Junior Abbies Come From Behind To Defeat Holman Intermediates 2-1

Randy Edwards' red hot Junior Abbies came off the canvas in the last of the ninth inning to score two runs and defeat Holman's Intermediates 2-1 on Memorial Field last night in what was the best Island League Baseball game to be played here this season.

For eight innings the brilliant Donnie Simmons set the Charlottetown Juniors down without a hit as he fanned 17 batters and allowed the Abbies only one outfield fly.

But second baseman Bun Hood spoiled Simmons' great bid for a no-hitter as he drilled a single between short and third to lead off the ninth inning. Don MacLeod followed with a booming double and Benny Carson, a pitching mate of Simmons a year ago, caved the roof in on his former friend by rocking a single into centrefield to drive home the tying and winning runs.

It was a thrilling climax to a well played ball game in which 17-year-old Ian Kennedy and Simmons hooked up in another outstanding pitching duel.

Kennedy held the visitors to six hits and struck out eleven men. Five of the hits he surrendered were singles and the other a double. In addition he pulled off a nice fielding play in the ninth inning as he grabbed Mitchell's hot grounder and retired the visitors short stop at first.

Simmons completely over-powered the Abbie batters for the first eight innings. He struck out 15 men in the first six innings and at one stretch fanned seven men in a row. Three times he whiffed the entire side in order.

He might have been in trouble in the seventh inning only for a smart outfield play by Garth Gay. The visitors left fielder made a nice catch of Malcolm MacFadyen's liner and threw to second to double Don MacLeod off the bag.

Holman's scored their lone run in the third inning. Gordie MacKay got to first on an infield hit and went to second a bad throw by short stop MacLeod. He stole third and came home on Delaney's Texas Leaguer down the third base line.

Holman's threatened again in the sixth inning when Simmons drew a walk and Joe Bernard belted a long double into centrefield. However Kennedy bore down to strike out Mitchell and force Underwood to fly out to retire the side.

When the Junior Abbies are playing an Island League Baseball game fans can usually expect a closely-fought, low scoring affair. The Juniors have quality pitching and defensive strength and with flingers like Benny Carson or Ian Kennedy on the mound the opposition need not hope for many runs. To offset this the Juniors lack offensive power and as a result they're not going to score many runs for their hurlers as is evidenced by the fact that Carson has pitched and lost a two-hitter this season.

• • •

Last night the Juniors had enough offensive strength at the right time to defeat Holman's Intermediates in a well pitched and well played Island League contest. For eight innings they were helpless against the fast ball and curves of Donnie Simmons but in the ninth they came up with three hits to give Ian Kennedy the two runs he needed to win for himself a well pitched ball game. It was a tough loss for Simmons who was only three outs away from a coveted no-hitter.

• • •

Fellows like Simmons, Carson, Kennedy, MacAleer and MacLean are walking proof of the theory that pitching is 70 per cent of a ball team. Holman's Intermediates, who are in the League cellar, have appeared here only twice this season and each time have played sparkling ball. They have lost two close games, the first by a 3-1 score and the second 2-1 and much of the credit for their good showings must go to Simmons who has been baffling the City batters.

• • •

Two new coaches have been injected into the Island League Baseball picture. Charlie Hogan took over the coaching reins of the Holman's Intermediates a few days ago and guided his new hands for the first time last night. "Had" MacInnis has been appointed coach of the Intermediate Abbies and has already handled his team for two games. MacInnis may have quite a pitching problem to solve in the coming weeks. The "Big Four" staff of the Intermediates at the season has now been cut to the "Big One". According to medical reports Sneizek may not be able to hurl again this season on account of a sort arm. Ready is out with a bad wing and Cyril Smith is leaving the Province. That leaves only Donnie MacLean as a regular starter.

• • •

The Abbies' chances of winning a Maritime Track and Field meet this year look quite a bit brighter today following their good showing in the meet here Wednesday night. The Abbies were able to compile 33 points in the Maritime meet for second place and with Wendell Barrett to enter the broad jump and the hop, step and jump they very likely would have had 40 or 45 points. Barrett certainly would have won the running broad and at least placed second in the hop, step and jump.

• • •

The local team is very strong in the field events with such athletes as George Walters, Ron Atkinson and Stewart MacMillan of Charlottetown along with Flt. Lt. W. A. Deane, Flight Cadet Dave Dunbar and Bill Wells of Summerside. There are also a number of other airmen at Summerside who are quite proficient in track and field and the Abbies are hopeful that they will be able to band together a very strong team for the Antigonish Highland Games later in the month.

Huge Crowd Sees Stock Car Racing At Covehead

Something new in the way of sporting events took place last night when stock car racing was inaugurated at Covehead Race Track before an estimated crowd of over five thousand fans. Mr. Charles Willis and Mr. Keith Bryenton who promoted the race meet were well pleased with the initial performance, as the cars roared around the track, as many as eleven at a time.

There were some spills when the drivers lost control of their vehicles but no injuries marred the fine evening's entertainment.

There were six local entries and six entries from Saint John and Moncton. The home boys gave a good account of themselves, but the mainland drivers showed the benefit of the experience they have had.

The first heat, which was a purely local entry of three cars was won by Bus MacPhee with Newt MacKay coming second. Rees Newson was forced out of the race by engine trouble.

The second race provided many more thrills as Lorne Doiron forced his machine repeatedly to pass but Bobby Leard was the man to be waved down by the checkered flag. Ivan Kerry finished third. The third race saw Bud MacPhee's car go out of control and leave the track but he was able to right it and continue the race. The winner was Hollis Frizzell, 2nd Newt MacKay, 3rd Bobby Leard and 4th Bus MacPhee.

