

G.M. DEALERS PRESENT SCROLL

E. J. Umphrey, left, Vice-President and Director of Sales of General Motors of Canada, receives a scroll of tribute from R.S. McLaughlin, Chairman of the Board of GM of Canada, who in 17 years as GM Director of Sales has had a hand in the sale of nearly 2,000,000 cars and trucks.

Rotary Club Seeks Student For Scholarship Award

At the weekly luncheon meeting of the Charlottetown Rotary Club held at the Charlottetown Hotel yesterday, the following question confronted the members, with additional information supplied by the speaker, Norman W. Lowther.

N. W. LOWTHER

"Do you know a young man or young woman 20-23 years of age, holding a Bachelor's Degree with a first class academic record, who plans to take graduate work in a foreign land and has a good working knowledge of the language spoken there, and who gives positive evidence of strong moral character, good emotional stability, unquestioned reliability and integrity, a creative imagination, well-developed facilities for inductive and analytical reasoning, an instinct for leadership, a co-operative spirit, and an ability to organize and inspire others?"

PROVIDE SCHOLARSHIP
Rotary International is ready to provide a scholarship of \$2,000 - \$3,000 for advanced study for the academic year 1960-1961 to such an individual from P.E. Island upon recommendation of this Club and district.

"We must have students at St. Dunstan's University with degrees and no doubt many P.W.C. students are studying at Dalhousie, Acadia, St. F.X., Mt. Allison, U.N.B., McGill or Queens or other colleges and some of them must be fully qualified. It is up to us to get the information to chairman Ralph Balderston," the speaker said.

Leading Educationists Pay Tribute To Late Dr. Shaw

Leading P.E.I. Educationists have paid tribute to the late Dr. Harold Herbert Shaw, B. Sc., who died in the Prince Edward Island Hospital Saturday at the age of 90.

Dr. G.D. Steel, former principal of Prince of Wales College, said: "In the passing of Herbert H. Shaw, B.Sc., L.L.D., the province of Prince Edward Island has lost the service of its people, and in particular to the service of its young people."

"It was my good fortune to have met Dr. Shaw almost 30 years ago. At that time I had joined the staff of Prince of Wales College, and Dr. Shaw was the vice-principal. I learned in that year to respect his judgement and to appreciate his genuine interest in the students of the college. Later when he returned to the province and served as chief superintendent of education, I found in him a wise counsellor ready at all times to listen to a discussion of the problems that concerned us both and to advise."

"His years of service in the cause of education were characterized by a broad sympathy and conscientious attention to detail. By his death one more of the links with the past has been severed. I shall miss the opportunity of calling upon him from time to time talking with him about times and friends that have passed from us."

"To his daughters and other surviving relatives I extend sincerest sympathy."

Dr. Frank MacKinnon, Principal of Prince of Wales College, said: "The death of Dr. H.H. Shaw recalls to mind a great era in P.E.I. education, when men like himself, S.N. Robertson, and Alexander Anderson, three close friends, brought so much scholarship and ability to it. They were brought up in the classical tradition and they performed the delicate task of carrying that tradition into the age of science in such a way that the classical and to go to Beach Grove in a project organized by club member Mrs. Ruth Osborne."

A committee consisting of Miss Gertrude Love, Miss Dorothy Cullen, Miss Alma Mason and Miss Lillian Dewar was appointed to make a study of the "demerit" system for control of traffic offences and report back to the club at a future meeting.

It was decided that the program committee for each month should constitute a ways and means committee, with the different groups proposing to see which can raise the largest amount in the most novel manner before the annual meeting in May.
