

Death On Sunday Of Mr. James H. Herrell

The funeral of James H. Herrell, 48 Weymouth street, who died Sunday in the Charlottetown Hospital, will be held this morning from the Charlottetown Funeral Home to St. Dunstan's Basilica with interment in the Catholic Cemetery.

The late Mr. Herrell will long be remembered by sports fans of an earlier generation as one of the steepest hockey players with the old Abegweit club at the end of the First World War. He later played with the Connaughts and when his playing days ended he coached a girls hockey team here.

CRASWELL for Better Photographs

BOYNE L. O. L. No. 614, requests all members to be present Nov. 2nd for visitation from Millview Lodge.

HAZELBROOK Sunday School will have charge of devotional service at Hazelbrook, with the Rev. A. K. Herman will speak on the subject, T. V. Christians.

TO VISIT P.E.I.—Mr. Alex Bryson, C.C.F. M.P. for Melford-Tisdale, Sask., will visit P.E.I. during the first week of November. Mr. Bryson, a prominent citizen of Tisdale is an ardent supporter of Co-ops and Credit Unions, an executive member of the Tisdale Board of Trade and very active in local and federal affairs.

VISITOR EUROPE—Mr. Thomas J. Walsh, manager of the Hotel Touraine in Boston, Mass., has recently returned from a trip to Europe where a re-union of the Ancient and Honorable Artillery Company took place in London and Paris. Mr. Walsh made the trip both ways by plane and while in London was the recipient of a medal commemorating the occasion. Mr. Walsh who is a native of Somerville, P.E.I. is a brother of Mr. Edward Walsh of the same place. He has been a regular visitor to his native province every two years for some time.

ASSIST WITH SERVICES—Members of the Boy Scouts and C.G.I.T. took part in last night's evangelistic service at the Baptist Church when they formed the choir. The girls' group sang as a special number, "God Who Toucheth Earth with Beauty". Rev. George N. Hamilton, pastor of Central Baptist Church in Saint John, the special speaker, spoke on the theme "Come Abroad—It's High" and scripturally "Come with us and we will do you good." Mrs. Leigh Dinwiddie was organist and Mr. W. S. "Bud" McMurry leader for the hymn-singing at the opening of the service. Services continue tonight, concluding on Friday.

BRIEF VISIT—Lieut. Col. C. E. Robertson, Jr., and Mrs. Robertson leave today for New York following a brief visit to Charlottetown. They arrived in New York a week ago by air direct from Germany in a party of one hundred, making the trip in fifteen hours.

FRYING TIME Col. Robertson is with the United States Army Signals, has just completed a duty tour of three years in Germany. Mrs. Robertson is a daughter of Mrs. L. R. Unsworth and has a number of relatives and many friends in the city. Considerable curiosity was aroused by the markings on their car parked at the Charlottetown Hotel, which reads "United States Forces in Germany" and carried the necessary numbers. The car was forwarded from Germany to New York several weeks ago by steamer.

Mr. J. Wesley Nicholson, well known barber of this city, has returned from visiting friends in Glace Bay, Cape Breton.

Personals

Mr. J. Wesley Nicholson, well known barber of this city, has returned from visiting friends in Glace Bay, Cape Breton.

Mr. Gordon Duffy, Post Office employee, died last night in the P. E. I. Hospital. On Thursday last while home alone and preparing to leave for work that night he is believed to have taken a weak turn and partially fallen into the bathtub which was filled with hot water.

When his wife returned to their home on Chestnut street she found Mr. Duffy in bed and unable to give a coherent account of what happened. He was removed at once to hospital and appeared to be making a satisfactory recovery, despite 25 degree burns. However, on Sunday he developed pneumonia and died late last night without regaining consciousness.

Mr. Duffy, 35, was a pensioned veteran of the Second World War in which he served with the North Nova Scotia Highlanders. He was reported as having been subject to "blackouts". He is survived by his wife, the former Miss Irene White, Murray Harbour, and their two children, Billy and Jimmy, 2, and a sister, Miss Helen Duffy. His mother and father predeceased him several years ago. Funeral arrangements had not been completed last night.

AMHERST, N. S. (Special) — They have a good vaudeville act this year at the Maritime Winter Fair. Two men and a lady call themselves the Bouncing Bodes and they do bounce. They use a prop called a trampoline. It helps them bounce all over the place.

Some of the positions they achieve with the help of the trampoline bring round a round of really enthusiastic applause, something unusual among these show crowds.

The star of the show did 27 consecutive backward somersaults without once pausing either for his breath or for his balance. It was only one of the highlights of the act.

