

Holloway's Ointment and Pills.—Dyspepsia—Disordered Digestion—Some persons are particularly prone to stomach and liver complaints, while in others these diseases are produced by sedentary habits, irregular living, or mental disquietude. The liver and stomach being disordered, the heart and lungs soon sympathize with them, and both body and mind shortly suffer. These admirable Pills act directly on these organs and soon restore them to a natural and healthy condition. The impurities are discharged from the system, the respiratory organs are relieved, the heated blood cooled, and the bilious secretion regulated; the heart's action becomes tranquil, the nerves acquire strength, and healthful vigour returns again. The patient is thoroughly restored to easy digestion, cheering thoughts, and refreshing repose.
