—SEVENTH ANNIVERSARY
FOR FORMER ISLANDERS—The
following has been taken from The
Los Angeles Times, California,
Sept. 14, and will be of interest
to many in this province. Seventy
years of marriage were celebrated
yesterday by a Los Angeles couple,
each 91. They are John Hall Lea
and Joseph Lea, natives of P. E. I.,
Canada, who moved here 25 years
ago. Assisting the Leas as party
hosts was their daughter, Mrs.
Edna Hodgson who resides with
them. The Leas also have two
grandchildren, eight great grand-
children and one great, great
grandchild, Mr. and Mrs. Lea
are both active and often after
a visit to the downtown shopping
area, pass up the Angels Flight
cable to climb the hill under their
own power. Lea, who was a farmer
in Canada, was a hotel clerk for
several years after coming to Los
Angeles. He gave up retirement to
work again during World War
II. Mrs. J. S. Hinton of Summ-
erside, is a sister.

—FORMER TRYON MAN DIES

September 22nd in the Chadler

Mass. The deceased was born to
the late Hon. and Mrs. Samuel
Reid in Tryon, seventy-two years
ago. Surviving are his sister, Mrs.
Helen Patterson, of Stoneham,
Mass., and three nephews, Messrs.
John and Cecil Patterson in the U.
S.A. and Brig. W. W. Reid in
Charlottetown. Funeral service was
held on Thursday at the funeral
parlors of Fudge and Son, Somer-
ville, when Dr. Booth officiated. —S.

—33RD VISIT TO ISLAND—
The many friends of Mr. Albert
E. Mace have regretfully said
farewell as he and his housekeeper
Mrs. Nelson, prepared to close his
summer home at French River for
another season, and return to
spend the winter months at his
home at Dedham, Mass. Mr. Mace
has been coming to the Island for
53 years and in his opinion there
is no place to equal the Garden
of the Gulf, especially in summer,
and no other spot quite as satisfy-
ing as French River. A native of
England, he has been a world-wide
traveller, having served in the
Royal Navy and later in the Mer-
chant Marine. Having seen the
world and having an eye for the
best, when the time came to settle
down, he chose a Prince Edward
Island girl, Miss Laura Adams of
French River to be his wife. With
her husband she returned each
summer to the place of her birth
where her gift for friendship and
her kindly generosity earned for
her such a place in the hearts of
kinfolk and friends, that her name
is still, and will continue to be,
spoken often and in tones of af-
fection, though years have passed
since she left the shores of the
Island for the last time. Choosing
the United States as the land of
opportunity, Mr. Mace is now one
of America's successful business
men, as president of the Albert E.
Mace Company, Incorporated. —S.

Celebrate Golden Wedding

Dr. John F. MacNeill and Mrs. MacNeill, who on Wed-
nesday afternoon and evening celebrated their 50th wed-
ding anniversary at their home in Summerside. On this
happy occasion, Dr. MacNeill and Mrs. MacNeill were re-
cipients of gifts from the members of the medical profes-
sion and from the members of their church as well as
many other friends.

A host of friends from every walk in life and from
many parts of the Province called on them on this memora-
ble occasion to extend best wishes and to wish them many
more years of happy wedded life in the community where
they are held in such high esteem. (Photo by Sears).

\$8,200 Allotment Announced
For Alberton Hospital

OTTAWA—The Western Hos-
pital, Alberton, P.E.I., has just
been allotted more than \$8,200 from
federal funds to help meet its
building costs, according to an an-
nouncement by Hon. Paul Martin,
Minister of National Health and
Welfare.

Plan More Parking Space
On S'side Waterfront

—It was learned last evening that
the way had been cleared, in part,
for the construction of additional
parking space on the Summerside
waterfront between Queens Wharf
and a section of reclaimed land
owned by E. T. Holman Ltd. The
area in question is located on the
waterfront back of the Smallman
building.

