## NL And AL Batters Wage Terrific Batting Battle

NEW YORK (AP)—Stan Musial, Richie Ashburn, Hank Aaron and Willie Mays, the players almost everyone figured would be in the thick of the competition for the National League batting title, are waging one of the most interesting battles in the history of the circuit.

## SPORTS FRONT

By PIUS CALLAGHAN

What a show those two trotters, Lady Lakeburn and Palacena, put on for race patrons at the Colt Stakes Monday night. It was something that the racing public won't forget for a long time to come.

Fans had expected quite a demonstration by the Lakeburn mare but they hadn't counted on the game display that was to be provided by the 4-year-old Palacena.

Both miles were terrific and when you consider that these times were run up at Colt Stakes they are all the more amazing. The first was in 2:11.3, with the last half in 1:03.3, a sensational clip for four-year-olds. The second mile was 2:09.1, faster than most free-for-allers have been giving us this season.

Drivers Myron MacArthur and Horace Willis surely got a real hand from the cash customers for their all-out drives and although there was no betting on either miles, even the parimutuel mined folks were roaring their approval.

If anyone had gone to Charlottetown Driving Park expecting to see Palacena hopelessly outclassed, they certainly received quite a surprise. Both miles were races all the way and an announcer "Duck" Acorn informed the folks that Palacena's mile the second time out was inside 2:10.

Lady Lakeburn has been purchased by Island parties, Mapco Stables and George Brookins now being the proud owners. Race fans everywhere will be wishing the new owners plenty of success with their great trotter and they'll also be watching Horace Willis's Palacena who made the big trotter go all out to rack up her victories in the Colt Stakes.

Loads of success to both of them.

Lefty Dunn gave baseball fans quite an exhibition of relief hurling at Memorial Field Sunday afternoon. The fine pitching of Dunn went for nothing as Legionnaires couldn't get enough runs of John Bethel to grab the win and close out the juniors' series with Summerside. However they accomplished that feat on Monday behind the strong arm pitching of Roger MacLeod.

MacLeod in winning Monday's battle over the MacLellan Pontiacs made in four triumphs in five appearances against the westerners. He lost a 7-6 verdict at Memorial Field on Sunday August 24. That one, too, he could have had if the Legionnaires had been a bit sharper on the base paths.

However although terminating the series in six games, the Legionnaires didn't have anything too much to crow about. Every game they won in doubt until the very last out and most of the time Brian Lewis's boys had to come off the floor to snatch their verdicts. The losing Pontiacs gave it everything they could muster and John Bethel had the satisfaction of stopping the Legionnaires on two occasions.

Home diamonds mean nothing to these juniors. We stated in a column some time ago that young players very often performed better away from home. These juniors proved the truth of this statement. Legionnaires won three of their four games at Summerside and the Pontiacs grabbed both their triumphs at Memorial Field.

But getting back to Lefty Dunn, this pint-sized hurler showed Brian Lewis plenty in his seven inning relief chore Sunday. He blanked the Pontiacs and allowed the Summerside lads just three safeties. Fans liked what they saw and it's a safe bet that Brian did too.

Nice going Lefty. You didn't pick up a win but you did show everybody that there are better days ahead. Let's have more performances like Sunday.

Summerside's Civic Stadium manager is a fellow who doesn't believe in letting things stay quiet for any length of time. The genial Charlie Hogan is at it again—this time a stellar boxing card slated for Tuesday night, September 9th.

Charlie really has a humdinger lined up and if it's fast and furious action the folks want, Hogan is ready to serve it up in abundance come next Tuesday.

He has been successful in obtaining two 'old' foes for his ten-round feature. They are Gaston Roy and Roy 'Tiger' Steele who have feuded so often in Island rings in the past. Every time these boys have clashed the tempo was furious and you can bet your last dollar it will be even greater when they meet at Civic Stadium next Tuesday.

In his semi-final, Charlie has come up with a real grudge match, with Doug 'Sluggo' Turnbull of New Glasgow facing Summerside's Walter 'Peanuts' Arsenault in an eight rounder. This has promise of being a blood-thirsty affair. A six-round 'special' is also on the action-packed card and Young 'Tiger' Steele and Carl Arsenault will be the participants. In addition to all of this, Jim Poulton of Charlottetown and Donnie Arsenault of Summerside will square off in a certain raiser.

It looks like a really great night or fight fans and Civic Stadium should have its largest crowd in a long, long time. See you at the fights.

St. Louis Cardinals' manager Fred Hutchinson hasn't given up on his former-pitching ace, Lindy McDaniel. Lindy got shipped to the minors a short time ago but Hutchinson doesn't believe he'll be there too long.

