Appeal Decision In Ferry Sinking

LONDON (Reuters)—The British transport commission decided to appeal Tuesday against a court of inquiry's findings on the sinking of the Irish Sea ferry Princess Victoria with the loss of 133 lives last February. The registered manager of the ship, Capt. J. D. Reed, will also appeal. The court of inquiry, in its report last month, said the ship was unseaworthy at the time of her sinking. The 30,000-word report said the owners and managers failed to provide stern doors sufficiently strong to withstand the heavy winter seas normally expected on her run from Stranraer, Scotland, to Larne, Northern Ireland.

Pravda Charges U.S. To Blame For Truce Stalemate

MOSCOW (AP)—Pravda today charged that the U. S. was to blame for the Korean truce stalemate. Using the strongest language yet seen in Soviet press discussions of the situation, the Communist party organ said the delay in signing an armistice and also the actions of South Korean President Syngman Rhee were the fault of the U. S. Discussing Rhee's talk with President Eisenhower's emissary, Walter Robertson, Pravda asked: "What have peoples do who expect to deceive with this primitive game? ... Who can believe American generals and diplomats are allegedly 'powerless' to hold back this rampant adventurist?"

5th Queen's Association Conservative Meeting

Mr. Fred DeCoste was re-elected President of the Fifth Queen's Progressive Conservative Association at their annual meeting last evening held in the Association rooms on Richmond Street. A resolution was passed expressing wholehearted support of, and confidence in the Dominion leader, the Hon. George Drew and the Provincial leader, Mr. R. R. Bell, Q. C. The meeting also by resolution expressed full confidence in Messrs. Chester S. McLure and J. Angus MacLean and pledged wholehearted support to them in the forthcoming Federal Election. It was further resolved that the Association go on record as supporting to the fullest degree the principles of clean elections, and its intention to contest the present Federal election, and all future campaigns, both Provincial and Dominion, according to the letter and spirit of the election act. Appreciation was expressed to Dr. W. J. P. MacMillan, representative in the Provincial Legislature and the hope that he will continue in his present position for many years to come. The resolutions were submitted on behalf of the resolutions committee by the chairman, Mr. Alban Farmer. The president made a brief verbal report expressing his thanks for co-operation received from members of the executive and the president of the ladies organization, Mrs. Helen Dunbar. Mr. McLure in addressing the meeting expressed appreciation for the confidence placed in him in the past and stated that the forthcoming election was the most important in several years. He referred particularly to the need for sustained employment here and his regret that nothing had been done towards the dry-dock project. Mr. McLure also described in detail the difficulties and congestion of traffic arising at Wood Islands and Caribou through the inadequate facilities there, which could be remedied by Federal co-operation. Nation-wide affairs would be dealt with and discussed when the National Progressive Conservative leader, Hon. George Drew visits the city on the evening of July 15, the speaker said. Mr. Angus MacLean also thanked the members for their support and touched on the brevity of the time before the election, in which to round out an effective organization. He dwelt point-by-point on the problems with which workers will be confronted and advised the proper manner of dealing with the same. He drew attention to the three new polls added to the district owing to the increase in population and the inclusion of a poll at the Provincial Sanatorium where all patients will be able to record their votes, even those who are bed-fast. Mrs. Dunbar, speaking on behalf of the ladies' organization expressed confidence in both candidates and pledged active support towards their election. Messrs. Lemuel Rush, Edwin Cook and Miss Marion Brown were elected as representatives on the county executive. Mr. Borden Myles was re-elected vice president, and Mr. C. R. McQuaid, secretary of the association.
