

Rust-Resistant - Wheat

Dundas And Vicinity

Cropping is in full swing in this locality and the steady hum of tractors can be heard far into the night.

Workmen are busily engaged widening and building a fine highway to the Provincial Plowing Match grounds. Optimists believe we shall soon see it paved. Let us hope so anyway.

The many friends of John L. Judson are glad to see him occupy a seat in his mail car once again. Jack has spent the winter months in Hospital.

Mrs. James Skinner was a visitor to Charlottetown on Sunday last. Mr. Skinner is a patient in the Veteran's Wing of the P. E. I. Hospital.

Great numbers of ladies are taking advantage of the Institute Van which is in operation at Bridgetown Hall. Sewing, glove making and weaving are being taught. Miss Taylor and Miss Brown are the teachers.

Mrs. J. L. Judson visited her mother, Mrs. Crawwell of Charlottetown on May 9th.

Mr. Garth Clay, accompanied by John M. McLeod of Strathcona and Stanley Campbell of Dundas, visited St. George's on May 8.

Mr. Leslie Hunter, Bridgetown was a recent visitor to Charlottetown.

Miss Mary Campbell, accompanied by Laraine La Montagne, spent the week-end in Dundas.

Mr. and Mrs. Thomas Dunphy of Peakes, accompanied by their son Clair and Mr. and Mrs. Thomas Curran were visitors to the home of Mr. and Mrs. James Campbell on May 9.

Mrs. C. B. Clay of Bridgetown, accompanied by Mrs. George Turner and Miss Betty McDonald of Dundas, attended the W. M. S. meeting held at the home of Mr. and Mrs. Wm. Hunter on May 11.

Mr. and Mrs. Angus McLean of Albion Cross, were visitors to Dundas on May 12.

Mr. Douglas McMaster of Bridgetown, who is fishing lobsters in Launching spent the week-end at his home in Bridgetown.

Mrs. James Campbell, accompanied by Mrs. Robert Acorn of Albion Cross, visited Montague on May 7. While there they called on several friends who were ill in Montague Hospital.

The many friends of Mrs. Wallace Taylor of Strathcona, were glad to see her back home after spending two weeks in Montague Hospital.

Mr. Allan Campbell of Primrose, recently purchased a tractor from James Shaw, Queen's Rd. Montague.

Mr. Clayton McLeod of Upton, who has been employed in Souris, reports good catches of lobsters on the South side but high winds are hampering all the fishermen.

Mr. and Mrs. Russell Dockendorff and daughter Linda have returned home on May 12, from Goose Bay, Labrador, where they spent the winter months.

—CG.

Borden and Vicinity

—Mrs. Daniel Hayes, who has been spending a few weeks with her brother Mr. Edmund Campbell and Mrs. Campbell at Borden returned to her home in Pt. Tupper, N. S., on May 10.

Mr. and Mrs. Parker Pauley and Mr. Clive Sharpe of Gunningville, N. B., spent the week-end with Mr. and Mrs. George Sharpe, Borden.

Many friends in Borden deeply regret the illness of Mrs. Howard Weeks in the P. C. Hospital. Mrs. Weeks had the misfortune to fall at her home here breaking her leg. She was taken to the hospital where the limb was set but her condition remains serious.

Mrs. Mary Williams who has been visiting in Borden returned home last week and is staying with her daughter Mrs. Roland Ramsay at

Western farmers planting grain this spring will have a new weapon against rust, one of wheat's deadliest enemies. The weapon is Selkirk wheat, resistant to the fungus which withers the grain stem in the middle of the growing season. In this picture, Dr. R. F. Peterson (right) at the Dominion laboratory of cereal breeding at Fort Garry, Man., looks at a sample of the Selkirk wheat which he helped develop. His co-workers are A. B. Masson (left) and A. B. Campbell. The Selkirk seed has been distributed to about 23,000 farmers in Manitoba and Saskatchewan for seeding this year.—(CP Photo).

Annual Meeting Albion CWL

—The annual meeting of the Albion sub-division of the C.W.L. was held on Monday, April 26th in the Parish Hall with sixteen members present. Three new members were welcomed.

