

What True Merit Will Do.

The unprecedented sale of Boeck's German Syrup within a few years has astonished the world. It is without doubt the safest and best remedy ever discovered for the speedy and effectual cure of Coughs, Colds and the severest Lung troubles. It acts on an entirely different principle from the usual prescriptions given by physicians, as it does not dry up a Cough and leave the disease still in the system, but on the contrary removes the cause of the trouble, heals the parts affected, and leaves them in a purely healthy condition. A bottle kept in the house for use when these diseases make their appearance, will save doctor's bills and a long spell of serious illness. A trial will convince you of these facts. It is positively sold by all druggists and general dealers in the land. Price 75 cents, large bottles.

WOMAN'S faces What furniture can give such finish to a room, as a tender woman's face, asks George Elliott. Not any, we are happy to answer, provided the glow of health tempers the tender expression. The pale, anxious, bloodless face of the consumptive, or the evident sufferings of the dyspeptic, induce feelings of sorrow and grief on our part and compel us to tell them of Dr. Pierce's Golden Medical Discovery, the sovereign remedy for consumption and other diseases of the respiratory system as well as dyspepsia and other digestive troubles.
