CITY COUNCIL MEETING.

Street Lighting Contract—Purchase of Stone Crusher.

The adjourned meeting of the City Council was held last night, Mayor Warburton presiding and every member of the Board being in his place.

Coun Whear reported that it was necessary to secure a piece of land from Messrs Farquharson and Sutherland in order to carry out the erection of Black Sam's Bridge. \$150 was the amount asked for the land. It was ordered that the land be purchased.

Upon motion of Coun Whear the Mayor and City Clerk were authorized to enter into a contract with the Waterous Engine Company for the purchase of a 15-ton steam roller and No 4 Champion Rock Crusher with attachments complete.

There was considerable discussion over the matter of lighting the streets, and the following resolution, moved by Councillor Taylor and seconded by Councillor by Brown, was adopted:—
 Whereas, the question of municipal ownership of electric lighting plant is receiving universal attention, and the number of plants operated by municipalities is constantly increasing,

And Whereas, His Worship the Mayor in his annual address at the commencement of this year, strongly advocated the installing and operating of a plant by this city, and at a public meeting of citizens in the Market Hall in February last the Mayor's position on this question was endorsed by his receiving the unanimous nomination for a second term and he was subsequently elected without opposition.

And Whereas, the entering into a new contract at the present time may prejudice our position in the matter of municipal ownership.

Therefore Resolved, that a special committee be appointed to obtain full and complete data as to the cost of installing and operating an electric light plant by this city, and also what the existing plant can be purchased for and that the matter be submitted to a vote of the electors in February next, and, if approved of, the work be immediately undertaken. And further, that the said committee make arrangements in the meantime for the continuation of the present contract with the Prince Edward Island Electric Company.

Coun Whear, McDonald and Lyons were appointed a committee in accordance with said resolution.

In connection with the matter of lighting the streets tenders were submitted from the P. E. Island Electric Company and the Full Company. The Full tender was for \$59 per lamp for 1, 3 or 5 years. The P. E. Island Company's tender was \$78 for a year, and \$60 for 3 or 5 years. Council adjourned.

—It is understood that a contract for 20,000 pairs of boots, 20,000 pairs of socks for the British army have been let in Quebec) and that inquiries are on foot regarding the possibility of Canada supplying portable houses on short notice.

—Sir Wilfrid Laurier in Toronto: "If we get into power we will follow the example of Mr. McKenzie and I will say that, although we may not be able to bring the expenditures to what they were under him, we can reduce the amount two, yes, three millions of dollars per year." How was the promise kept? The expenditure in 1896 was \$41,702,383. It has increased every year since and is now \$56,000,000.

MERRY MARRIAGE BELLS.

The marriage of Miss Maisie Coady, a young lady well known in musical circles in Charlottetown, and Mr. Archibald McKenna, of Picton, N. S., was solemnized in St. Dunstan's Cathedral this morning at six o'clock. Notwithstanding the early hour at which the marriage took place there was a good attendance of the friends of the contracting parties.

The impressive ceremony was performed by Rev Dr Morrison, assisted by Rev Dr Doyle, of Vernon River.

The bride was given away by her step-father, Mr. Austin S. Hewitt, and looked charming in a beautiful gown of French rose silk with pearl trimming and hat of white decorated with plumes and crescents. The exquisite bouquet of carnations and roses she carried was the gift of the groom.

Miss Isabel Macdonald, the bride's cousin, and Miss Pearl Aughe, of Boston, attended as maids of honor. They wore Swiss muslin over Roman satin, and carried handsome bouquets.

The groom was supported by his brother, Mr. Ambrose McKenna.

During the ceremony and at the nuptial mass which was celebrated by Rev Dr Morrison, the following musical programme was excellently rendered under the direction of Mr Blanchard:

- Introductory March (Organ)..... Mr. Blanchard.
- Cornet Solo..... Mr. W. J. Brown
- Vocal Solo..... Mr. Charles Hermans.
- Vocal Solo..... Mr. Charles Bell
- Cornet Solo..... Mr. W. J. Brown
- Vocal Solo..... M's. James Byrne
- Wedding (March (Menclelesohn)..... Mr. Blanchard

After the ceremony the bridal party and about forty invited guests partook of a sumptuous wedding breakfast at the residence of Mr. and Mrs. Hewitt. The health of the bride and groom was proposed by Rev. Dr. Morrison, and supported by Rev. Dr. Doyle. The health of Mr. and Mrs. Hewitt was proposed by Councillor Byrne and supported by Captain Haslon, of La Grande Duchesse. Both toasts were suitably acknowledged.

The groom presented the bride with a gold watch and chain, and to each of the maids of honor he gave a gold brooch set with pearls.

From the father of the groom the bride received parlor and bedroom suits and \$20 in gold. Her mother and Mr Hewitt gave her a piano and a silver service; and her uncle, Councillor Macdonald, presented her with a handsome sum in gold. She also received a great many other valuable presents,—tokens of the esteem in which she is held.

After breakfast Mr. and Mrs. McKenna took passage by the 8.35 train on a wedding tour of the provinces, which will include a trip through the Annapolis Valley. They will reside at Picton. They take with them the best wishes of all by whom they are known.

The bride's going away gown is of olive green trimmed with cream satin and lace revers, with hat to match.

—Sir Charles Tupper may be relied upon to do his share of the work in the approaching campaign. Last year he attended fifty-seven meetings in all parts of Canada, from Halifax to Victoria, between September 18th and January 24th. Notwithstanding the weight of nearly four score years he displays more resource in debate, more thoroughness and ability in handling his subjects and greater energy than any other man of any age in either political party.

The lowest or any tender not necessarily accepted. 16 1f.

WAS FICKLE MINDED.—A few years ago Alpha Tice, of Chester, Ealong, Oregon, married Charles Baker. In order to keep his wife in good clothes Baker appropriated wool belonging to a neighbor, and was sent to Jackson prison for two years. During her husband's incarceration Mrs. Baker secured a divorce and married Louis Wyble. When Baker came out of prison the old flame blazed up and Mrs. Wyble secured a divorce and married Baker, who did not prove to be the same sort of a man he was before going to Jackson, and Alpha got tired of him and was divorced. Now she thinks she likes Wyble better, and on August 10th a marriage licence was issued to Mrs. Baker to Louis Wyble.

PROBING LIGHT CONTRACT.

Citizens' Association Presents Petition to the St. Louis Council.

Quite a storm was raised in the Town Council of St. Louis on Tuesday when the Citizens' Association presented a largely signed petition asking for an investigation into the electric light contract, and the license bye-law. The aldermen who voted for these measures were given the alternative of signing a solemn declaration that they had not received any sums of money to influence them in voting. Nearly all expressed their wish to resign, but Ald. Gobler wanted the affidavits to cover all transactions since 1896, while Councillor Martel wanted to go back to the erection of the municipality. Some other councillors objected to such a petition, because they pre ended it originated within the Town Council itself. The council discussed the matter for some time, and finally adjourned until July 24th, without taking any definite action.—Montreal Star.
