McKinnon's English Ointment
Saves Life

No home should be without it

J. A. BRACE, of the firm of Brace, McKay and Co., Hardware merchants, Summerside, says: "I have used English Ointment, made by Mr. Neil McKinnon of Summerside, for Piles, and have found it to be an excellent article. I can heartily recommend it."

JOHN C. DURANT, Margate, writes: "Some thirty years ago I cut my leg. Since then at frequent intervals the old wound has caused me much trouble by breaking out into running sores, and I have used various remedies from doctors and druggists with little or no more benefit. In 1897 I applied a box of McKinnon's English Ointment which has made a complete cure."
