THE ADVERTISEMENT.—It must be fresh, perennial; it must have life and vigor, character, pith, point and purpose. It must have an up-to-date ring. A good advertisement talks, it is a silent salesman; it is always trumpeting the goods it describes. MEETING AT BRADALBINE.—A large public meeting was held at Bradalbine last evening. It was addressed by A. A. McLean Q. C. Peter Sinclair, D. B. McLeod, J. H. Bell, Samuel Kennedy, and John C. Clark. At the conclusion three rousing cheers were given for Campbell. ACCIDENT.—We regret to learn that Mr. Benjamin Clow, of Murray Harbor North, is suffering from the effect of a painful accident. On Wednesday last Mr. Clow while sawing with a cross cut saw was so unfortunate as to almost cut his hand in two. Medical aid was secured as soon as possible and all was done that could be done to relieve the pain, which, as might be expected, was severe. MARITIME SPORTS.—Arrangements have been made to bring the people in from all points east in the regular trains to the sports on September 8th and return on a special after the sports are over. This will no doubt bring quite a crowd from Souris and intermediate stations. A special will also leave Summerside in the morning returning after the sports. The boat from Orwell will be detained until 5 o'clock, the rate from Orwell will be 50c including admission to the grounds. POLICE COURT.—At the Police Court, this morning, three men were charged with being drunk and disorderly. Two of them were remanded until Monday and the other was fined \$8 or 40 days. For all information regarding rates on exhibits, etc. apply to W. W. Clarke, agent, Charlottetown. PRETTY FLOWERS.—Anyone who is at all interested in floriculture should not miss visiting Hazard & Moore's store where free exhibition of flowers is now open. The specimens shown comprise magnificent clematis and dahlias, lilies, colons and other foliage plants, sweet peas, &c. Mr. Hazard deserves the thanks of many flower lovers for the display made, which will in a measure make up for the deprivation of the usual flower show in connection with the Provincial Exhibition. While on the subject it may be mentioned that the flower beds on the north side of Queen Square Gardens are well worthy of a careful examination. Mr. Tait, the gardener, explains that the bloom would be even better had the season been dryer—but it is hard to imagine anything more beautiful than the sight the beds present at the present time.