Says Fred: "It's fortunate that we were able to send Lindy McDaniel out. He was our best pitcher this spring, but he began experimenting with his delivery and went sour. He'll be ready to win again in the majors when we bring him back in September."

Lets hope Hutchinson is right, because McDaniel was surely a guy that showed plenty of promise. He belongs in the majors, not the minors.

ting title and only Kuenn has a lifetime average of better than .300.

Ernie Banks of Chicago has just about wrapped up the National League home run title. He has 42.

Rocky Colavito of Cleveland slammed three homers and tied Washington's Roy Stivers for second place in the American League. Each has 34, four less than Mickey Mantle of the Yankees.

Kuenn of Detroit took over the American League lead Monday while sitting out the twin-bill with Kansas City because of an arm injury. Harvey is batting .325 while Runnels of Boston went hitless in 10 trips and slumped to second place at .321.

Power of Cleveland moved into third place with a .320 mark followed by Kansas City's Cerv at .319. None among the top four ever has won a major league bat-

### Anthony Seeks A Heavyweight Ranking Tonight

SYRACUSE, N.Y. (AP)—Tony Anthony makes a bid for a ranking in boxing's heavyweight division and his fifth straight victory tonight in a 10-round bout with Archie McBride of Trenton, N.J.

The 24-year-old New Yorker already is a top contender in the light heavyweight class, but it's no secret that the punching stylist would like a chance at Floyd Patterson's heavyweight title. To his credit he has 27 knockouts, seven wins on points, one draw and five defeats.

McBride, 27, has won 21, including eight knockouts, and lost 13.

McBride is considered a spoiler whose only ring fault is his inactivity. He has fought the best in the division, but in 11 years has met only 34 opponents.

Since losing to Archie Moore in a light heavyweight title match last September, Anthony has knocked out four light heavyweights.

McBride's last fight was Dec. 12 when he lost to Ingemar Johansson, European heavyweight champion.

Anthony turned professional in 1952 after a fruitless trip to the Olympics in Helsinki. He failed to make the weight in the world boxing championships. Patterson won the 165-pound Olympic crown.

### City Approves Bond Issue To Entice Nats

MINNEAPOLIS (AP)—A \$9,000,000 bond issue designed to entice the Washington Senators to Minneapolis won final city approval Tuesday.

By a 7-0 vote the city's board of estimate and taxation gave Senators president Cal Griffith a clear field to seek American League permission to move the Washington franchise.

Griffith will get the opportunity at a league meeting in Chicago next Monday. He has not publicly indicated what he intends to do.

The bond issue would permit expansion of metropolitan stadium seating capacity of 41,000 from 21,000.

### B.C. Lions Sign New Head Coach

VANCOUVER (CP)—Club president Harry Spring of British Columbia Lions said Tuesday former end Dan Edwards has been signed as head coach.

Spring said Edwards, a former player with the Western Inter-provincial Football Union team and also one-time player with Baltimore Colts of the National Football League, will be given a free hand.

Edwards said "I am extremely happy with the appointment. I will do all I can to pull the Lions out of the cellar."

### 'Rocket' Signs 1958-59 Contract

## SPORT ECHOES

BY NORMAN MACDONALD

Jack Kane looks to be the best long ball hitter to come out of Charlottetown since Whitlock's heyday. In Summerside Saturday he would have had three home runs but for sharp fielding on the part of the Pontiac outfield. He hit one four-bagger. Don Gillis grabbed another of his long flies at the edge of the grass, and a quick, accurate throw to home plate nipped him on a third occasion.

Not many boys who can hit 'em far hit 'em often. Whitlock was very consistent, as was Les Gaudet of Summerside, and Jimmie McAleer wasn't portending them in. Of late years Summerside has had a few boys who could belt one over the fence for you if you had a lot of patience. Gord Grady, Maurice Cannon and Neil Walker are three that come to mind in that regard. But Whitlock and Gaudet were meaner in the clutch than at any other time. This boy Kane looks to be another of the same breed.

Winning two ball games in Charlottetown was quite a feat for young John Bethel. That he should win two on consecutive days was hardly to be expected, so he did falter on his third trip out. The kid looks like a real prospect, there isn't any doubt about that. But Roger MacLeod was just too hefty for the Pontiacs in the H and D. Summerside would have been a shoo-in for the title.

Anyway it was a really exciting series with most of the games nip and tuck affairs. There was some pretty good ball dashed out mixed in with a few weird bobbles. Taking everything into consideration, we think the crowds liked the brand of entertainment, and we hope the boys will get organized a little earlier next year.

