Holloway's Pills.—In cases of chronic indigestion, disordered liver, and general debility, these Pills are wonderfully effective. They indeed have so general and powerful an effect on the whole system that they clear away or ward off most of the ills that flesh is heir to. They cleanse the bowels, purify the blood, correct the bile, give tone to the stomach, excite a healthy appetite, produce sound sleep, and impart increased energy to both mind and body. The admirable properties of these far famed Pills are too highly appreciated to require any encomium here, as they are resorted to by rich and poor of every nation. The cures they effect are not temporary or imperfect, but they bring about a marvellous and most beneficial change throughout the entire body, and enable it with renovated powers to resist the approach of all future attacks.