Trinity Evening Auxiliary Service At Sanatorium

Last evening at 6.30 the Mary Millar Auxiliary held a service of worship in the auditorium of the Provincial Sanatorium. About 25 of the up-patients were present. A public address system carried the service to the rooms of the other patients. Mrs. Keith Kennedy presided and Mrs. John Kirby was the pianist. It was largely through the efforts of these two ladies that the service was arranged.

Following is the program: Quiet music, Mrs. Kirby, call to worship, Mrs. Kennedy, hymn: "All Hail The Power of Jesus' Name"; Scripture, Mrs. E. B. Ellis; solo: "Great is Thy Faithfulness", Mrs. Raymond Haley, prayer, Mrs. Helen Bell; accordian solo, "Onward Christian Soldiers", Mrs. Kennedy, accompanied by Mrs. Kirby; story, written by Joyce Kilpatrick, a missionary, Mrs. Stanley Thompson, poem, "The Beautiful Life", Mrs. Frank Wheatley; solo, "The Stranger of Galilee", Mrs. Haley, accordian solo, "Holy Night", Mrs. Kennedy; hymn, "What a Friend We Have in Jesus"; benediction, Mrs. Kennedy.

Kingston Branch Legion Meeting

The annual memorial service of the Kingston Branch of the Canadian Legion was held at City Hall Sunday afternoon with a good turnout of veterans and citizens in attendance. Capt. A. C. MacEachern, M.C., honorary president of the Branch, was chairman.

The service opened with the singing of O Canada, followed by "O God Our Help in Ages Past." A wreath was placed on the cenotaph by the Legion in memory of our fallen comrades.

Special speakers for the occasion were Rev. Owen Cochran, North River, and Rev. Father McCardie, Charlottetown. Captain MacEachern presided over the service. The speaker for the evening was the Rev. Father McCardie. He also expressed his thanks to the speakers who took part in the service. The Last Post and Reveille were sounded by the band of the Charlottetown City Police.

Rotary Meeting Held In Reverse

A new departure in entertainment proved successful at the weekly luncheon of Rotary at the Charlottetown Hotel yesterday, with E. Graham Rogers and P. W. Turner as joint chairmen.

The entire meeting was conducted in reverse, opening with "The Queen" and concluding with "Grace". Frank Curtis, the speaker, was thanked for his address before it was given. It dealt with outstanding reverses in history, not omitting local incidents. Considerable merriment was caused as he stressed the reversal of attitude towards automobiles and other features in island history.

Frank MacKinnon also in humorous vein, reviewed the latest issue of the Rotarian.

Russell Sellar, chairman of the Rotary Auction Committee made a progress report and announced that Rotarian Dick Dowd of Dowd Motors had arranged with the committee to auction a standard model 1955 Chevrolet.

Two new members were introduced, and welcomed by President J. H. Shaw. Dr. J. Hubert O'Hanley was sponsored by Roy MacGillivray and Gordon B. Rayner by Past President W. W. Reid.

Visiting Rotarians were Tom Mitton, Turco, G. A. Buchanan, Windsor, Ont., M. W. MacKenzie, Turco, Rev. H. K. Gimmer, Amherst, and guest Norman Stewart, Charlottetown.

Busy Schedule

Dr. Muriel Uphrichard (above), National Director of Junior Red Cross has a busy schedule mapped out for her by the Provincial Director of this Department, Miss Marie Bowness. Dr. Uphrichard is presently visiting the Atlantic Provinces' Divisions of the Canadian Junior Red Cross and has completed three weeks' work in Newfoundland as well as a week in Nova Scotia.

While here she will meet with Junior Red Cross High School Councils which are now established at O'Leary, Tignish, Summerside, Convent and High School, Kensington, Montague, Charlottetown, Souris and Kinkora. She will also give a series of lectures to the Teachers-in-Training at Prince of Wales College and confer with Dr. L. W. Shaw and Mr. K. A. Parker.

On Thursday afternoon she will be the special speaker at a meeting of the Prince Edward Island Divisional Council to be held at Red Cross Headquarters in Charlottetown.

Picks 3 lb. 10 oz. Potato

Mr. Everett Gallant of Oyster Bed Bridge is shown above holding a three pound, 10 ounce Sebago potato which he picked on the farm of Willard MacCallum, Brackley Beach.

French Hand Over Four Old Settlements To India

PONDICHERY, India (AP) — Four small French Indian settlements were handed over to the New Delhi government Monday, ending France's 300-year-old foothold in this country.

Artillery salutes boomed across the Bay of Bengal as the French tricolor was lowered in Pondicherry, long the capital of French India, and the Indian flag was raised. Legal transfer of the territory after seven years of dickerings between New Delhi and Paris was achieved by the signing of official documents here in Government House.