We received a letter from the Springfield Cubs recently with ten names signed to it so we suppose that makes it unanimous. They state they agree with our column wholeheartedly, which surprised us a little. We figured they'd be with us in our remarks about the Summerside pitcher's balk, and the decision at second base, but what about that call at the plate, fellows? Meant to say you agreed with that too? You disagreed with considerable huffing and puffing at the time of the call, remember? The Springfield boys say they were surprised at the amount of abuse our umpires take, throwing bats against the screen, profane language, etc. There again we see eye to eye. They also state that, although it was only an exhibition game, they thought they deserved a better fate. There, fellows, we've printed your beefs as you requested.

Our Summerside Little Leaguers had a fine outing in Moncton and enjoyed themselves immensely, we think. They were unlucky enough to be pitted against Glace Bay at the very outset, and were defeated 5-4 but it took an extra inning to do it. Glace Bay went on to the finals, Lancaster the new Maritime champs, beating them 14-1.

## Carl Ripley Dies At 40

AMHERST (CP)—Carl Ripley, well-known Maritime hockey player, died Tuesday in hospital after a lengthy illness. He was 40 years of age.

His death was caused by a brain tumor.

Ripley performed with many Canadian and American hockey teams, including the Baltimore Orioles of the old U. S. Hockey League.

He also played with the old Amherst St. Pats, a team that went as far as the Eastern Canadian Junior Finals against Montreal.

## Ball Playoff Today At S'Side

With their best-of-three series tied up at one game each, Grand River and Tignish baseball squads meet today at Queen Elizabeth Park, Summerside, in the deciding game of their battle for this year's Prince County Intermediate Title and the right to meet Peakes, Kings County winners for the Island Rural title and the right to meet Rolfe's Parkdale Arrows for the Provincial Intermediate Baseball Crown.

Game time today at Summerside will be 3:30 p.m. with umpires Elmer Phillips and Earl Boates handling the officiating.

## Nat Stockholder Seeks To Oust Officers Overse

WASHINGTON (AP)—A minor-league stockholder Tuesday asked the courts Tuesday to oust president Calvin Griffith and other team officers, place the team in receivership and enjoin its transfer to Minneapolis.

The suit in federal district court by Robert R. Rodenberg also asked \$500,000 in damages.

## DOWN THE BACK STRETCH

Labor Day's racing programs captured a lot of the enthusiasm of Maritime inhabitants in all three provinces, and glancing over the summaries, we feel sure they all got their money's worth. Perhaps the most outstanding performance of all the programs was the trotting duel between Lady Lakeburn, driven by Myron MacArthur, and Palacena, driven by Horace Willis in the four-year-old trot at Charlottetown, raced in two dashes. Lady Lakeburn recently won from a fast field in the state of Maine, and locally, Palacena had given evidence of the possibility of a 2:10 performance.

Both dashes were won by Lady Lakeburn, the first being a photo finish - time 2:11 3/5 and the last half in 1:03; Palacena led all the way until but a few feet from the finish. In the other dash, Lady Lakeburn went to the front and Palacena made a great try, finishing about a length back, time 2:09 1/5. It was the fastest mile trotted over the Charlottetown track this season.

Race Secretary E. Frank Acorn announced that Lady Lakeburn had been sold to George H. Brookins and the Mapco Stable of Summerside. We would like to hand a bouquet to our friend Myron MacArthur, for the care, attention and good drives he has given Lady Lakeburn these past two seasons.

Another good performance was in the two-year-old pace, which was won by the Fredericton-owned Lady Lou Hal, owned by W.A. Roberts and driven by Buddy Campbell, formerly of Borden, P.E.I. She was an easy winner in 2:19 in each of her first three dashes, in Fredericton in 2:14 4/5, Morley's Pride, driven by R. Anear, was 2:2.

ary Leah, owned by Leigh O'Brien, Alberton, looks like a mare with a trotting future as she won both dashes in the three-year-old trot and took a record of 2:29 2/5; she was driven by Horace Willis. Buddy Campbell had an easy win in the two-year-old trot with Miss Honey Fing, owned by W.A. Roberts, Fredericton, N.B., best time was 2:38 1/5. She has shown much faster time than this at Fredericton.

George Callbeck created quite a surprise in the three-year-old pace when he won the race-off from Janet M. (Junior) Chappell, Belle Texas (H. Willis) and others. He won with Izzie Reynard and took a new record of 2:14 1/5.

Now let us turn our eyes to Sackville Downs, Halifax, where a \$2,000 purse was put up for the Maritime Pacing Championship Monday night, and a large holiday crowd turned out for the occasion.

