The Ninth Annual Maritime Hockey School for referees and coaches will be held in Charlottetown starting Monday December 10th and concluding Wednesday December 12th. The school, sponsored by the P.E.I. Physical Fitness Department under director Brig. W.W. Reid, will have as its guests three distinguished visitors from the National Hockey League: N.H.L. President Clarence Campbell, one of the league's top referees Roy "Red" Storey and Frank "King" Clancy, onetime N.H.L. referee-in-chief, coach of the Toronto Maple Leafs and presently assistant General Manager of the Toronto Club.

The school will be officially opened with a dinner at the Charlottetown Hotel Monday evening at 7 p.m. at which Mr. Campbell will be guest speaker.

SPORT ECHOES

Albany St. Pats Production Line Burning Up League

Standing of pre-Christmas league is as follows:

Team	W	L	D	Pts
Freetown	3	1	1	7
Albany	3	2	0	6
R.C.A.F.	1	1	2	4
Alberton	0	3	1	1

Ten leading scorers in this loop are:

Player	G	A	Pts
F. Noonan (St. P)	8	6	14
Dawson (St. P)	4	10	14
Wickstrom (RCAF)	6	5	11
Carruthers (St. P)	6	3	9
C. Mill (F)	5	4	9
MacMurdo	4	5	9
Delaney (St. P)	7	1	8
Gaudet (Alb)	6	2	8
Cameron (St. P)	3	5	8
Sawyer (RCAF)	3	4	7

Just one more doubleheader and a single game between R.C.A.F. and Alberton to play before the MacFarlane Produce trophy is awarded to the leading scorer.

The Albany St. Pats line of Ron Cameron, Pat Noonan and Delbert Dawson looks to be the prize production line of the league. They had a big test against the RCAF last Wednesday night although the boys from Alberton fought hard to keep up with them.

Johnson, the lad who stepped into Thome's big pads in the Freetown net couldn't be held responsible for the Freetown defeat at the hands of the surging RCAF squad. Johnson gave a pretty fair account of himself, but the Wickstrom, Sawyer, Harrison combine was too potent for the Royals on Wednesday night. We predict that the Airforce team will be tough to beat in the play-offs.

Summerside Aces who had played two spirited games in Charlottetown, one against Montague and one against Saint Dunstan's had just about convinced Charlottetown fans the team was once again brilliant only in the role of Island league doormat. Someone gave the doormat two vicious tugs

to the Charlottetown Rotary Club at the Charlottetown Hotel at their weekly luncheon meeting. At this meeting guests of honor will be members of the Charlottetown Abbies baseball team, Maritime Intermediate "A" champions of 1956. Individual team members will be introduced and presented with jackets on behalf of the Abbeville Athletic Club by Lieut.-Gov. T.W. L. Prowse.

At least 50 candidates are expected to take instructions during the 3-day school. Some will come from Halifax and Kenville and it is expected that representatives will be here from many other centres in New Brunswick and Nova Scotia as well as a large representation from P.E.I.

Red Storey will look after the referees school and King Clancy will handle the coaching at several classes at the Sports Arena and the Charlottetown Hotel.

FILMS PROCURED

To help with the instructions Brig. Reid has procured several films which will be beneficial in illustrating many of the finer points as well as fundamentals of hockey. In addition films of last years Stanley Cup Montreal-Detroit finals will be shown.

This school, the ninth of its kind to be held on P.E.I., presents a golden opportunity for budding coaches and referees in the Maritime Provinces to gain first hand knowledge of hockey and how it should be officiated and coached. No one will be asked to be a coach or referee in even minor hockey should miss the chance to obtain the most expert information available from three experts of the finest hockey league in the entire world.

The following is a program lined up by Brig. Reid for the school:

AT VANCOUVER

East And West Tangle Today

VANCOUVER (CP)—There may be snow on the ground and a 20-degree chill in the air but two of Canada's outstanding football coaches made promises Friday that there will be nothing cold about today's East-West all-star football game.

The west's Frank (Pop) Ivy and the east's Jim Trimble both predicted a "wide-open" game, exciting football with every player giving his best.

Neither coach thought the wintry weather will affect the game. Snow was forecast but the field in Empire Stadium here has been blanketed with a nylon covering and ground-keepers say the turf will be in good condition.

A spectacular brand of ball with lots of aerial combat was predicted. Ivy, known for his crushing ground game that wrestled three successive Grey Cup victories from the high-passing Montreal Alouettes, will put the ball in the air this time.

He has named Frank Tripucka of Saskatchewan Roughriders, top passer in the Western Interprovincial Football Union last season, to quarterback the west "most of the way."

Trimble indicated the east's big threat will be a combination of quarterback Sam (Tex) Riffe and Cheverry of Montreal and Hamilton Tiger-Cats' quarterback Tony Curcillo at fullback.

"With that setup, both Etheverry and Curcillo can throw," said Trimble. "We can use a lot of pichout and option plays that will be in the air this time."

Game festivities will begin an hour before the 1 p.m. PST (p.m. AST) kickoff with a gala shrine show of marching bands and colorful drill teams.

Attendance at the grande finale to the 1956 Canadian football season is expected to top 20,000. Admission ticket sale stood at 15,500 Friday.

CBC nationwide radio coverage starts at 12:45 p.m. PST (4:45 p.m. AST) and CBC television coverage begins with the kickoff.

H. Richard's 2 Goals Gives Habs 3-1 Win Over Chicago

CHICAGO (CP)—Henry (Pocket Rocket) Richard scored two goals and one assist as Montreal Canadiens defeated Chicago Black Hawks 3-1 in a wild National Hockey League battle at the stadium Friday night.
