A.Y.P.A. Deaneary Conference Held At Crapaud

Forty-four representatives of the Anglican Young People's Association gathered at the Youth Centre, Crapaud, on Labor Day week-end to attend the annual Deaneary Conference of their organization.

After the young people were established in their week-end quarters they entered into a well-planned and executed program of worship, work, fellowship and edification, which are the four principles of the A. Y. P. A.

The members from the various localities arrived during Saturday afternoon, and enjoying the friendly contacts with their fellow A.Y.P.A.ers they entered into the recreational and devotional periods of Saturday's program.

On Sunday morning at 8:00 a. m. the Chaplain, Rev. S. J. Armstrong celebrated Holy Communion for the Conference, followed by a corporate communion breakfast.

At 10:00 a. m. the group assembled on the lawn where Rev. Mr. Armstrong presented a lecture on the subject of Preparation for Christian Marriage, followed by a very interesting and profitable discussion on church teachings and social problems.

At the morning service at St. John's Church, Crapaud, the Deaneary officers of the A. Y. P. A. were installed. They are as follows: President, Arthur MacLean; Vice-President, Clayton Mill; Secretary-Treasurer, George Anderson.

After a period of free time and dinner the Young People again assembled to continue their discussions. The second discussion was led by Mr. F. B. Gamble who outlined ideas on program planning and leadership and suggested interesting and balanced programs in which every one should have a part. Programs and program material were discussed and many questions were brought out on organizing young people's groups. The young people should find these ideas practical and helpful in their own communities.

At 3:30 p. m. Mr. T. D. DeBlou spoke to the group on youth's responsibility in the church. Through his talk he stressed the point that at all times Christian youth should stand up for Christ, pointing out that we of the A. Y. P. A. exist not merely for our own organization, parish or diocese, but for Christ and His Church. He also stressed the importance of our 'text book' and our example in 'The Bible'.

Following the annual banquet on Sunday evening the Deaneary President, Mr. Arthur MacLean, Charlottetown proposed the toast to the King, Miss Peggy Preston, Summerside proposed the toast to the Church which was replied to by Mr. Webb, Inverness. The toast to the A. Y. P. A. was proposed by Peter Shama, Charlottetown and responded to by Mr. Andrew Wood, O'Leary. On behalf of the Conference the President expressed sincere regret on the forthcoming departure of our Chaplain, Rev. S. J. Armstrong, and presented him with a small token of appreciation.

After the evening service in which many members of the A. Y. P. A. participated, a fellowship hour of films and hymns was enjoyed by all.

On Monday morning the conference welcomed Mrs. Vera Miller who discussed many points on choosing, casting and producing a play. As the Drama Festival is an annual undertaking on the part of the A. Y. P. A. branches these ideas were accepted most enthusiastically. After a short recreation period the members were divided into discussion groups to bring out ideas, points of emphasis and problems forseen by the various groups. We trust this will stimulate the interest in our annual Drama Festival.

After dinner sports, dramatics and music rounded out the program until 6:00 p. m. when the Conference closing marked the end of what was considered the most successful A. Y. P. A. Deaneary Conference to date.

We pray that the members may return to their branches better equipped and with more enthusiasm to carry on for Christ and His Church.

Paving Program Underway At Kensington

The Town of Kensington has taken a most progressive step and is in the midst of a large paving program. The work which is being done with the financial assistance of the Provincial Government involves the paving with asphalt of five streets totalling one mile and 200 feet. The contractors are Curran and Briggs Ltd. of Summerside.

The mix is according to the specifications laid down for the Trans-Canada Highway and the pavement will be 20 feet wide with the exception of one block on Commercial which has heavy traffic due to a number of produce firms being located there and the pavement here is the width of the street. The extra width was paid entirely by the town and the property owners.

Streets which are being made permanent are: Commercial Street, Hartle Street, Malpeque Road, Irishman Road and the Margate Road. The paving of these main streets of the town is making a big difference already and is an important step forward for the town. Councillor Fred Davison is chairman of the streets committee under whose jurisdiction the work is being done.

Better Halves In 8-7 Win Over Royals

The R.O.A.F. Better-Halves roared back into contention in the Summerside A.A.A. Ladies' Softball League edging the Summerside High School Royals 8 to 7 at the airport diamond last evening.

and squaring the semi-final series at one game apiece. The third and deciding game will be played at the Recreation Grounds in Summerside Monday evening starting at 5:30.

Paton on the mound for the Better-Halves pitched a gilt-edged game, allowing only eight hits and her fielders committed only one error behind her. Rogers of the Sum-Hi aggregation gave up eleven safe bingles, nine in the first three innings but only two in the last three frames. She fielded her position brilliantly at times throwing up hard hit grounders and dinking the batters out at first. She had six assists in this way.

