New York Stocks

NEW YORK (AP) — The stock market climbed with difficulty on Tuesday under the leadership of selected industrials. The erratic session featured much backing and filling as volume increased to 2,120,000 shares.

Motor, oil, rubber, distiller, radio-television and chemical stocks were generally higher. But steel, aircraft, airline, copper mining, farm implement and motion picture issues leaned to the downside. Railroads and utilities were irregular.

The Associated Press average of 60 stocks advanced 20 cents to $134.40 as the industrial component established a 1954 high with a 60 cent increase to $183. However, the railroad component declined 10 cents at $98.60 and the utility component eased 10 cents at $64.40.

Canadian issues were mostly higher. Hiram Walker was up one point, Distillers Seagram gained ⅝, McIntyre added ½ and Canadian Pacific was up ⅛. International Nickel fell ¼.

Canadian issues were mixed on the American stock exchange. Royalite Oil added ⅜ while both Lake Shore and Giant Yellowknife slipped ⅛.