Meeting opened with prayer by Rev. Fr. Monaghan. Mrs. John P. Wallace presided. The minutes of the last regular and last annual meetings were read by the secretary, Mrs. Michael A'Hearn.

The treasurer, Mrs. Edwin MacDonal read the financial report for the past year. Correspondence received during the month was read. After the regular monthly business was finished the retiring president Mrs. Wallace in her report thanked the members for their co-operation during the past year and wished her successor every success.

Mrs. A. D. O'Brien in her capable manner officiated as chairman for the election of officers. The voting resulted as follows: President, Mrs. Russell Bell; secretary, Mrs. Alton O'Brien; treasurer, Mrs. Gerald Rooney. All other committees, with a few changes, were re-appointed.

A hearty vote of thanks was tendered the retiring officers, who worked so faithfully during the past year. Meeting closed with prayer.

During the social hour which followed, a delicious lunch of ice-cream and cake was served by the ladies.

Borden. On May 9, there was a family get-together in honor of Mother's Day. Guests at the home of Mr. and Mrs. Ramsay were Mr. and Mrs. George Williams, and Mr. and Mrs. Ray Williams of Poplar Grove; Mr. and Mrs. Stanley Williams of Bideford; Mr. and Mrs. Willard Ramsay of Arlington; and Mr. and Mrs. Wallace Palmer and son Roland of Summerside.

Turns First Sod For New Refinery

POINTE-AUX-TREMBLES, Que. (CP)—Premier Duplessis Saturday turned the first sod to get construction under way on a new \$24,000,000 oil refinery that eventually will be able to treat 700,000 gallons of crude oil daily.

The refinery is being built in this community 10 miles east of Montreal by Canadian Petrofina Ltd., with 75 per cent of the capital provided by the parent Petrofina Company in Belgium and 25 per cent by Canadians.

Premier Duplessis heralded the start of construction as "evidence that Quebec is on the threshold of great development and prosperity."

"No place in the world are possibilities for progress better than in Quebec," the premier said.

"This is another example that people have become aware of this great land of opportunity."

U-BOAT FOR MUSEUM

BOSTON, (AP)—The German submarine U-505, captured in the Second World War, will leave Portsmouth, N. H., today under tow for Chicago to become an exhibit of the museum of industry and science. The U-505 will be towed from Portsmouth into the Gulf of St. Lawrence and into the Great Lakes to Chicago.

☆ **BUILD IT ON THE "UNIT" SYSTEM:** Thousands of Canadians now have PERSONAL PENSION "UNIT" PLANS which were introduced originally by The Excelsior Life twenty years ago.

☆ **NOW MAKE "OLD-AGE SECURITY" THE BASE:** The present "units" provide for \$50.00-A-MONTH INCOME beginning at Age 65, as the FIRST "UNIT" (incorporating the \$40.00-a-month-after-Age 70 "OLD-AGE SECURITY" income).

☆ **ADD OTHER "UNITS" AS YOUR INCOME GROWS:** By adding further \$50.00-A-MONTH-AFTER-AGE 65 "UNITS" you not only increase the amount of your guaranteed monthly income which you will receive as long as you live after reaching Age 65—but you also extend the period of family income if you should die before you reach retirement.

☆ **FLEXIBLE PREMIUMS:** The "Unit" System, plus Excelsior Life's distinctive "flexible premium plan" enables you to provide for your own PERSONAL PENSION readily on whatever combination of annual, semi-annual, quarterly or monthly premiums best meets your convenience!

☆ *It's still smart to be thrifty!!!*

The alert young man buys Life Insurance Pension Plans heavily while young—it is the ONE investment with a "bargain tag" in favor of youth!... Other forms of investment can be bought later...

Foiled again!

YOU PROBABLY use aluminum foil in your own kitchen as a handy material for wrapping food of all kinds. Now from California comes word that aluminum foil is being used to wrap ready-cooked enchiladas. Lovers of this highly seasoned Mexican dish can now simply pop them in the oven to heat, then serve them in their aluminum containers.

Food and aluminum go naturally together. From the hygienic milkers used in modern dairies to the utensils in hospitals and your own home, aluminum is prized for the way it protects the purity, color and flavor of food. Aluminum Company of Canada, Ltd. (Alcan).
