ENGLAND AND HAWAII.

WASHINGTON, Dec. 19.—The secretary of the navy today sent to the senate, in response to Senator Lodge's resolution, copies of the correspondence between the navy department and Rear Admiral John G. Walker, relating to the Hawaiian republic.

It is also shown that the commander of the British warship 'Champion,' which sailed on August 6, was ordered to change his plans when it was learned that the United States' ship Philadelphia was to depart on August 8.

Admiral Walker says English influence in the islands is a very potent factor and strong enough to continually change the attitude of the British diplomatic representatives, and to have an effect upon the British naval officers who remain there.

Pains in the Joints

Caused by Inflammatory Swelling. A Perfect Cure by Hood's Sarsaparilla.

"It affords me much pleasure to recommend Hood's Sarsaparilla. My son was afflicted with great pain in the joints, accompanied with swelling so bad that he could not get up stairs to bed without crawling on hands and knees. I was very anxious about him, and having read so much about Hood's Sarsaparilla, I determined to try it, and got a half-dozen bottles, four of which entirely cured him." Mrs. G. A. JAKE, Ottawa, Ontario.

Hood's Pills act easily, promptly and efficiently on the liver and bowels.

The Art

of never forgetting is acquired by learning to remember the right thing at the right time. For instance, should you have any uneasiness at the stomach at any time, think of Adams' TUTTI FRUTTI. It gives immediate relief. See that no imitation is palmed off on you.
