

Parnellism and Crime.

SIR HENRY JAMES CONTENDS THAT THE "TIMES" CHARGES HAVE BEEN PROVED.

Sir Henry James continued his speech for the Times before the Parnell Commission on the 6th. He quoted from speeches made by Michael Davitt in 1880 to show the object of the land league was, under a cloak of constitutionality, to effect a combination between the forces of the Moderates and Extremists belonging to the American Clan-na-Gael and the Irish constitutionalists in the work of keeping Ireland unsettled.

IMPORTANT!

Remarkable Restoration to Health of Well Known Canadian whose Cases were Given up as incurable.

From the few of the hundreds of letters we have received from those who have been restored to health and strength by the use of that wonderful discovery, Paine's Celery Compound, we make a few extracts. We hope that the thousands of Canadian men and women who are suffering from nervous and wasting diseases, will profit by these true and plain statements of facts.

D. S. Davidson, of Montreal, suffered for years with nervous dyspepsia, pain in his back, and sleeplessness. He tried doctors without relief, was losing flesh rapidly, and had about given up heart when he commenced the use of Paine's Celery Compound. "Now," he says, "I am a new man. I sleep well and my food does not hurt me."

Mr. Jas. Johnson, 302 St. Charles Borromeo Street, Montreal, was weak and nervous, had no appetite, and could not rest at night. His nerves were soothed and strengthened by Paine's Celery Compound, and he soon became well and strong.

Annie Gourley, of River Beaudette, P. Q., found the Compound a certain cure for weakness, and now feels as well as she ever did.

A customer of Harrison Bros., druggist, Hamilton, Ont., told them that he was entirely cured of nervous weakness by the use of two bottles of the Compound, after everything else had failed.

The little child of Mrs. G. E. Meredith, 76 D'Arcy St., Toronto, was cured of St. Vitus' Dance by Paine's Celery Compound.

THE TREATMENT OF MANY THOUSANDS OF CASES OF THOSE CHRONIC WEAKNESSES AND DISTRESSING AFFECTIONS PECULIAR TO FEMALES, AT THE INVALID HOTEL AND SURGICAL INSTITUTION, BUFFALO, N. Y.

Dr. Pierce's Favorite Prescription is the outcome of a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar ailments. Dr. Pierce's Favorite Prescription is the outcome, or result, of this great and valuable experience. Thousands of testimonials, received from patients cured, from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most powerful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the stomach and its appendages, in particular. For overworked, worn-out, "run-down" debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being recommended as an appetizing cordial and restorative tonic, as a soothing and strengthening nervine, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep, relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, female weakness, "shop-girls," nervousness, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, or perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is the only medicine for women, sold by druggists and positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For large, illustrated Treatise on Diseases of Women (100 pages, paper-covered, send ten cents in stamps. Address:
