Lucky Chief Turns In Best Time Of Meet To Win Free-For-All Pace

Lucky Chief the "big" horse from Cape Breton yesterday afternoon won the big race of Old Home Week when he copped the Free-For-All Pace and turned in the fastest time of the meet as he stepped the opening heat in 2:08 2-5.

A crowd estimated to be at least as large as that of Wednesday night thronged the track area and put even standing room at a premium. They got their money's worth in speed, action and excitement throughout the afternoon.

When the free-for-all pace was called there were nine starters lined up behind the gate and the first heat provided most of the close racing. When they went away Hedgewood Chief was on top of the field when they turned into the backstretch the first time around Lucky Chief made a bid for the top spot but went to a break and fell back. Hedgewood led past the half with Dick Erla and Lucky Chief providing the opposition.

Between the three-quarter pole and the seven-eighths mark every horse in the race took out looking for a good position for the stretch run. When seven horses came at him Hedgewood Chief faded and Dick Erla and Lucky Chief battled it out for the lead. So many horses came to the wire in a bunch that the judges called for a photo to separate the first five with Lucky Chief getting the win.

The second and third heats were little more than romps for Lucky Chief as he had no trouble with the field. In the second he bided his time until they turned into the stretch and then he simply won in spite of the others putting on an excellent closing burst. In the third Rusty Hanover and Argot Pointier exchanged the lead but when they got to the three-quarter mark Lucky Chief took command and despite a drive by the others he burned up the stretch to win by three lengths and take the big race in straight heats.

Opening Race
In the opening race of the day the 2:21 Pace, third division, Yan-

kee Dale, Nova G. and Chocolate Dip all took a crack at first place to provide good betting with three heat winners. In the first heat Yankee Dale got away in the lead and held it to the end. The rest were strung out in a line at the half and when they started their drives found they could not catch the Montreal-owned gelding.

Chocolate Dip got away fast in the second go with the previous heat winner in second place but on the outside to take over at the top turn and drive for home. However, Nova G. had turned it on and caught the Yankee in the last few strides to win by a neck in a photo finish. The finish of the third heat had the fans on their feet yelling madly as the field came to the wire in a blazing drive with all six stretched across the width of the track. When the smoke of battle had cleared away it was known that Chocolate Dip had managed to get his nose in the picture first.

The second division of the 2:21 Pace provided an upset as the favorite Esso could win only one heat with the other two going to the lightly regarded Neil Budlong. There were six starters here and in the first heat Esso went away on top with the others staying close all the way. New Look snapped the pole at the three-quarter mark and as they came out of the top turn into the stretch there were five of them putting on a moving picture finish to a race as they came down in a line. Esso had just a bit left and won by half a length.

Neil Budlong got away fast in the second heat with Esso right behind him. The rest all tucked in and they came past the stands the first time strung one behind the other. Getting a great drive from Ike Moreside, Neil Budlong held firmly to his lead and then pulled away in the stretch to win by two lengths with four others driving hard for the place which Esso held.

He repeated his victory in the final heat to give Moreside three

Big Surprise of Week

The scores posted by Miss Foster and Lieut. MacLennan were the biggest surprise so far in the week-long shoot.

Miss Foster is the first woman to accompany a British team to Canada. Two years ago, Lieut. MacLennan became the first shooting member of the Canadian Balesy team.

Miss Foster, a former King's Prize winner, has been placing high in all matches in this week. Lieut. MacLennan is a school teacher at Alexandria.

An eight-member British rifle team posted a major victory by defeating a Canadian team in the Canada Match open to past or present members of the Commonwealth armed services.

The British team had a combined score of 1,168 of a possible 1,200 to edge the eight-member Canadian team which scored 1,156. An American team also competed, but was not eligible to win the challenge trophy.

Members of the winning team were: Sgt. R. S. French; J. A. Sjo-Cock; J. M. Moffat; Kenneth Wheeler; H. C. T. P. Doyne-Dillon; Miss Marjorie Foster; R. S. Hadfield, and G. E. Twine.

On the Canadian team were: Maj. G. Baker, Kentville, N. S.

Browns And Tigers In Baseball Player Trade

ST. LOUIS, Aug. 14—(AP)—Ned Garver, the first 20-game winner for a last place major league club in 28 years, was swapped today by St. Louis Browns to Detroit Tigers for outfielder Vic Wertz in an eight-player player trade.

Browns for Detroit are outfielder Jim Deland and relief pitchers Marlin Stuart and Dick Littlefield travelled from the Tigers to Browns, also on waivers.

A rookie pitcher, Bud Black, was handed Detroit in the deal from San Antonio, Brownie farm.

Announcement of the Garver-Wertz shift today completed the American League club's waiver deal—a strange transaction which enables teams to shift personnel after the July 16 trading deadline.

The Browns called today's deal the largest waiver negotiation in baseball's history.

Detroit, eight in the league, and Browns, seventh, have clear shots at players placed on the waiver lists. As the low teams in the standing they have first choice and the other clubs just give their formal blessing.

The Wertz-Garver-Delsing-Madison portion of the deal was held up as Browns and Detroit waited for the other league members to pass on the players.

The back door "trade" of Garver clinched a host of trade rumors about the young right-hander since Bill Veck took over Browns last year.