At the same time, de facto transfers were made to India of three other French settlements—Karikal, Yanam, and Mahe. All the settlements ceded are on India's east coast except Mahe, on the west coast.

In 1947, just after India won independence from Britain, France handed over to the New Delhi government several other small plots of land that once were trading posts. Chandernagore, near Calcutta, voted in 1949 to join India and a treaty for this transfer was approved by the French in 1952.

FRENCH RULE ENDED — The total territory transferred covers about 196 square miles and was combined population of some 325,000.

Thus France's bid to beat Britain in establishing a great empire on the Indian subcontinent, which started back in the 17th century, is ended. Ironically, the British, who won the old fight for most of the country, got out ahead of the French.

Portugal has not agreed to New Delhi's demands for the cession of Portuguese India, three small districts and an island on the north-west coast north of Bombay. Indian nationalists in recent months have invaded some of the Portuguese possessions, and clashes resulted with Portuguese authorities.

Still A Magnet For Visitors To Ch'Town — Despite the lateness of the season, the Confederation Chamber continues to prove itself a real tourist attraction. Last month several hundred visitors called to see the room where Canada was born.

They represented nine of the Canadian Provinces, with only Alberta being missing, and various parts of the United States. From the latter came tourists from Maine to California and from North Carolina to the State of Washington. Only Vermont of the New England States was missing as all Eastern States from the Canadian border to Pennsylvania were represented. Visitors also came from England.

That the appeal of the Chamber is universal is well demonstrated by the variety of occupations of the many sightseers. They run the complete gamut of professions and trades.

In October there were physicians, surgeons, nurses and dentists; metal researchers, construction workers, engineers and a technician; teachers, students, statisticians and stenographers; stationers, accountants, publishers and salesmen. Other interesting occupations listed included a welfare director in the German Embassy, manager of a radio station, a member of a Fish and Game Department and a publicist, directors, sirmen, bankers, homemakers.

SECOND GREATEST ACT — Monday's ceremonial was the second greatest act of homage to the Madonna in the Pope's 15-year reign, the chief one being his proclamation four years ago of the dogma of the bodily assumption of the Virgin into heaven.

The Pope, walking to the high altar, fixed the two jeweled crowns, paid for by Catholics throughout the world, above the heads of the figures of the Virgin Mary and Child, painted on wood. By tradition, St. Luke the evangelist is credited with the painting.

Ten thousand electric candles lit the rich red damask hanging from the marble columns of the world's biggest church. Silver trumpets sounded a triumphal march while the huge congregation waved handkerchiefs and scarves.

KISS POPE'S RING — Twenty-five cardinals knelt before the Pope one by one to kiss his ring. They included Cardinal McGuigan of Toronto and Paul Emile Cardinal LeMay of Montreal.

The ceremony was televised for Italians and broadcast over nearly half the national radio networks of Europe.

The Pope extolled the "Queen of Heaven" as an example to the world's rulers.

He said that among the benefits which humanity might expect from the goodness of the Virgin Mary was annihilation of "the dark plans and wicked works of those who are enemies of a united and Christian mankind."

N. B. Child Fatally Scalded In Accident — SHIPPEGAN, N.B. (CP) — A two-year-old Shippegan girl, scalded when she fell backward into a bucket of boiling water, died in hospital at Tracadie Monday.

Lillian Laroque's grandmother, Mrs. Anne Laroque, had turned away momentarily from steaming water she had heated to wash windows. The accident occurred Friday.

Dunstaffnage Exhibitor Wins With Bacon Side

AMHERST, N.S. (Special) — A Dunstaffnage swine breeder is the champion bacon side producer of the Maritime Winter Fair. The championship in this export bacon show competition for the Swift challenge trophy has been won by S. C. Stewart and Son. The same breeders won the Canada Packers trophy in 1953 for dressed lamb carcasses.

Boyd Dixon of Clyde River has a side in the first group and won a red ribbon.

The Swift Canadian Challenger Trophy won by S. C. Stewart and Son, Dunstaffnage, was presented last night by L. T. Snell, head buyer for Swift Canadian, Moncton, N. B. and accepted by Wilfred Stewart.

PEI Hogs Valued By Sask. Breeders

The recent shipment of Island type Yorkshire hogs arrived late last month in Saskatchewan and were immediately distributed to 38 breeders throughout that province. Making note of their arrival the Saskatoon Star-Phoenix stated: "Prince Edward Island hogs are of the best bacon type and get the highest carcass scores." The newspaper also noted that Island hogs are 53 per cent Grade A for market compared with Saskatchewan's 23 to 25 per cent.

