PROCESSING PLANTS — While speaking on the Budget, Mr. Frank MacNutt (Liberal) Third Prince made reference to two processing plants in his district which had made excellent progress. One of these was reported as Campbell and Burns of Freetown. Mr. MacNutt would like to make it clear that the plant in the Western part of his district to which he was referring was the Egmont Bay Fishermen's Co-operative. The paved road which Mr. MacNutt requested the Government to build was from Port Hill, Tyne Valley to Grand River Bridge.

Fire Guts Dwelling Threatens Other Wellington Buildings

Fire gutted a storey and a half frame dwelling in Wellington yesterday morning forcing 13 persons into the street, eight of them children, and threatened for a time to spread to nearby buildings. The families of Mr. and Mrs. Johnny Richards, who have five children, and Mr. and Mrs. Abel Arsenault, who have three, escaped without injury and with the help of neighbors saved all their household and personal belongings although some things were damaged in removal from the burning structure. However, Mr. Edward Ferguson, owner of the house, who lived in a small annex in the rear, was not as lucky and lost a bed, organ, range and some personal belongings. The fire broke out around 9.15 in the rear section where Mr. Ferguson lived alone and presumably was caused by an overheated pipe, although there was only a small fire burning in the stove at the time. Two lines were quickly laid from the Wellington fire-shed and shortly after the pump from the R.C.A.F. Station and the pump from Summerside arrived. However the stubborn blaze persisted for a long period aided by a fairly strong westerly wind. Flying sparks ignited the roof of the Co-Operative Store, several buildings away, but the blaze was smothered with water after destroying a few shingles. The house, which was located diagonally opposite Arsenault and Gaudet's store, was partly covered by insurance.

rules that an organization might legislate among its members.

SAME AS ONTARIO Harvey Douglas: "I understand the levy in this act is the same as that of the Ontario Act and if theirs stands up in the Court, ours will stand up."

Mr. Cullen: "That is right. This act will come into force by proclamation so we can wait and see what happens in Ontario before we put it into effect. One of the reasons why we picked this Act is because it is in layman's terms."

Mr. Cullen: "There are other products that could come under the Act besides potatoes, for instance there could be a honey marketing board or a cheese producers board etc. All would come under this act."

"The conditions under which the board would be set up in each case would be decided by a majority vote of the producers under the plebiscite act," said the Minister.

Fred Ramsay: "Is it the intention of the promoter to have the Board manned by producers?"

Mr. Cullen: "I understand that a marketing board will be made up entirely of producers. In any event the members will be elected by producers."

Mr. C. C. Baker: "This Act only makes provision for the setting up of a Board. The Board itself may never be set up."

Mr. Saville: "I think it is a mistake not to allow a man who deals in potatoes to be a member of the board. He might grow 20 acres while a person who grew only two acres could be a member."

ONLY A FRAME WORK Mr. Cullen: "I think we are going into unnecessary discussion on the clauses. This is only the frame work which will allow us to submit a plan on which the people could vote."

One of the sections of the act which brought forth opposition from Dr. Dewar was that stipulating a vote of 66.25 per cent vote of the producers to decide on whether the marketing board would be accepted. He pointed out that it would be unusual for sixty six per cent of the producers to turn out at a plebiscite and this would mean that the vote would have to go 100 per cent in order for it to carry.

Fred Ramsay said he agreed with the member from second Prince he suggested it be changed to sixty six and two thirds per cent of the voters rather than the producers. On motion the amendment was accepted by the promoter.

Death At Knutsford Of Mrs. Smallman

There passed peacefully away in Knutsford at the Smallman Homestead after an illness of over one year's duration, Mrs. James P. Smallman formerly Ellen Horne of Bloomfield, P.E.I. on Thursday, March 15-1936.

Mrs. Smallman was the daughter of the late Sarah Given and Robert H. Horne of Bloomfield, formerly of Glasgow, Scotland. She was a Christian woman of many fine traits, of a kind and useful personality, and will long be remembered by her loved ones, friends and neighbours. The atmosphere of her home life was beautifully marked by tenderness, courtesy and consideration for others. She was a faithful member of the Knutsford Baptist Church, a life member of the Baptist Women's Missionary Society also an honorary member of the Knutsford Women's Institute.

She will be greatly missed in her home, where her children and grandchildren were always made welcome and especially by those in the home who so tenderly cared for her in her declining years and did everything humanly possible for her comfort. In her passing, she leaves to

those left behind, a memory of a long life, well lived and ready for her Lord's "well done." Thou good and faithful servant, enter into the joy of thy Lord. Mr. Smallman predeceased her fifteen years ago, also a son Arthur, in July 1934.

There are left to mourn the following sons and daughters: Daniel in O'Leary; Albert, Beecher and Edgar of Knutsford; Eva, widow of the late Dr. A.A. Gates, Hartford, Connecticut; (Edith) Hart, Rest; Miss Hazel Smallman, R.N., who nursed her throughout her long illness; (Helen) Mrs. Frank Hardy Nurse of Rosebank; and (Margaret) Mrs. Kenneth MacKendrick of Campbellton.

One sister Mrs. F.C. MacAusland Bloomfield, and twenty-seven grandchildren survive; also Leith Chisholm, who lived in the home during his boyhood days and whom she loved and cared for as just another member of her large family after his mother's death. Funeral services for the late Mrs. James P. Smallman of Knutsford were held Sunday, March 18th, from her late residence, where she resided with her son, his wife and family.