Garver then was at his best, winning 20 while losing 12 and making his way to a starting spot on the mound for the American League in the 1951 All-Star game. It was the first time a cellar club pitcher has won 20 since Hollis Thurston did it for Chicago White Sox in 1924.

He opened the 1952 season fast, but failed to keep the early pace. He pitched a 3-0 shutout over De-

Dartmouth Arrows clinched the fourth and last play-off spot in the Halifax and District Senior Baseball League Thursday.

Halifax Capitals, going into a doubleheader against the Bearcats at Truro, had a slim but mathematical chance of dumping Arrows out of the spot but Caps lost both games 2-1 and 3-2.

That erased Capitals' slim hopes and sent Liverpool Larripers, Bearcats, Stellarton Albions and Dartmouth into the best-of-seven play-offs which open next week.

Arrows, meanwhile, split with Larripers in a twin-bill at Dartmouth, winning the opener 2-0 and dropping the second 2-1.

The split, coupled with the two Truro wins, put Larripers and Bearcats into a tie for first spot.

Mary Gay of Kitchener, Ont. Glick of Baltimore, Md. Mary Gay of Kitchener, Ont. one of the two low qualifiers, won 2 up on the 18th over Mrs. J. H. Todd of Victoria. Edean Anderson of Helena, Mont., the other low qualifier, defeated Babs Davies of Vancouver, 4 and 3, on the 15th.

Semi-Finals Reached In Golf Tourney

EDMONTON, Aug. 14—(CP)—The favorites came through in form today, leaving two Ontario juniors carrying Canada's hopes in the semi-final of the Canadian women's open golf championship.

Playing before a gallery of 1,500 on the rain-soaked fairways of the Edmonton Mayfair Course, defending champion Marlene Stewart of Fonthill, Ont., went to the 17th to win 3 and 1 over Polly Martin of St. Clairsville, O.

Grace Lenzyk of Hartford, Conn., runner-up last year, also ended her match on the 17th with a 2-in-1 win over Mrs. Maurice Glick of Baltimore, Md.

Mary Gay of Kitchener, Ont. one of the two low qualifiers, won 2 up on the 18th over Mrs. J. H. Todd of Victoria. Edean Anderson of Helena, Mont., the other low qualifier, defeated Babs Davies of Vancouver, 4 and 3, on the 15th.

Dead Heat Features Final Dash On Night Harness Racing Card

Fast action, bitter stretch drives and a closing heat with three horses so close together it took the judges, a photo and 25 minutes to decide on a dead heat between two of them held the spotlight at the Old Home Week racing last night. It all added up to plenty of excitement for the largest race crowd of Old Home Week.

The 2:18 Pace, Second Division, was the race which gave the judges so much trouble and kept the large crowd waiting until nearly 1 o'clock in the morning. In the opening heat four of the five starters opened up on the top turn to give a mile a minute thrill with Crusader Chief getting under the wire by half a length. In the second heat Patchen Volo 2nd was again away first but at the three-quarter pole Johnny Kalmuck was moving and going into the stretch he ran away to win by two lengths with the other four horses putting on a great race for second money.

It was the third heat, however, which brought the excitement and delay. Richard Budlong and Aubrey Budlong were drawn to make it a four horse event. When they started the lead changed hands so often the crowd was at a loss to know where the horses were. At the end they all came down to the wire tightly bunched. No one knew the answer and the judges called for a photo. Even then they could not reach a decision with the crowd becoming impatient at the long delay. When it was finally reached it was announced as a dead heat for first between Patchen Volo 2nd and Billy McVey with Crusader Chief third and Johnny Kalmuck fourth.

The opening race of the night was a one mile dash with 8 Island-owned horses. Lorraine Abbe held the lead most of the way but faded fast at the finish with Mary's Delight, an added starter, beating the field to the wire.

There was more action in the 2:20 trot as some of the drivers had trouble keeping their charges flat. Four of them were on the run after the first turn with Miss Judy Dale trotting steadily all the way to lead from beginning to end.

The second heat saw April Bud get away fast and make every post a winning one. Winnie's Last, tried for the lead at the three-quarter pole but could not make it and the Bud went on from there to win easily. April Bud jumped it off just after the start of the final heat and then showed what he could do by coming from far back to sweep around the field and get home in front.

There were three great finishes in First Division of the 2:21 Pace which had seven starters. Babe Britton, piloted by Len O'Meara who is having a good week, went to the front at the start of the opening heat and was never headed. Shining Hour, from New York, tried her on the upper turn but the Babe had too much left and won by a length in a great finish.

Another finish that brought the crowd to its feet came in the second heat as all seven horses came down in a bunch and the judges had to call for a photo to separate them. But once again it was Babe Britton in front. In the final go Ann's Boy led practically all the way until another battling drive by all the horses saw Shining Hour just man-

age to make it with Babe Britton falling back to third as Freddie Scott, driven by Ray O'Brien, took the second place.

U. S. Takes Lead In Golf Cup Play

SEATTLE, Aug. 14—(AP)—The United States took the lead over Canada and Mexico in the first day's "six-some" play in the Americas Cup international matches, but it was by no means a clean sweep.

Two of the three U. S. teams whipped their rivals from the north and south. The third, which looked like the strongest pair, lost to both rivals after a mix-up and a blow-up on the last two holes of a 36-hole match. Nick Westlock of Windsor, Ont., and Phil Farley of Toronto were the Canadian victors.
