service, etc. during the forty-eight hour period following a disaster. It is really an organization of volunteers who are prepared beforehand to do the job in an emergency.

In Memoriam

In loving memory of Dr. Frederick S. MacDonald, of Souris, P. E. I., who passed away February 15, 1953. Always remembered by his family.

Card Of Thanks

"I wish to thank the doctors, nursing staff and special nurses of the King County Hospital, also the residents of Cherry Valley and Alexandra for their kindness during my recent illness: Vera MacLaren, Brudenell.

Freight Exports Show Increase

Exports from the Province during the month of January show an increase of 214 carloads over the corresponding month in 1953. Out of the 1,470 cars shipped, 1,177 of these were potatoes which, compared to the figures of this product for the previous year (945), go in a large measure to make up the increase. This is contained in the monthly traffic report issued by the office of the Canadian National Railways Superintendent here.

Annual Meeting Georgetown Legion Ladies' Auxiliary

"The annual meeting of the Ladies' Auxiliary of the Canadian Legion was held at the home of Mrs. L. S. Batchelder on Feb. 1st. President, Mrs. Alec Arsenault was in the chair and there was an attendance of 14 members. The treasurer's report showed a substantial cash balance on hand and the report gave a detailed account of all moneys received and paid out during the year.
