Bringing You Up To Date
On What's New And
Interesting at Holman's
By G. H. M.

THE VIEW begins inside your windows and with PAYLON PLASTIC DRAPES that self-same view is always delightfully entrancing. The new, distinguished Paylon Plastic Drapes are textured, in a glorious array of colors and are exquisitely patterned. You may choose conventional flower designs; you may want traditional patterns for an old room made young, then again you may prefer surrealist swoops and swishes . . . They are all here in the House Furnishing Departments of Holman's in Summerside and in Charlottetown too. The price will delight you, it's a mere 1.98 a pair (this includes a full valance.) It's you, we had in mind when we filled out the order for these Paylon Plastic Drapes—and we know that you will like them mightily! Come see and from the wide collection of Paylon Plastic Drapes in the House Furnishing Departments of both Holman Stores.

BABIES! We love 'em, specially yours . . . in Holman's Youth Centre, Summerside, you'll see the evidence of how dearly we do love your wee ones . . . The colors are pink, blue, Nile green or gay scarlet and the sizes are Infants, 1 year and 18 month fittings.
