Mt. Herbert Dramatic Club Present Play The Irish Millionaire

On Thursday evening, May 14, the Mt. Herbert Dramatic Club presented the Three Act Comedy Drama "The Irish Millionaire" in the Mt. Herbert Consolidated School to a very large audience. The scene of the play was centred in the living room of the home of a wealthy retired New York contractor, and the stage setting and fixtures were all that could be desired.

The play from the beginning plunged into mystery and humor, and the series of troubles into which the Casey family is plunged because Mrs. Casey and son and daughter have caught the "Notoriety" bug are cleared away by the love, common sense and self-sacrifice displayed by the others of the household, assisted by the clever services of a detective together with Kathleen's boy friend. Plenty of real Irish wit brightens the scenes. Each and every one of the caste played his and her part in an admirable manner and won very favorable comments. The undivided attention, hearty applause and keen enjoyment expressed by the audience gave ample evidence that the play was a huge success. The specialties were also exceptionally good and were as follows: Between Act I and II—Dance, "The Highland Fling", by Miss Pauline Wood, charming young daughter of Mr. and Mrs. Walter Wood, Mt. Herbert. The accompaniment was played by Mr. Alfred McKeamey. Between Acts II and III: Solo "Drink to Me Only With Thine Eyes" Miss Mary Monaghan, accompanied on the piano by Miss Marion Raynor. Elliot's Orchestra also furnished very delightful music between the acts. Mr. Russell Driscoll, President of the Dramatic Club, thanked the audience for the excellent order and attention. Several of the members of the Women's Institute very kindly treated the caste to a dainty lunch, which was much appreciated. Dancing with Elliot's Orchestra brought a pleasant evening to a close.

Following is the caste:
Patrick Casey—A retired contractor. Austin Coady; Mrs. Ann, his wife. Mrs. Frank Hamm; Michael, his son. Elmer Clow; Kathleen and Maggie, his daughters. Edna Jenkins and Mary Monaghan; George Drake, a friend of the family. Spurlinkins; Eileen, the maid. Marion Wynor; Humpy Steele, the tailor. Harvey Jenkins; Jim, daughter of the U. S. Treas. Dept. Russell Driscoll; Madame Anna Baiski, a Bolshevik. Helen Driscoll; Armand Francois Boni Alme de Lovier, a modiste. Milton Buell.

IN MEMORIAM

MRS. MARY HUME

As sweet summer once more, comes back to us, strewn her fragrant garlands around us, compelling us to rejoice, our thoughts go back to the dear faces of those who, for the first time, are no longer here to rejoice with us.

We would like to make mention of one, who deserves more than two or three lines marking the day and date of her demise, Mrs. Mary Hume of Kinross.

Blessed by her family, beloved by all who knew her, until of late, when the frailties of ripening years hampered her activities was ever on the alert to help others.

"Given to hospitalities" it was her delight to help unnoticed, "her aims were in secret." Her words of encouragement and comfort will long be remembered by those who knew her best. Her warnings, even her gentle rebukes, will be missed. "Truly her light did so shine" enabling others to be benefited by her counsels her good examples. Highly her name ranked among the virtuous.

Three Brothers In Medical Profession

KINGSTON, Ont., May 20—(C.P.)—Three brothers, all entering medicine at Queen's University, at different times, and all taking high-est awards in the faculty—such is the record of three sons of Mr. and Mrs. James Tweddell, Kingston.

The Tweddell boys had no medical background when they entered college. Their father, James Tweddell, is chief trade instructor at Kingston penitentiary. Their grandfather was the late John Tweddell, one of Kingston's most prominent merchant tailors.

Early in life they expressed a desire to enter the medical profession and in 1926 the first of three brothers—John T.—went to Queen's. He graduated in 1931, winning medals in medicine and surgery and a number of other awards.

Then followed the second boy—Henry James—who also concluded his final year, in 1934, with coveted medals and most of the prizes. Tomorrow the last, and the youngest, of the three, Thomas Neil, will receive medals and many prizes at medical convocation in Grant Hall.
