Manitoba and the Northwest.

INDISPUTABLE TESTIMONY.

The London *Times* of November 26th has the following:—

"Several of the practical agriculturalists who went out to Canada in September last, as representatives of British Farmers, who desire to ascertain the truth with respect to the capabilities of the Dominion for farming enterprise, have just returned to this country, arriving yesterday, in the Allan steamship *Peruvian*. The returned delegates are Mr. Logan, of St. Boswell's, Scotland; Mr. W. Elliott, Galashiels; Mr. Mr. Snow, Roxburgshire, Mr. Hutcheson, Cumberland; and Mr. Peat, Dumfrieshire. When the representatives reached the Dominion, they separated, the better to "cover the ground" in the time at their disposal. Those just returned made a tour of the older provinces of Canada, and some of them went as far as Manitoba. Mr. Logan, who is a large farmer, has signified his intention of proceeding the latter place early next spring with the object of settling his sons on farms there for stock and wheat raising. With respect to the old provinces of the Dominion, the delegates seem to prefer the eastern townships of Quebec and some parts of Ontario as being best suited to agriculturists of means who desire the advantages of refined civilization. To young farmers of limited means, prepared to "rough it, for a few years, they recommend emigration to Manitoba and the Northwest, where the land is good and cheap, having from half a yard to a yard of rich black loam. In Manitoba the delegates were shown soil on which wheat crops had been raised 30 successive years without the aid of manure, and all kinds of vegetables were cultivated to advantage, though wheat appears to grow best. Meanwhile Rapid City is justifying its name by its growth. The spot was last May hardly even a site for a town, while it now contains its grist mill, church, schools, hotel, and a number of dwelling-houses. Several delegates were so pleased with Manitoba that they purchased lots. A Mr. R. W. Gordon bought 2,000 acres on the Flat River, and Mr. Snow, jun., purchased a square mile of land near Rapid City. Several delegates have not yet returned. The lands of the Hudson's Bay Company, which are interspersed among the counties of Manitoba, are described as of very fine quality, and the company are arranging to bring these large tracts of land under cultivation. They have appointed Mr. C. J. Brydges, formerly of the Grand Trunk Railway, to be their chief land agent in the Dominion.

The following letter appeared in the *Times*, *Telegraph* and *Standard*:—

EMERSON, MANITOBA,
CANADA, Aug. 5th, 1879.

Rev. J. Bridges, Emigrants' Chaplain, St. Nicholas Church, Liverpool.

REV. AND DEAR SIR,—My father-in-law, Rev. R. Lindsay, of Montreal, has, I believe, been in correspondence with you about promoting emigration to this Province, and our Canadian Northwest generally. I have settled two or three townships in Eastern Canada with emigrants, and have sent 150 people to the Great Saskatchewan, 800 miles northwest of this. I have been only one month, having come from 2000 miles east; but I am so delighted with the country and climate, that I determined to write you, and see if we could not, together, induce English Church tenant farmers to come out here.

Mr. John Ritchie, Superintendent of the Sailors' Istitute, Montreal, would receive them there, and send them on here. Emerson is the gateway of Manitoba, on the frontier next to Minnesota.

I would receive them here, and direct them to suitable lands. Any man that can command £200 sterling on his arrival in Emerson, has every security of becoming wealthy in five or ten years at the outset

Mr. Dyke, the Canadian Government Agent in Liverpool, would give you latest maps, and all pamphlets—they are not overdrawn. Before leaving Montreal I studied very carefully the advantages obtainable by going to New Zealand, Australia, or the Northwest. I judged that the balance was in favor of this country, and I am now pretty certain that I was right. All my people are very sanguine—glad that they came.

I am, Sir,
Yours very sincerely,
L. O. ARMSTRONG,
Church of England Clergyman,
Emerson.

An Irishman has had the happy thought of interviewing Victor Hugo and Louis Blanc as to their views on the Green Isle. The great poet, with his invincible tendency to paradox, declares that the island is near to France, and far; near by race, far by position. Had he his will, he would moor it somewhere in the Straits of Dover. The little politician considers the only chance of Ireland attaining independence is when France shall have beaten England in war, and then he hopes to see Ireland republican.

Astonishing Success.

It is the duty of every person who has used Boschee's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor dying consumptive, at least to try one bottle, as 40,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your Druggist about it. Sample Bottles to try sold at 10 cents. Regular size 75 cents. For ale by all Druggists.

SEMINARY FOR YOUNG LADIES.

VISITOR:

The Lord Bishop of Nova Scotia

PRINCIPAL:

The Rev. John Padfield.

THIS SCHOOL offers, at very moderate cost. the advantages of a comfortable and pleasant home together with a thorough and refined education.

The course of Instruction is the same as that of the best Schools in England and is founded upon the University Examinations for Women. Eight young ladies from this School passed the Local Examination of the University of King's College in June last. This is the only School in Canada that has passed pupils at a University Examination.

The number of pupils is limited, rendering the School select, and while it possesses all the educational advantages of a large public school, each pupil is enabled to receive that individual care and oversight which is so important, and which cannot be given in a large establishment.

Mr. and Mrs. Padfield are assisted by a staff of four resident governesses, besides visiting masters.

Parisienne French is taught conversationally. There are two resident French Governesses.

References given to parents of pupils.

For further particulars address the Principal.

CATARRH.

Constitutional Catarrh Remedy

CURES CATARRH.

Hear what a Reverend Gentleman says of the Constitutional Remedy.

T. J. B. HARDING, Esq., Brockville, Ont.:—

DEAR SIR—It is now two years since your "Constitutional Catarrh Remedy' was introduced to me. I have waited this ong to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third. I quit taking it, feeling quite clear of that ailment, and have not used any since until of late I have taken some for a cold in my head.

A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what use of it yon may see proper

Yours truly,
W. TINDALL, Methodist Minister.