The neighbours were present en masse and relatives and friends gathered from far and wide and every room in the spacious residence was filled thus testifying to the esteem in which the deceased was held. The floral tributes were many and beautiful.

Rev. C.O. Howlett minister of O'Leary United Baptist Church, conducted the services and brought a comforting message from the 23rd Psalm. The hymns, favorites of Mrs. Smallman, included "The Lord is my Shepherd."

The pallbearers were, Thomas, Louis, Ivan, Avard, Guy Harris and the flower bearers were, Benton, Foster Herman, Kenneth Smallman, Glendon MacKendrick, Arnold and Emerson Smallman, Wilbert and Edwin Dennis and Winburn Harris.

Interment was in Springfield West United Church Cemetery with Claude Jelley of O'Leary Funeral Director in charge.

Fisheries Director Is Speaker At Rotary Meeting

Mr. Eugene Gorman, provincial director fisheries, was the speaker at the regular meeting of the Rotary Club at Mulberry Lodge on Tuesday. This talk on the fisheries was a follow up on a similar speech given to this club several weeks ago.

He said that the potential food production from the sea is fantastic, that enough could be produced to feed the world without any trouble. All the necessary ingredients for life are found in fish which are non-fattening, he said. He backed up his claims with some impressive statistics. This potential food is in 331 million cubic miles of water with a mean depth of 10,500 feet. At the present time 70 per cent of the fish caught are taken from the first 100 feet of water only, and 90 per cent of the water only, and 90 per cent of the catch is taken from the waters north of the equator. The present total catch amounts to 27 million tons a year.

Vice president, R. L. Mollison presided in the absence of the president and there was one guest, Mr. Earle MacLeod of Charlottetown.

Mrs. J.K. Campbell, Bedouque, grade twelve B, Betty Steele, daughter of Mr. and Mrs. Malcolm Steele; grade eleven A, Carol Dunlop, daughter of Mr. and Mrs. Foster Dunlop; grade ten A, Margaret Coffin, daughter of Mr. and Mrs. B.D. Funeral Of Mrs. Maud Wedlock

The death of Mrs. Maud Wedlock aged 81 years, wife of the late George Wedlock of Milburn, occurred at the home of her son Basil Wedlock of O'Leary on Sunday morning Feb. 28th, 1936.

Mrs. Wedlock was the daughter of the late Anne and Thomas Dennis of Unionvale. After her marriage to Mr. Wedlock they moved to Milburn where she lived until after the death of her husband. Although in poor health for the past number of years, she was never heard to murmur or complain and her passing was sudden and unexpected.

She is survived by the following children: Basil, O'Leary, with whom she lived; Pearl, Mrs. John Campbell, Hamilton, Ont.; Mrs. Mary Gorrill, Trenton, Ont.; Mrs. Violet MacKenzie, Moncton; Hazel, Mrs. Roy Boulter; Milburn.

Surviving also are one brother, Benjamin in Perth Amboy, N.J., and one sister, Mrs. Mary Eason, Watertown, Mass., now in O'Leary. The funeral was largely attended and was held from the United Church Tuesday afternoon. It was conducted by Rev. Robert Wagner pastor of the church assisted by Rev. C.O. Howlett.

Hymns used were The Lords My Shepherd, Safe in the Arms of Jesus, and The Old Rugged Cross nicely rendered by the choir. Floral tributes bore silent memory of one departed.

The remains were tenderly laid to rest beside her husband in the Mount Royal cemetery. Pall bearers were Arthur Harris, Clifford Ellis, Elmer Woodside, Sterling Bagloe, Harry MacDonald, Thomas Silliker, flower-bearers, Wilbert and Edwin and Wilfred Dennis, Walter Wedlock.

Announce New Way To Shrink Painful Piles

Science Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain. Thousands have been relieved—without resort to surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded. Trade Mark Reg.

SCHURMANS SCHOOL PARADE

Presents "THE MESSIAH" by HANDEL

BROUGHT TO YOU BY M. F. SCHURMAN CO. LTD.

OVER C.J.R.W SATURDAY EVENING, MARCH 31st 7:30-8:30

with ISOBEL BAILLIE, soprano; GLADYS RIPLEY, Contralto; JAMES JOHNSTON, Tenor; HARRY MORTIMER, Trumpet; EDWARD COOPER, Organ; HUDDERSFIELD CHORAL SOCIETY (Herbert Bardgett, Chorus Master); and the LIVERPOOL PHILHARMONIC ORCHESTRA, SIR MALCOLM SARGENT, Conductor.

(Electrically transcribed) by COLUMBIA

"The Messiah" is unquestionably one of the greatest works of its kind ever conceived by the mind of man. In its pages will be found music of both the simplest and most complex nature, but all of it is of the highest plane of inspirational beauty. It was composed by George Frederick Handel in 1741. Handel used as his text certain passages selected from the Bible.

On Saturday Evening's Broadcast, Part 2, which tells the story of the Passion and the Resurrection will be rendered.

(The above programme will be presented on Saturday in place of the usual Schurmans School Parade.)

Your Schurmans School Parade will continue on Saturday, April 7th.
