Carver Gets
rebound early in the second and banged in his second tally of the game to give the locals a slim one goal lead. Henry Therrien tied it up for the third and last time at 9:47 on a pass from Fern Bernoquez and Emmett Kennedy. From there on it was totally the Islanders' match. Danny O'Connor, who has been playing very good hockey both offensively and defensively for the Islanders, made one of his sensational end to tie rushes at the 2:00 minute mark, splitting the defence easily but carrying in too far before he was able to get an effective shot at Steeves. LeDuc, Carver and Leyte combined at 11:05 with Ray cutting in across the Amherst goal-mouth and dropping the rubber behind "Boutie" as he did. Lorne Hennessy picked up a pass from Whitlock and Gray at 15:23 and banged in his own rebound. Ramblers claimed that the puck was kicked into the net but their argument was of no avail.

Afternoon Tea At Centra' Bedeque
—Mrs. Ivan Dawson, Central Bedeque, was hostess at an afternoon tea at her home on Saturday afternoon to bid farewell to Mrs. John Havnega, who with her husband are moving to New Argyle, where they have purchased a farm. The immediate friends of Mrs. Havnega were invited and a very pleasant social gathering was enjoyed; refreshments were served by the hostess assisted by Mrs. Henry Callbeck who presided over the tea party.
A parting gift was presented to Mrs. Havnega by Miss Phyllis Britten, who expressed the regrets of the community at her departure. She very feelingly expressed her thanks to all for their kindness and lovely gift, and hoped her many friends would visit her in her new home.
Mr. and Mrs. Havnega have been residents in the community for nearly three years, coming here direct from Holland, and have been employed on the poultry farm of Mr. Ivan Dawson.
Mr. Havnega is a talented singer and musician. Previous to leaving Holland he was organist in one of the large churches there.
At the morning service of Bedeque United Church on Sunday, He sang a solo "The Holy City" in his native language, which was much appreciated by the congregation. The best wishes of the church and community go with them as they take up residence in another part of the province.
