

## Players of the Week

Ryan Anstey

Kirsten Currie

Ryan is one of the leagues top scores this season, as he currently sits in third place in the AUS with six goals. Recently, the striker picked up two goals against Moncton and another crucial late game goal against UNB to help UPEI salvage a tie. Leading the panthers in goals this year, Ryan has proven he is a vital part in the success of the panthers and is expected to play a big role in getting the boys back to the CIAU Championships.

Although this field hockey superstar grew up in Sask., Kirsten has been leading the way for the panthers for the past three years and once again this season. Along with team-mate Diana McConnell, Kirsten leads the lady panthers in scoring this year with three goals in four games. Last year Kirsten received just about every female athletic award given out and is eyeing up another spot on the CIS first team All-Star team.
