

A Good Account.

"To sum it up, six long years of bed-ridden sickness and suffering, costing \$200 per year, total \$1,200—all which was stopped by three bottles of Hep Bitters taken by my wife, who has done her own housework for a year since, without the loss of a day, and I want everybody to know it for their benefit."

A Gentle Hint.

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine, often intermingled in a single day,—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, hall the deaths resulting directly from this cause. A bottle of Bosche's German Syrup kept about your home for immediate use, will prevent serious sickness; by a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Sore Throat, Croup, or any disease of the Throat or Lungs, its success is simply wonderful, as your Druggist will tell you. German Syrup is now sold in every town and village on this continent. Sample bottles for trial, 10c; regular size, 75c.
