

Abbies Win N.B.P.E.I. Senior Rugby Title

Play Mariners To 0-0 Draw In Hard Fought Game On Muddy Field

SAINT JOHN, N. B. (CP)—Charlottetown Abbies Saturday advanced to the semi-final stage of the Maritime Senior Rugby playoffs for the McCurdy Cup. Charlottetown and Saint John Mariners played to a scoreless tie in a muddy field, Abbies taking the series 7-2 as a result of their win at home the previous Saturday.

Weather and ground conditions, plus slippery ball, frustrated most efforts of the teams.

Charlottetown will play the Caledonia-Halifax Wanderers winners and the survivors will meet the Maritime Intercollegiate champions in a final series for the tri-province senior crown.

Abbies, Glace Bay Series This Week

The Abbies will play a home and home series or a sudden-death game with the Glace Bay Caledonians this week for the Maritime Senior Rugby Championship. It was learned here last night from Elmer Blanchard, Chairman of The Abbies Football committee.

The Caledonians want a home and home series and the Abbies will agree provided that the last game is played here. The first game would be played in Glace Bay on Wednesday and the second here on Saturday. If the teams are unable to agree on such a series a sudden-death game will probably be played in Truro.

The Abbies, remembering the Glace Bay series of three years ago when they were short-timed, will insist on Roy MacDonald being the referee at Glace Bay. They will also request that a number of M.R.U. officials attend the game.

The series will definitely be played on this week provided there is not a postponement on account of a Glace Bay-Halifax Wanderers mis-understanding on Saturday. Halifax failed to show up for their scheduled game with Glace Bay on account of a "phony telegram."

Local Team Wins Square Dancing Title

AMHERST, N. S. (CP)—The 40th Maritime Winter Fair ended Saturday night with the light horse show and announcing of results of the week-long square dancing competitions.

Charlottetown Wanderers won the senior square dancing title and Halifax Courteens the junior. Both may represent the Maritimes in the Canadian championships at the Royal Winter Fair in Toronto.

The Maritime jumping championship was won by Donald Keddy, Armadale, N. S., on Thumbs Up. Killarney Girl, guided by Hugh O'Byrne, Halifax, won the award for the greatest number of points during all jumping events.

O'Byrne also placed first in the hunter class with Shannon Girl.

Other winners included Marjorie Hodge, Truro, with the best road hack; Katherine Campbell, Saint John, N.B., with the best harness horse; Leonard Barribeau, Lakeburn, N.B., with the champion roadster.

Saints Defeat Dalhousie 6-0

HALIFAX, (CP)—St. Dunstan's University of Charlottetown defeated Dalhousie 6-0 Saturday in a Maritime intercollegiate rugby game.

It was St. Dunstan's second victory over Dalhousie this season.

Welshmen Defeat Saints 13-10 To Even Series

The Prince of Wales College football team defeated the Second Saints 13-10 Saturday afternoon in the best of three intercollegiate series at a game each. The Saints won the second game 3-0 after the two teams battled to a 10-10 draw in the opener.

The Welshmen, after forcing the play, led 5-0 at the end of the first half and were ahead 13-2 with only three minutes left in the game. The Saints forged to the attack in the dying minutes and struck for two quick tries and a convert to come within three points of earning a draw.

Both teams were minus several of their first string men. Gordon Bennett's players however, showed no ill effects as their scrum controlled the ball and their half-line ran well.

The Saints, who lost two of their heavier forwards, fielded a light team. Although outplayed they capitalized on the breaks to almost turn defeat into victory.

Wingman Dave MacLeod accounted for all the winners points in the first half. He ran for twenty-five yards to score a try at the thirteen minute mark and six minutes later he scored a beautiful 35 yard penalty kick.

Arnold MacLean, set up MacLeod for the opening try with a short pass on the twenty-five yard line. MacLeod raced around the S. D. U. wing and fullback to go over at the corner. The attempted convert was short.

The Welshmen continued to force the play into the S.D.U. territory and at the 19 minute mark they were awarded a penalty kick from 35 yards out. MacLeod took the kick and the ball bounced on top of the cross bar and over to make the score 5-0.

The Welshmen scored two tries within the first five minutes of the second half. Forward Arnold MacLean following up on a loose ball scored the first try and Brewer Auld scored the next.

Hutchinson blocked a kick by the S. D. U. fullback to make MacLean's try possible. Two minutes later Auld plunged his way over the S. D. U. line from five yards out for the Welshmen's third try to make the score 11-0.

Picking quarter John Kelly, who played a strong game for the Saints, scored the losers first two points on a penalty kick. Dave for the winners on a penalty kick

ten minutes later.

With only three minutes left in the game Jack MacDonal blocked a P.W.C. kick and raced twenty yards down the sidelines for the Saints first try.

On the game's final play the Saints were awarded a penalty kick. The ball went wide of the bars but forward Chick Morrison raced in fast to fall on the ball and give the Saints their second try. Team captain Tom McLaughlin made the convert for the extra two points.

Earl Nicholson worked the game and did a good job with the whistle.

The Charlottetown Abbies trotted off mud covered Shamrock Field in Saint John, New Brunswick on Saturday afternoon after hurdling their first obstacle on their march towards the Maritime Senior Rugby Championship and the McCurdy Cup. On a frozen field that was covered with water and mud the Abbies played one of their toughest games as they held the Saint John Mariners to a scoreless draw and thereby won the N.B.P.E.I. Senior Championship. The Abbies took the two game home and home series by a five point margin as a result of their 1-2 win over the Mariners here on the previous Saturday.