Six mainland drivers, who were late in arriving on account of poor boat connections, appeared for the fourth race and it was at this time that the fans were really treated to some thrills. Six cars were entered and the race was only in the second lap when Ivan Kerry's car overturned on the back stretch and caused a new start. Accoridng to the rules when a car goes out of control so that it is an obstruction to the other racers, all previous laps stand but the offending driver is put to the rear before re-starting. Fahie Hebert of Moncton was leading handily until the eighth lap but got into a spin and lost his position.

The following is the result of this race: 1st, Caleb Dunn, Moncton; 2nd, Roy Garnhum, Saint John; 3rd, Joe Carleton, Moncton; and 5th, Ivan Kerry.

The feature race had eleven drivers competing and was very exciting as they went 25 laps. Time after time a car would leave the track and on many occasions the crowd were held breathless as the powerful machines roared down the track.

Mr. Doug Moffatt of Saint John, who accompanied the mainland group had high praise for the fine track. He was much displeased at the behaviour of some fans who insisted in crowding too close to the track, thus putting themselves in a very dangerous position. In his experience he has seen cars out of control travel great distances from the track and any one standing close by is in danger of being injured.

Purses were for $100 in each of the regular events with the feature having a $200 purse. Mr. Bill Brown was announcer and Mr. George Newman was judge.

Angels Defeat Legion 23-5

The Guardian Angels moved into second place in the City Softball League yesterday evening by defeating the Legion 23-5 in a game played on the Knights of Columbus diamond.

Lefthander Dick Doyle pitched for the Angels and gave up nine hits but bore down in the tight spots to hold the Legionaires to three earned runs as he picked up his third league win.

The Legion used three pitchers. Ivan Connors started but was replaced by Earl Nicholson in the first and Nick in turn gave way to John Thistle in the fifth. Between them they surrendered 20 hits.

Rightfielder George Schleyer led the winners by banging out four hits in four trips. He hit for the circuit crashing out a homer, triple, double and single. Billy MacLean of the Angels also hit a four-master while Billy Wright had four hits in six trips. Nicholson of the Legion hit two doubles.

Verne Blanchard of the Legion played a strong game at second base and made a brilliant pick on Longaphie's hot grounder in the fourth. Longaphie himself came up with a smart pick off Murnaghan in the third.

The Angels pulled off two double plays, Poulton to Longaphie to Reg Hughes in the third and Reg Hughes to Billy Acorn in the ninth.

The game was handled by John Richard.

N. B. Player Doing Well In U. S. Ball League

DETROIT, (CP) — It may not come as a surprise to the folks in Saint John, N. B., but Moose Flemming is doing okay in the Class A South Atlantic ball league.

The word from Detroit Tigers officials is that they are "very encouraged' at the showing Moose has made with the Montgomery, Ala, Grays, a Tiger farm club.

Moose, 21-year-old son of the premier of New Brunswick, hit the sports pages of Canada a few weeks ago when he worked out with the American League team and accepted a $3,000 contract. He was one of the few Canadian players in years to catch the eyes of big-league clubs.

It wasn't expected that Moose would catch on immediately with the cellar-dwelling Tigers. But the six-foot-one centre fielder showed enough in training to make club officials enthusiastic. They farmed him out to Montgomery and now it is up to Moose to catch on with the major league club.

Both Major League Ball Leaders Win Victories

(Canadian Press)

Both major-league baseball leaders hitched up their socks Thursday and kept the daylight showing between them and their panting pursuers in second place.

For New York Yankees, the day was the brightest since mid-June. They halted their losing streak—worst since 1945—with a 5-3 victory over Boston, and that, combined with Cleveland's second surprising loss to the tail-end Detroit Tigers, left them six games ahead of the American League field.

In the National, Brooklyn Dodgers, cognizant of Milwaukee Braves who are hot on their tail after dropping their early-season lead, humiliated Philadelphia Phillies with an 8-0 shutout at Ebbets Field.

Elderly Johnny Mize halted the Yankees' fearsome plunge at Boston with a pinch double in the 10th to back up a strong six-hit pitching job by Vic Raschi, but the Yanks won the hard way.

They saw a one-run lead vanish in the ninth inning as George Kell hit his seventh home run for the Sox. But in the 10th, Mize who earns his keep with just such feats although he's well over the 40 mark, came through again when his team needed him most.

The Yanks also had cause to thank old Steve Gromek of the Tigers, who nipped his old Cleveland team-mates with a neat seven-hitter in the Detroit game.

Don Lund's homer off Mike Garcia with one on in the seventh provided the Tigers' winning margin. The tail-enders took the Cleveland series 2-1.

Thursday's other scheduled game in the American League—Washington at Philadelphia—was rained out.

Brooklyn's Carl Erskine, pitching his first complete game and registering his first victory since June 7, handcuffed the Phils with seven hits, struck out six and was never in serious trouble—no small thanks to three Dodger double plays.

Erskine received fine support from his mates, who collected only eight hits off three Philadelphia pitchers, but made six for extra bases.

To Decide Local Golf Championship Next Week

The Belvedere Golf Club championship will be decided here next week, it was announced yesterday by Doug Saunders. The present champion is Art MacKenzie.

The qualifying rounds for the club championship and the W. R. Jenkins Trophy that goes to the winner will be played over the local course on this coming Saturday and Sunday. Before commencing this round players must signify their intentions of playing.

The low sixteen in the qualifying round will qualify for the championship flight while the next sixteen will qualify for the second division and the third sixteen for the third division, etc.

First round matches in the actual competition must be completed by Tuesday, July 7th. Players losing out in the first round will enter consolation play-offs.

The second round matches must be finished by Thursday, July 9th, and the third round by Saturday the 11th. The finals will be played on Sunday the 12th.