A committee from the Board of
Trade composed of Messrs. William
Hayward, John Mungall and James
MacDougall, a few days ago met
with Mr. Erskine McNutt, Marine
Superintendent, Department of
Transport, Charlottetown and Mr.
J. Watson MacNaught, M.P., to
view the proposed site.

Mr. MacNutt, after taking the
matter up with his department in
Ottawa, received word to the ef-
fect that the department had no
objection to the construction of the
proposed parking lot.

At the present time Porter and
Company are engaged in blasting
and removing rock from the harbor
bottom in the area of the Marine
Wharf. Heretofore this rock has
been hauled outside the harbor and
dumped. It is understood that the
amount of rock necessary to build
a rock sea wall in front of the pro-
posed parking will be dumped as
close to its intended destination as
possible.

Someone, presumably the town,
who then have to pay to have
the rock placed in a position to
form a sea wall. This area would
then be filled up and levelled and
would provide space for an esti-
mated 300-500 cars. —S.

Alberton And

The Week
at S.D.U.

With the campus once more
alive with eager students going to
and from class, the joyous meet-
ings of old classmates and the
bone-crushing tackles resounding
over the football field, we realize
that vacation is over, and a new
year has begun at St. Dunstan's.
For many students St. Dunstan's
has become a second home when
September rolls around, while for
others college life is just begin-
ning. It makes little difference
whether one is graduating from or
is just beginning college, since at
S.D.U. the pursuit of a Christian
education has taught us to mingle
together and live as one big fam-
ily.

St. Dunstan's officially opened
on September 10 with a record
number of High School students
registering. One week later, on
September 17, the college students
returned. The number of college
students is somewhat reduced from
last year.

During the summer several
changes have been made in the
teaching staff. Rev. Vincent Mur-
naghan has replaced Mr. Ronald
Cocuet in the Commerce Depart-
ment. Rev. James Kelly replaces
Rev. Thomas MacLellan as Latin
teacher. Rev. Charles MacDonal-
d is teaching in the High School
Department.

The students at S.D.U., especial-
ly the students who are taking
Latin, are proud to hear that dur-
ing the summer Rev. Thomas Mac-
Lellan received his Doctorate in
Theology. Fr. Tom received his
degree from Grand Seminary,
Montreal.

Since the opening of college the
staff "Red and White" has been
chosen for the coming year. The
staff is made up of the following
students: Editor in Chief, Gerald
Steele; Assistant Editor, Thomas
McCaugh; Business Manager,
Frank Zakem; Assistant Business
Managers, Charles Roche and Leo
McGinn; Associate Editors: Chron-
icle, Simeon Farmer; Athletics,
John B. Fisher; Humor, J. J. Dun-
lavy and Claude Callaghan; Con-
tributing Editors, Ellen Mulhally,
Gilles Normand, Ralph Gaudet,
Russell McInnis, and Richard
Noonan.

As usual at this time of year, the
football field is swarming with
prospective players who are prac-
ticing each day under the watch-
ful eyes of Coach A. J. MacAdam,
and Assistant Coach, John E.
Green. Although there are only
five regulars left from last year's
championship team, we can assure
ourselves A. J. will have a well
balanced team when S.D.U. meets
Mt. Allison one week from today
at Mt. Allison.

"The Week" extends congratula-
tions to Mr. and Mrs. A. J. Mac-
Adam on the birth of a son during
the summer. Maybe football at S.
D.U. will reach a new peak this
year when Coach A. J. and son
share ideas on the game.

Tonight the students as well as
any outsiders are invited to come
to the Assembly Hall at 7:30 and
hear Gerald Steele lecture on his
trip to India. Gerald attended a
"Commonwealth" seminar in India
during the summer and his talk
should prove educational as well
as interesting.

Remember: Nothing in education
is so astonishing as the amount of
ignorance it accumulates in the
form of inert facts.

Until next week, from S.D.U. to
all of you, Health and Happiness.

MONTREAL (CP)—After a cor-
ner's jury recommended that police
charge on all vehicles involved in
accidents, Coroner R. L. Duckett
said "It is unfortunate juries have
to suggest such measures. It means
someone has died to bring them to
mind."

