TEA AT HAZELBROOK.—The parishioners
of the Baptist Church at Hazelbrook, and
their friends, in all a goodly number, at-
tended a very pleasant picnic held yesterday
near the cheese factory at Hazelbrook. A
most enjoyable afternoon was spent and
the well-provisioned tea tables
were thoroughly appreciated. The site
chosen for the picnic is on the line
of the new railway to
Murray Harbor, and even
unskilled observers could perceive that
some fine curves will circle the hills about
Hazelbrook. The picnic was most suc-
cessful, and a nice sum realized.

WEAKNESS OF HOSPITALS.

Said to be Incapable of Curing One
of the Most Deadly Diseases of
the Age.

Montreal, July 13.—Mr. William
Brownley tells an alarming story of utter
failure of the hospitals to cure him of
Bright's Disease. He was treated in the
best hospitals both in Canada and the
United States. They gave him up as in-
curable. Medical science had failed; the
hospitals were powerless to help him.
Nevertheless Mr. Brownley is cured.
Dodd's Kidney Pills cured him and he is
a well man today.

Says Mr. Brown himself: "I have been
a subject to Bright's Disease of the Kid-
neys for twenty years. I have been in all
the best hospitals in Canada and the
United States. I could get no relief. I
have just finished eleven boxes of Dodd's
Kidney Pills and am completely cured. I
am a locomotive engineer and well known
so many can vouch for this statement."

High Grade English Fertilizers

Like all goods of English manufacture ARE THE BEST, IN THE
WORLD. They are true to name, always RELIABLE and during
the 10 years in use here have NEVER FAILED TO GIVE SATISFAC-
TORY RESULTS. Our most progressive farmers are using larger
quantities every year with paying results. They are applic-
able to all crops, on all soils, with or without stable manure,
and are THE CHEAPEST FERTILIZERS ON THE MARKET.