In a surprise win, Jolley Lad, owned by Mrs. Keith Thomas of Halifax, and driven by 24-year-old Elmer Smith of Hunter River, P.E.I., outfooted Dave Grattan,

Frenchman, and Jet Master to win in 2:10. Frenchman (J. Given) 2, Jet Master (L. Walker) 3, and Dave Grattan (D. Walsh) 4. In the other championship dash, Dave Grattan headed Jolley Lad to the wire, with Jet Master 3, and Frenchman 4, time 2:09 1/5. Dave Grattan is owned by the L. and G. Stables, Halifax.

Here are some other winners: Races 1 and 4 - Little Deb (R. Johnston) 2-1, Wait For Me (D. Moreside) 1-3, Royal Onyx (J. MacGregor) 3-2, Frankie Bul-long (Smith) 5-4, four other starters, times 2:14 and 2:15; Little Deb owned by Walter Comstock, Hantsport, N.S. and Wait For Me by George Gregory, Parkdale, P.E.I.

Races 2 and 6 - Just Rita (D. Walsh) 2-1, Billy Elgin (F. Daniels) 1-3, Leon Spangler (E. Smith) 3-2, Globetrotter (L. O'Brien) 4-5, times 2:16 2/5 and 2:14 2/5. Just Rita owned by the Cruickshank Stables, Halifax, and Billy Elgin by F. Daniels, Truro.

Winners of single dashes were: Lark Vibrat (H. Walsh) 1, Ginger Will (C. Smith) 2, Chevie G. (Moreside) 3, four other starters, time 2:17 4/5; winning owner Edward Haley, Antigonish. Race 8 - Jollity Kitten (A. Carter) 1, Stewart's Demon (N. Campbell) 2, Hi There (L. McHugh) 3, time 2:18; winning owner Gordon Purcell, Halifax.

It will be noticed that Island drivers were quite active in the above races, winning 32 of the 88 points.

Now let us take a look at Foxboro, Mass., for races last Thursday night. The track was heavy, so the times were slower than usual. Last week we mentioned Dominator Pick (D. Pinkney) 3-3 times 2:12 2/5 and 2:11 3/5; the first quarter of race 7 was paced in 30 4/5 seconds. Jollity's King owned by A.J. Arsenault, River Hebert, N.S., and All Soice owned by Lloyd Palmer, Pictou, N.S.

Race 8 - Money Royal (Daniels) 1, Basil Henley (P. Pinkney) 2, Mountain Speed (Fletcher) 3, Lee Brooke (Connors) 4, time 2:15 1/5; Money Royal owned by Daniels and Rice, Truro.

They had a good program at Saint John raceway Saturday night, with two double-dash winners on the card. In races 2 and 6 Bonnie Michael (B. Queen) 1-1,

# Moford Downs Athletics; Yank Rookie Beats Bosox

KANSAS CITY (AP)—Herb Moford used curves, sliders and sinkers with stunning effect Tuesday to limit Kansas City Athletics to two hits and give Detroit Tigers a 6-1 victory.

Gail Harris hit his 16th homer for Detroit.

One of the hits was Bob Cerv's 30th homer—his first since Aug. 6.

The other was a double by Harry Chitt down the third-base line in the sixth inning. That was

the first safety off Moford, who had pitched perfect ball until that time. He walked only two and struck out four in gaining his fourth victory in 11 decisions.

Gail Harris hit his 16th homer for Detroit.

NEW YORK (AP)—Rookie Zack Monroe pitched his first complete game in the majors, a five-hitter Tuesday night as Boston York Yankees defeated New York Red Sox 6-1.

WASHINGTON (AP)—A brilliant backhand stab by shortstop Ozzie Alvarez on pinch-hitter Joe Taylor's bases-full smash led to a game-ending double play and saved a 4-3 victory for Washington Sena-tors over Baltimore Orioles Tuesday night before only 2,233 fans.

PITTSBURGH (AP)—Homers by Bill Virdon and Frank Thomas powered Pittsburgh Pirates to a 3-2 victory over Philadelphia Tuesday night behind the six hit

pitching of Bob Friend, who chalked up his 19th victory of the season.

ST. LOUIS (AP)—The Cardinals, clawing for a place in the National League's first division, used solid hitting and the steady pitching of Bob Mabe Tuesday night in a 4-2 defeat of fourth-place Cincinnati.

Mabe's pitching was not spectacular but he went all the way and he made the Redlegs work hard for their two runs, yielding seven hits.

Linda Abbeduto (B. Lawson) 2, DeSota Girl (Scott) 3-4, Guy Adam (E. Kirkpatrick) 5-5, time 2:12 1/5 and 2:13; Bonnie Michael owned by C.B. Queen, Colbrook. Races 3 and 7 - Happy D. (J.
