Annual Meeting O'Leary School

There was a good attendance of ratepayers at the annual O'Leary school meeting which was held on Tuesday night, June 26th. The chairman was James M. MacWilliam and the secretary for the meeting was Ralph Ozon. On behalf of a special committee appointed at the last annual school meeting to interview Government officials and other interested parties regarding the possibility of getting Grade Eleven in O'Leary, Dr. L. G. Dewar, O'Leary, made a splendid report. Other members of the committee were Harry J. MacWilliam and Edward W. Turner. Dr. Dewar mentioned that the committee had had interviews with Hon. Mr. Large, Minister of Education, and Dr. L. W. Shaw, the Director of Education. They had written to every school district from Elmsdale to Ellerslie regarding the number of prospective Grade Eleven students and asking their co-operation. A reply was received from nearly every school. Inasmuch as the Provincial Government intends making Grade Eleven into a two-year course to correspond to the work done in the first year of Prince of Wales College, and inasmuch as the P. E. I. Education Department is

working in close co-operation with N.S. Dept. of Education, there will be no change for this coming year in the present Grade Eleven in the Province, but beginning in the school term of 1952-53, the new set-up will come into force. The meeting was well pleased with the result of the work of the committee, and ordered the report filed and asked them to carry on with a view to achieving the Grade Eleven status. They received a hearty vote of thanks. Total receipts for the O'Leary school district was \$8,165.57. Total expenditures amounted to \$5,032.19. The supplements were \$450 for the Principal's room, \$350 for the vice principal's room, and the supplement for the other two rooms was raised from \$275 to \$300. The auditor, Ralph Ozon, was re-appointed for another year. The new trustees were Wendell S. Turner, replacing W. B. Brooks, retiring trustee. It was decided to build a coal bin in the basement of the school and to seek ways of reducing the arrears were only \$938. It was decided to give those in arrears two weeks until July 15th to pay up or it would be turned over to a solicitor. The Women's Institute was praised for their splendid work in helping to furnish and equip the new school. The debt on this lovely four room new school is only \$11,075. It reflects great credit on the community. A vote of thanks was extended the capable secretary, Leslie MacAulay,

secretary of Maritime Home for Girls. Moved and seconded that they be taken to church at regular service, so as the whole congregation would have the privilege of contributing. Supply secretary reported one bale of clothing sent to Toronto, to be forwarded to Korea. A donation of \$1.00 received from Mrs. Walter Clark to help pay expenses on same. One member handed in a donation for Port Workers at Halifax. Ten home visits, eight hospital and fourteen cards and letters sent, were reported to Friendship Secretary. Under new business, it was decided to send out the Travelling Aprons, again for funds, to pay expenses arising from this work. Next meeting is to be in the church. Mrs. G. Godfrey to lead next devotional service. Giveings by monthly envelopes \$2.00, offering \$4.00. The meeting closed with hymn, "O Son of God, our Captain of Salvation," and a prayer for youth and Missionaries, and Benediction by Leader.

NORTH WILTSHIRE W. M. S. The June meeting of the W. M. S. Auxiliary of North Wiltshire United Church was held in the church. It opened with a lovely Worship Service, the theme being, "Worship and Work." Mrs. Keir Hatherley conducted the Leaders part, with other members assisting in the Scripture readings, which were as follows: Mark 8: 1-5, John 17, 1-5, Acts 18: 1-3, I Thessalonians 2:9-12, II Thess. 3:6-13, Philippians 2: 12-13 and James 1: 22-27; 2: 14-17. Mrs. Reggie Clark acted as organist for the evening. The business period was presided over by the vice president, Mrs. Bruce Deacon. Roll call answered by six members. A sketch of the minutes of last meeting was read and approved. Under the head of unfinished business, it was reported that approximately \$30.00 had been taken in as net amount from the play. Friendship secretary had received envelopes from the

secretary of Maritime Home for Girls. Moved and seconded that they be taken to church at regular service, so as the whole congregation would have the privilege of contributing. Both celebrated Mass at the Little Flower Church, one at seven, the other at eight A.M. Following this they went to the Church of St. Laurence to assist Father Reginald with his first High Mass. This scribe had a pleasant visit with that grand old man of the medical world, Dr. MacDonald, St. Peter's. When we called at his office, there he was in his shirt sleeves and busy in his office. Inquiring about his age, he said, "Why I am only a young doctor, ninety-four years young and on the job here twenty-four hours a day for sixty-three years." Why? he said, "It's nearly fifty years since I brought into the world." The old young doctor is smart, hale and hearty in his lovely home ready to go at any hour. He showed us through his home, and lovely it is. He scooped at his beloved duty of retiring from the world. Mrs. MacDonald, Mr. and Mrs. Lloyd Cox and daughter Helen have returned from a trip to Boston, where they attended the wedding of Dr. Lloyd Cox, son of Mr. and Mrs. Lloyd Cox, Sr. of this vicinity.—B.
