## PROVINCIAL LEGISLATURE.

### HOUSE OF ASSEMBLY.

APRIL 12.  
AFTERNOON SESSION.

Mr. Shaw asked the Commissioner of Public Works what action the Government intended taking in completing the road from Baldwin's Station to Lorne Valley.

Mr. Bentley replied that he would visit that part of the district this summer, and make a personal inspection of the road alluded to.

Mr. Kelly asked the Commissioner of Public Works if it was the intention of the Government, during the coming summer, to open the whole or any part of the new line of road from Johnston's River to Monaghan Settlement, which road is a continuation of the new road lately opened from Southport to Fort Augustus, by way of Fullerton's Marsh and Johnston's River.

Mr. Bentley replied that he went through this road last summer and approved of the site, and would endeavor during the coming season to have it opened up.

Mr. Underlay asked the Commissioner of Public Works if a petition from Michael Cunningham and others of St. Andrew's, praying for the alteration of the location of a road in that vicinity had been under the consideration of the Government, and what action was intended to be taken thereon; also if it was the intention of the Government to keep the present road from Naufrage to Bear River Line Road in repair for public traffic until the location of a new road should be decided upon.

Hon. Mr. Bentley replied: With regard to the first question I understand there is some difference of opinion about changing the location of the road as prayed for. But I will endeavor to visit the locality as soon as possible and will investigate the circumstances and see what can be done in the matter. With regard to the second question I may say that this is the road relative to which some questions were asked the other day, and which it is difficult to keep in proper condition owing to the sand drifting in from the sea shore, but it will be necessary to keep it open and in as good repair as possible until the location of a new road shall be proceeded with.

House adjourned.

LOCK JAW.—John Pillion, the 17-year-old son of Michael Pillion, stepped upon a rusty nail a few days ago, and died of lockjaw at his father's home in Newton, Mass., on Monday. He was a student in the high school.

In purchasing medicines, don't try experiments; the first and only consideration should be genuineness. Ayer's Sarsaparilla has stood the test of forty years, and to-day it is in greater demand than ever—a triumphant proof of popular approval.

CONTRACT LABOR.—A despatch from New York says that six English boys, between 6 and 19 years old, brought over by a man named Kew under agreement to work on his ranch in Iowa for a year for their passage money, have been detained at Castle Garden and will likely be sent back home.

AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vigor is a sure cure for dandruff.—J. W. Bowen, editor Enquirer, McArthur, Ohio.

A WILD MAN IN BATHURST.—A mild sensation was caused in Bathurst last week by the complaint of a young lady that one of the opposite sex threatened to shoot her unless she consented to marry him. The sheriff thought it was not his intention to shoot to kill, and declined to arrest him.

THE CYCLONE AGAIN.—A despatch from Regina says:—"Word has been received here of a destructive cyclone that struck the settlement on Long Lake last Sunday night. It mowed a patch thirty yards wide through the bluffs, tearing great trees up by the roots. Several houses and barns were blown down and logs were carried fifty yards. No one was hurt."

THE SCOTT ACT VOTE IN COLCHESTER.—The result of the recent Scott Act election held in Colchester, N. S., shows that out of a total of 1,150 votes polled 43 only were recorded against the repeal of the act, the majority for its repeal being 1,064. The largest proportion of votes polled against repeal in one district was 7 out of a total of 60 in Lower Stewiacke. The town of Truro voted 200 for repeal and 13 against.

PROGRAMME.—The programme for the Lawn Tennis Club's entertainment will be published on Monday next. It will include "The Broom Brigade," a reading, vocal and instrumental music, tableaux vivants, and Howell's amusing farce entitled, "The Mouse Trap." Upwards of 300 tickets have already been sold. All who may not have secured tickets are hereby notified that from this date they can be procured at Reddin's Drug Store. Prices: Reserved seats, 50 cents; unreserved, 35 cents.

THE ELECTION VOID.—The election whereby Amherst passed the Town Incorporation Act has been declared void. The incorporation majority was 20, but the Attorney-General reports that "it appears that thirteen disqualified Dominion officials voted at the election; that one person voted without being on the list; that the vote of one elector was usurped by a personator; that one name was improperly placed on the list, and that two names were improperly omitted from the list."

ANOTHER GOOD MAN GONE WRONG.—Mr. W. G. Gaunce, a well-known resident of Fredericton, N. B., has deemed it advisable to leave suddenly for the United States without bidding his friends good-by. It is said that his liabilities foot up some thousands of dollars, principally in paper discounted at the banks and endorsed by prominent citizens. His friends claim that he has gone to the States to fill an engagement and has no intention of leaving his creditors in the lurch. Mr. Gaunce was very prominent in temperance and religious work.

