Opening lead—king of hearts. There didn't seem to be much to this hand (Deal No. 194) when Harmon and Stakgold reached four spades and made five. If anything, the American East-West pair thought they might have a shade the best of the hand since they had avoided the trap of a three notrump contract, and Harmon also had played to drop the queen of clubs instead of attempting to finesse against it.

New Outburst Is Threatened ALGIERS (Reuters) — A new outburst of political unrest in Algeria is threatening among European extremists. They feel they have been outmanoeuvred and their aims in the uprising last May 13 have been diluted. The threat comes as Algiers approaches the first anniversary of the uprising, which brought Charles de Gaulle back to power and, eventually, to France's presidency. Another factor is the opening of a municipal election campaign April 19.

DAILY CRYPTOQUOTE — Here's how to work it:
A X Y D L B A A X R
L S L O N G F E L L O W
One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints, each day the code letters are different.
A Cryptogram Quotation: 'H S O S T I U X T F D P O M D H T P Z U W K F - Q D F O L S D X L O Z Q E D H S D F T F W D O F H S D X D H L - S T E S K E F O.
Yesterday's Cryptogram: NATURE HAS GIVEN US TWO EARS BUT ONLY ONE MOUTH—DISRAELI.
