**W**HEREAS His Worship the Mayor of the City of Charlottetown hath, on account of the recent fires which have taken place in this City, and which are supposed to be the work of Incendiaries, expressed to me his apprehension of impending danger from Incendiarism to this City, and his desire that a suitable reward be offered for the detection and punishment of any person or persons who shall hereafter be guilty of any act or acts of Incendiarism: I have thought fit, by and with the advice and consent of Her Majesty's Council, to proclaim, and I do hereby proclaim and offer a Reward of ONE HUNDRED POUNDS to any person or persons (not the actual party to the act) who will give such information and evidence as will lead to the discovery, apprehension and conviction of any person or persons who shall hereafter be guilty of any act or acts of Incendiarism.

**THE ROAD TO HEALTH AND LONG LIFE**

SECURED BY

**Holloway's Pills.**

**Impurities of the Blood.**

In selecting the most appropriate medicine for a particular ailment, there may be some difficulty unless one can be found to purify, regulate, and improve the quality of the blood. These Pills possess and exert these three qualifications in an extraordinary degree. They enable the stomach to digest any ordinary food, increase the secretory powers of the liver, cleanse and purify the blood, expel all morbid matter, and throw into the circulation the purest elements for sustaining and repairing the frame.

**Weakness and Debility.**

How many persons suffer from debility without knowing the causes why they are feeble! In most cases the stomach is the aggressor. Holloway's Pills have long been famed for regulating a disordered stomach, and restoring its healthy digestive tone; they are, therefore, confidently recommended as a never failing remedy in all cases where the constitution, from any cause, has become impaired or weakened.

**Disease of the Head and Heart.**

These formidable diseases are, unfortunately, of frequent occurrence; for the most part they creep on gradually, but may be prevented by proper precautions. Holloway's Pills are the surest preservatives against all derangements of the brain, and are the speediest correctors of irregular circulation. If they be taken without delay, when tingling in the limbs, drowsiness, or giddiness comes on, the effect will be marvellous.

**Females of all Ages and Classes.**

The fame of these Pills is partly based upon the beneficial effects they have upon the constitutions of females. From the domestic servant to the peeress, universal favor is accorded to them for their invigorating and purifying properties, which render them so safe and invaluable in all disorders peculiar to the sex. Obstructions of every kind, either in young persons entering into womanhood or approaching the turn of life—the most critical period—may be radically removed by a recourse to these Pills.

**All Disorders affecting the Liver, Stomach and Bowels.**

Whenever the stomach, liver, or bowels are disordered by high living, climate, over-indulgence, undue exertion or other causes, these fine regulating Pills will soon rectify the evil, and speedily bring back energy, strength and cheerfulness to the frame where previously all was lassitude, gloom and dejection.

**Despondency, Low Spirits.**

The misery occasioned by a disordered digestion is, unfortunately, felt by most. These famous Pills should be taken in appropriate doses to adjust the disturbed functions. They dispel headache, biliousness, nausea, lowness of spirits, and all similar ailments. A course of these invaluable purifying Pills never fails in removing the cause of such morbid affections, without subjecting the sufferer to any inconvenience.

**Influenza, Diptheria, Bronchitis, Coughs and Colds.**

In our changeable climate few persons escape without colds, sore throats, influenza, diptheria, or bronchitis, for all of which these famous corrective Pills may be taken with the certainty of effecting a cure. While the Pills are expelling all impurities from the body generally, Holloway's Ointment should be well rubbed upon the chest and throat; it will penetrate the skin, reduce inflammation, and restore lasting soundness.