OBITUARY.—The sad news of the death of Katie Reid, daughter of the late James Reid, of Alberton, after nine days sickness of pulmonary inflammation, was received with deep regret by her numerous friends the Island over. Miss Reid was in her 36th year, and leaves an aged mother, three brothers—the Hon. R. B. Reid, Wm. P. Reid and John A. Reid—and two sisters, (one of them married to the Hon. Mr. McMannus, of Memramcook), to mourn their heavy loss. Miss Reid was buried on Saturday last, the 6th inst., her funeral being an unusually large one. We sympathize heartily with her friends in their great sorrow.

SUDDEN DEATH.—Says the Chatham World: Alex. McKenzie walked from Bar-

ON STRIKE.—About 120 men and boys employed in Clark's thread works, East Newark, N. J., are out on strike against a 15 per cent. reduction in wages.

To restore, thicken and give you a luxuriant growth of hair, to keep its color natural, as in youth, and to remove dandruff, use only Hall's Hair Renewer.

ISLAND POTATOES.—We learn from the News that the schr. L. H. Davies arrived at Pictou from Pictou on Sunday with a cargo of potatoes for transhipment to Boston.

SUDDEN DEATH.—Says the Chatham World: Alex. McKenzie walked from Bar-

tibogue to his house in Chatham—seven miles—last Sunday afternoon, and ate his supper, being apparently in good health. On the return of his family from the Salvation Army meeting at 9.30 he was found dead on the floor beside a lounge, which he had probably rolled off. He was seen in the doorway by a neighbor at half-past eight or nine. Heart disease is supposed to be the cause of his death. He was 70 or 61 years old.

More than a quarter of a century of practical experience as Seedsmen, Nurserymen and Market Gardeners, offering for sale only those seeds, plants and plants they would have no hesitation in planting themselves, and the fact that they are still in, and will continue the business, and to be found in the Charlottetown Market at their Horticultural Stalls, Nos. 23, 24, 25 and 26, as well as at home, has given the public confidence in Gay & Son, and in the future, as in the past, they will study to merit a continuance of the trust reposed in them. Look out for our advertisement in a week or two. Send for price list of our seeds, plants and trees. Address, J. J. Gay & Son, Pownal. apl2 w1 d23 pd

STEAMERS' MOVEMENTS.—The steamer William sailed at five o'clock this morning, for St. Pierre and Newfoundland, with the following cargo:—60 head of cattle, (mentioned yesterday), 33 sheep, 350 bags potatoe, 484 bags oats, 280 bales hay. The cargo is shipped by E. H. McMillan and D. W. McLeod, of Stanley Bridge, and is valued at \$4,000. The William is expected here again about the 20th inst.

The St. Lawrence left here for Pictou at 5 o'clock this morning.

A steamer will be placed on the Summerside and Point du Chene route as soon as Summerside harbor becomes clear of ice.

DAIRYMEN'S MEETING.—The Dairymen's Association, in session at Ottawa is, according to recent advices, well attended. Col. Rhodes, Minister of Agriculture for Quebec, and other delegates have been granted a hearing by the Commons committee on agriculture and colonization. The delegates asked for many reforms, and the appointment of inspectors to prevent adulteration of milk, butter and cheese. The committee passed a resolution recommending the appointment of a Dominion Commissioner charged with these duties. A delegation is to wait on the Government to ask for a grant in aid of the association.

LIFE'S VICISSITUDES.—An exchange tells the following story of life's vicissitudes:—"Five years ago Morris Shultz, a clerk on a salary of \$2,000 a year in St. Louis, rescued a lady from drowning. An attachment sprung up, and after a brief courtship they were married. But the wife was extravagant, and the young man was soon in debt, and even worse. Resorting to gambling, he staked every dollar and won \$10,000. With this he decided to begin life anew, and confided his resolution to his wife. That night he was chloroformed while asleep, and when he came to himself wife and money were gone. For four years he searched for her, and last week he found her in Wilkesbarre, Pa. There were tears and reconciliation, and the wife who had misery enough, gladly accepted her husband's forgiveness and renewed her vows of fidelity.

## The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoneham, Mass.

I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Molunness, Me.

Mrs. Ann H. Farnsworth, a lady 79 years old, St. Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."