Rogers was the only batter with a perfect score at the plate batting three for three. Betty Gay, her battery mate, was next in line for the Royals getting 2 for 3. Martin and Ellis hit three for four for the winners. Paton 2 for 3 and Finnigan 2 for 4.

Roma MacKinnon made a fine catch of Witwer's Texas Leaguer in the fourth inning. Martin made a similar play in the third going far for her life to snare Meikle's bid to a single. Both Joan Baker and Ellis for the R.C.A.F. played steady games at the initial sack.

Line-ups-- R.C.A.F. Better-Halves-- Martin, cb, Strong lf, Ellis, 1b Finnigan 3b, Witwer ss, B. MacFarlane 2b, Newton cf, Dupuis rf, Paton p. Sum-Hi-- Dewar lf, Elderkin cf, Palmer 2b, Rogers p, Gay c, MacKinnon 3b, Meikle ss, Baker 1b, N. MacFarlane lf.

Umpires--Plate, Adkin; bases, Thompson.

The judges were John Leard of Crapaud and Reuben Tuplin and Robert Weeks of Charlottetown.

Death Yesterday Of Mr. Edward Perry

The death occurred at his home on Water Street yesterday morning after an extended illness of Mr. Edward Perry in his 63rd year. Mr. Perry was a native of Summerside and resided here most of his life and he was well and favorably known to a large number of citizens. His passing will be regretted by many especially by those friends of former years who knew him as a prominent hockey player who ranked with the best of his day. His wife predeceased him last

Sport Echoes From Prince County

There were a lot of fine plays in the first junior game for the island baseball championship, but we believe the best certainly the most vital play of the ball game was Paul Schurman's tag of Brian Lewis in the eighth inning. Lewis was carrying the tying run with him when he came tearing for the plate. Embrett made the throw to Schurman and Lewis's slide was well-executed and would have eluded many a catcher. But Paul literally dived at him, made the tag and held on to the ball though taking quite a spill. It was fighting baseball, believe us.

We think there was too much delaying of games on the part of both managements to dispute decisions based on judgment. If an umpire says it's a ball or a strike that's what it is, and an indignation meeting at the home plate isn't going to change anything. Call the umpire a bum if you must, and let the game go on. Don't arbitrate. It wastes too much time. In the case of a dispute concerning a rule interpretation that is a different story and a little argument then is to be expected.

The line-up that Holman's showed against the Charlottetown Abbies Wednesday looked pretty formidable. There were no really weak hitters there; a lot of dynamite all the way down the line. They did get a dozen hits against McAleer but couldn't seem to get them when they counted. Don Carson, one of the best hitters in this neck of the woods two or three years ago hardly rates a berth in the clean-up slot now.

Henry "Plush" Gallant, a clutch hitter in former Island series, did not see action Wednesday. Of course, Henry may be slipping a bit, and might not be able to deliver the goods on order now. But we'd still like to see him taking his cut with a couple of his mates, riding the sacks.

Underwood and Ken Walker, two heavy artillery gentlemen, might have given McAleer some trouble. "Dutch" did get into the contest, to come through with a pinch-hit single but Ken's effort ended in a strike-out.

For most of the game there were six airforce players and only three Holman representatives in the line-up. The RCAF boys gave a good account of themselves, however, particularly in the field. At bat, the airforce hit .238 and Holman's .438.

Buck Whitlock is still "Mr. Baseball" in the Capital City. He was as tough as ever at bat and the same old smoothie in short field.

March. He is survived by three daughters Ellen, Hilda and Avis also four sons, Edward, Clayton Alfred and Gordon.

The funeral will be held on Monday from his late residence to St. Paul's Church and cemetery.

I WISH TO THANK

The following prosperous farmers who bought Dion Threshers from me this season:—

- LORIE BERTRAM & SONS, Fredericton. LEONARD CUDMORE & SONS, Winsloe. MUTTART BROS., Albany. ARMEL WHITEHEAD, Clinton. HEATH MACLEOD & SON, Irishtown. REEVES BROS., South Freetown. O'CONNOR BROS., Clinton. JOHNSTONE BROS., Long River. VANCE DIXON, North Tryon. HAROLD DUNPHY, Cherry Valley. PAYNTER BROS., Long River. MURDOCK MacLEOD, Long River. GEORGE PICKERING, Clinton. WILBUR DENNIS & SONS, Margate.

Any farmer would be well advised to make an appointment with any of the above and see this wonderful machine in operation. Notice the clean grain, the high capacity with less power due to the principle of the straw-rack and cleaning shoe. When ordering your Dion for next season, I would ask you to look into the advantages of having it equipped with a straw shredder. Equipped with it you can put nearly three times as much straw in the same space, where it can be used to the best advantage, as proven by the findings of successful farmers. Johnston Bros. and Mr. Murdock MacLeod have their Dion equipped with a straw shredder.
