DOING NATURE'S WORK.—A friend informs us that there are about thirty extra hands employed, at the present time, between here and Emerald, cutting weeds along the railway, at the very time when Nature herself is withering and killing them. Yet you could not get a hard and fast Liberal to admit that the government is wasteful and extravagant in such an expenditure of the public money.—Journal.

Attack of Royal Canadians at Paardeberg

There is a time when war pictures are in greater demand than ever. The conflict of the British soldiers on the battlefield has won the plaudits of admiring nations. We have at great expense published four large, beautiful pictures, size 20x24, on heavy, superior, colored paper. A picture that will commend itself and send a thrill to the heart of every true Canadian is the one called Attack of Royal Canadians at Paardeberg. There are literally hundreds of figures on this picture, the mountains or kopjes stretching out into the distance are swarming with men, while here and there a cross-rate figure speaks only too well of the Boer flamen. It was on this battlefield the gallant Major Arnold met death unflinchingly. Indeed it is only too true, that many of those gallant hearts that beat so high when the cheering thousands bade them God-speed as they sailed from Canada's shores now lie still forever in lonely graves on the other side of the world under African skies. To every Canadian heart, to every Canadian home, the deeds of their brave soldier boys speak with an irresistible thrill of patriotism and pride. Gordon Highlanders at the Battle of Belmont, Charging the Boer Guns at Elandsplaag, and the Charge of Gen. French's Cavalry on the Retreating Gen. Cronje's Army. These are all stirring pictures and cannot fail to commend themselves to any one who will examine them. They are RED HOT SELLERS! Agents coin money. Big profits. Enormous success. One agent sold 68 in one day. Sample and terms 25 cts. (None free) four \$0.75; 10 for \$2.25; 25 for \$5.00; 50 for \$11.00. Write today for a dozen and make money. Home Novelty Mfg.