Dr. Stan Curtis, livestock fieldman for the Western Province who came here to purchase the shipment, told the newspaper of the high advanced registry rating of the 65 boars he bought. He said the stock bought from the Island was of uniform type and conformation and found this particularly noticeable in the boars he had purchased from the farm of Mr. David Wright, Lower Moncton, where he took 11 from one litter of 16.

The boars are now on breeding farms widely scattered from Saskatchewan to St. Bruno; from Muenster to Assiniboia; and from North Battleford to Meadow Lake. Dr. Curtis is hopeful and confident that the Island stock will aid greatly in improving Saskatchewan herds.

Conversion from American Shermans to the British Centurions began in 1951 for the armored regiments — Lord Strathcona's Horse of Calgary, and the Royal Canadian Dragoons of Petawawa, Ont.

Canadian armor in Korea employed Shermans but Centurions are waiting for D-Squadron of the RCDE when it returns from the Far East, probably before the end of this year. D-Squadron of the Lord Strathcona's in Germany has Centurions and enough Canadian tanks are being stored in Europe to supply the tank element of an infantry division.

A regiment's battle order calls for some 80 tanks but, including machines in reserve, a regiment needs about 75. Centurions cost \$115,000 apiece, without spare parts and spare barrels.

The defence department earmarked \$26,064,000 for tanks and armored fighting vehicles in the current fiscal year, an increase of \$8,254,000 over the previous year's appropriation.

BETTER MAKE SOUGHT — Though the Army says conversion to Centurions has recently been completed, it is keeping an eye out for an even better tank. However, there is no immediate intention of buying a later model of the Centurion or the monster British Caernarvon, about the same size as the standard 70-ton tank in the Russian army. British tanks are considered the best available.

The Centurion mounts a 20-pound gun — the Sherman has a 17-pounder — and can throw a shell 6,000 yards. It normally carries a crew of four, travels 20 to 22 miles an hour and is believed the only tank which can turn in its own length.

The gun operates on a gyro so that it holds on target no matter how crazily the tank itself may

PRECEDES REPORT — The new strike started just before the House of Commons assembled to hear a report on the strike settlement from Labor Minister Sir Walter Monckton.

A spokesman for the men involved in Monday's dispute said that non-union drivers for a big restaurant firm did their own loading at the docks during the long strike.

When they turned up Monday, the strikers immediately challenged them to produce their union cards.

"They could not do this and we stopped work till they withdrew. But the wharf management sacked us for it."

"It means the management has been guilty of sacking permanent union dockers in favor of letting non-union men carry on here."

In reply, the port employers said the strikers had broken their pledge given in last week's settlement that there would be no victimization by either side.

Heads of Naval Reserve Units Attend Conference

HAMILTON, Ont. (CP) — Commanding officers of Canada's 22 naval reserve units from the Atlantic to the Pacific are in Hamilton this week attending the seventh annual conference at naval reserve headquarters located at HMCS Star.

Headquarters were moved from Ottawa to Hamilton two years ago and this is the second conference here. The divisional commanding officers were welcomed by Commodore Kenneth F. Adams, commanding officer of Canada's naval reserve, who will be chairman of discussions, which will continue until Friday.

Thursday the conference will be addressed by Admiral E. R. Mainwaring, chief of the Canadian naval staff. Friday the officers will hear Rear Admiral T. G. Knowlton, chief of naval technical services.

The conference agenda includes discussions on training problems, organization, administration, supply, equipment stores and recruitment.

Best Dairy Cattle Judges

Two members of the Malpeque Calf Club, George Riley, left and Nelson Morrison, right were the winners at the Amherst Fair in the Dairy Cattle judging competition.

Armoured Regiments Fully Equipped With British-Designed Centurian Tanks

OTTAWA (CP)—The Army's two armored regiments now are completely equipped with British Centurian tanks. The cost: about \$17,000,000.

This does not represent the total outlay for Centurions because the Royal Canadian Armored Corps had received 11 direct hits from high-explosive shells fired by a Russian 122-millimetre gun. The damage was superficial and the crew was unhurt.

Underground Red Leader Arrested In U. S.

WASHINGTON, (AP) — The justice department Monday night announced the arrest in New York City of Martha Stone, 44, identified as an underground leader of the Communist party in the United States.

J. Edgar Hoover, director of the Federal Bureau of Investigation said in a statement that Mrs. Stone has operated in the Communist underground under assumed names since the summer of 1951 when she disappeared from her residence in Newark, N. J., leaving behind her husband and a six-year-old son.

She is charged, the FBI said, with being a member of a group which coaches and advocates the necessity of overthrowing or destroying the government of the United States by force or violence.

Conviction could carry a fine of \$10,000, 10 years imprisonment or both.

The FBI said she was arrested in a restaurant in the Bronx, New York City.
