The U.P.E.I. Photo Club is off to a great start. The success of the first contest is an indication of more to come.

The U.P.E.I. Photo Club is designed for students to learn and enjoy the many aspects of photography whether it be to learn the basics or advanced techniques.

We have a meeting every Monday night at 7:00 p.m. It is held in the SUN newspaper office on the fourth floor of Main Building. Any member of the University community may join the Photo Club at no cost.

This month's Photo

Club contest theme is Hallowe'en and October.

Up to 8 prints may be entered, maximum size 8 x 10 in black and white only. Prints must be unmounted. Deadline for entry is Friday, Nov. 17. Prints must be marked on the back with the photographer's name and address. Either give your prints to Lee Donnelly or drop them in at the SUN office.

Congratulations to Derwin and Clint for their excellent photos that took 1st, 2nd and 3rd place in this last contest.
