SEED BUSINESS FOR 1891.
WE are now busy preparing for our Twelfth Season in the Seed Business. Year by year since 1879 our sales of Seeds have steadily increased, and our position has been recognized as the leading Seedsmen of P. E. Island.
Feeling the importance of our position, and knowing that thousands of people are depending on us to provide TRUE, FRESH Seeds suitable to our soil and climate, we are sparing no effort or study to procure the finest strains, and in this our experience in the past and our intimate relations with many of the leading farmers and gardeners greatly assist us.
We are sure that no better Seeds than we offer can be procured abroad, either in Canada or the United States; and we feel safe in saying that many of the largest firms, who publish the most showy Catalogues, do not, in many of the most important articles, sell as high a grade of Seeds as we do, while they charge higher prices. This is the experience of many who have bought elsewhere before trying our Seeds.
The necessity for sending abroad for Seeds no longer exists. Farmers and Gardeners can procure all the best strains of Seeds suitable for this climate by ordering from us. We claim to be experienced Seedsmen. Eleven years of successful business prove our claims. We do not wish to boast, but only to impress the fact that we understand our business and are worthy of the confidence of the public. These are all-important qualities in a Seedsmen.
Send name and address on a postal card or letter for our Illustrated Seed Catalogue for 1891—FREE TO ALL.
