

Grain Crop Increase Discussed At Meeting

Alberton and West Prince County

The Guardian, Charlottetown, Tues., Apr. 10, 1962.

The importance of using top grade seed grain was emphasized last night to a group of farmers and grain growers at a meeting in Birch Cove. Donald Stewart, seed, feeds and fertilizer specialist, Canada department of agriculture led the discussion with the assistance of Dave Rogers, agricultural specialist.

Mr. Stewart emphasized the threat of a shortage and high price of Western feed grain, because of the a s t i o n of seed for a portion of this year. He said that in Ontario a 1 1/2 per cent of Western feed grain, because of the a s t i o n of seed for a portion of this year. He said that in Ontario a 1 1/2 per cent of Western feed grain, because of the a s t i o n of seed for a portion of this year.