Bingo Ernst May Play With Islanders; Other Players On Way Here

There's piñer help on the way for the Charlottetown Islanders and some of it may be here tonight when the Islanders take to the ice at the Forum for another encounter with the surging Glace Bay Miners.

Lloyd "Bingo" Ernst, the hard-hitting rearguard, who played several games with Halifax Atlantics and was recalled by Montreal last week, should be in town Tuesday, to play with the Islanders, it is learned last night from coach "Bucko" Trainor.

Ernst is presently in Valleyfield. Coach Trainor was in touch with him yesterday and Ernst stated that he would not turn professional with Valleyfield and that he could obtain his clearance to play with the Islanders.

A 21-year-old forward Guy Gagnon who played with the Quebec Citadels last year is flying here today and should be here for the game tonight.

Gignac is a left winger who tried out with the Quebec Aces at the start of this season. He comes recommended by Punch Imlach, the Quebec Aces general manager.

Bill LeBlanc, a defenseman who played with the Quebec Aces for two years, will also join the club and may be here this evening or Tuesday. In his younger days he had a couple of try-outs with the Boston Bruins.

He has played considerable hockey and was a member of the Quebec Aces defense corps of two years ago. Last year he started in the Quebec League and late in the season went down to Mont Joli of the Provincial League.

LeBlanc is a big, colorful rearguard who can hit with authority. He is also a good puck carrier and team man. Trainor expects that he will leave for here today.

Ernst and LeBlanc will add a lot of strength to the Islanders during the closing minutes of the game but the Abbies put up a grim defense to hold their rivals off the score sheet.

Caledonians In Rugby Semi-Finals Against Truro

GLACE BAY, N.S. (CP)—Glace Bay Caledonians entered the Maritime senior rugby semi-finals against Truro Saturday when Halifax Wanderers defaulted the second game of their two-game total-point series.

Glace Bay doesn't know why Halifax didn't come here for the game, and their only clue is a misspelled telegram of doubtful origin. Glace Bay won the first game 12-0.

Manager Donald MacInnis has a telegram charging that Caledonia was out to "win at any price." It was signed by "The Wanderers Rugby Club."

MacInnis said he was investigating the telegram.

Red Wings In 2-2 Tie With N. Y. Rangers

DETROIT, (AP)—Ted Lindsay spoiled a magnificent goal tending exhibition by New York's Johnny Bower Sunday night by scoring with less than three minutes to play to give Detroit Red Wings a 2-2 tie with the Rangers.

Bower, the Rangers' veteran rookie, was sensational in the third period, turning aside shot after shot as it seemed he was playing the entire Detroit team by himself. He made 32 saves in the game and was going all out in an effort to celebrate his 29th birthday with a flourish.

But, at 17:14 of the final period, rookie Dutch Reibel hopped out of the penalty box and drilled a long drive at Bower. Lindsay, standing in front of the net, poked his stick at the puck and it caromed into the net. It was a disappointing goal for Bower, a newcomer to the National Hockey League who had spent the last eight years with Cleveland in the American Hockey League.

The two goals—only 1:41 apart, early in the third period—broke up a goal-keeping duel between Boston's Sugar Jim Henry and Montreal's Gerry McNell. Henry made 33 stops, McNell 29.

Peiron's goal was his seventh of the season and boosted him into a first-place tie with Montreal's Maurice Rockett. Geoffrion for the Bruins (Boom Boom) Geoffrion for the NHL goal-getting leadership.

The crowd of 10,245 saw a rough wide-open game with referee Frank Udvary calling nine penalties. Five of these were against Boston, but Montreal captain, Butch Bouchard also drew a 10-minute misconduct for sassing Udvary after being sent off for hooking Peiron in the first period.

The Abbies next play Glace Bay Caledonians for the Maritime Senior Championship. The series will be played this week but the details have not yet been completed. An exhibition game here three weeks ago the Abbies defeated Glace Bay 2-0. The Caledonians are good but hardly as good as the Mariners. The Abbies can expect a tough series with the Caledonians but if all their players are back in good physical condition the Abbies will take them.

Islanders Club President Frank MacDonald was in Halifax yesterday straightening out details about the Bingo Ernst case. Apparently a Valleyfield-Montreal-Halifax mix-up resulted in Ernst being recalled to Valleyfield. However, Valleyfield and coach Bucko Trainor, after talking with the player yesterday, states that the way is clear for Ernst to join the Islanders. Ernst wants to come here and the Atlantics are satisfied for the local club to go ahead and make a deal with the player.

George Hooper, the president of the Boosters Club was in an optimistic mood last night. George had been out in Art Lawlor's store on Elm Avenue and had collected \$32.00 from a small number of hockey fans. The fans are putting this money towards the purchase of a hockey player. Several of them dug into their pocket for ten dollar bills. Their generous donations will give the hockey club and team quite a lift.

AMTIGONISH, N. S. (CP)—St. Francis Xavier University, in their first Canadian football game, defeated Shearwater Junior Flyers 26-12 in an exhibition match here Saturday. St. F. X. will enter a team in the Nova Scotia Senior Canadian Football League next year.