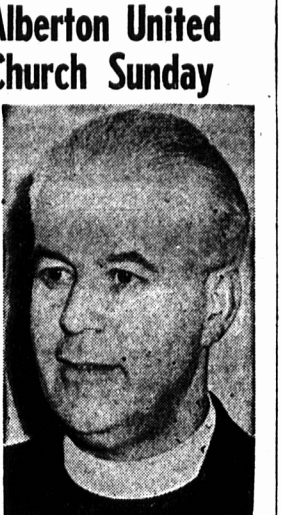

When we learned of Dee Le-
furgey's good pitching chore in
Lewisville, to be frank, we were
still a bit sceptical and figured the
kid was out for a stroll with lady
luck. After seeing him against Wil-
son in Summerside we've changed
our minds, and think the boy has
what it takes to be a real pitcher.
After all, you can flirt a little with
lady luck, but no one has ever
been known to go steady with the
fickle lady, and Lefurgey's second
good performance in a row marks
him as a definite prospect for a
first string pitcher on next year's
baseball team.

We were a little surprised at the
action of some of the Lewisville
ball players. Any time we'd see
them in action before, they'd be
their ball games, and were as fine
and jolly group of ball tossers as
you would like to see. At the end
of Thursday's ball game some of
them were inclined to be a bit
wasplish, to put it mildly.

Perhaps we should not altogether
blame the visiting players. The
officiating left much to be desired.
In the heat of any contest
feeling is liable to run a bit high
and a tight rein is required if the
game is to be kept in hand. Of-
ficials should be at all times ready
to nip in the bud any action
threatened to undermine their
authority.

The good wishes of all Summ-
erside softball fans will go with
George's Gals as they travel to
Fredericton Saturday to engage in
the Maritime finals of ladies soft-
ball with the Fredericton team,
winners of the Nova Scotia-New
Brunswick title. If they can put
up such stout opposition as Andy's
Acas against the Halifax Sport-
ettes, they will give a good ac-
count of themselves. In all fair-
ness, however, it must not be for-
gotten that this Fredericton team
is probably a little stronger than
the Nova Scotia champions, hav-
ing taken the series with them in
rather convincing fashion.

Guest Preacher At
Alberton United
Church Sunday

Dr. Rev. Clarence McKinnon
Nicholson, D.D., L.L.D., principal
of Pine Hill Divinity Hall in Hal-
ifax, and past moderator of the
United Church of Canada, who
will be guest preacher at anni-
versary services in Alberton on
Sunday.

Of Highland Scottish ancestry,
Dr. Nicholson was born in Domin-
ion, Cape Breton. He received his
education at Glace Bay High
School, Acadia University, and
Dalhousie University from which
he graduated with a bachelor of
arts degree. He studied theology
at Pine Hill Divinity Hall and took
post graduate studies at Princeton
and at Union Seminary. The de-
gree of doctor of divinity has been
conferred on him by Queen's, Tor-
onto and Acadia Universities, and
the degree of doctor of laws by
Mount Allison University. Be-
fore being appointed principal of
Pine Hill in 1946 he served pasto-
rates at Port Morien, New Water-
ford and St. Andrew's Church in
Sydney. In 1950 he was elected
moderator of the United Church of
Canada.

Dr. Nicholson represented the
United Church at the first World
Council of Churches in Amster-
dam in 1948 and at the conference
on Faith and Order at Lund, Swe-
den, in 1952. As moderator of the
United Church he visited the
troops in Korea in 1951 and the
following year he visited the 27th
Brigade in Germany.

Dr. Nicholson is a vigorous spir-
itual leader and an outstanding
preacher. This will be his first
visit to the western section of
Prince County. He will preach at
morning and evening services in
Alberton church. Both these ser-
vices will be conducted by the min-
ister, Rev. Arthur R. Wallis, B.A.,
and special music will be rendered
by the choir, F/O Ralph Emery
of Summerside will be soloist.

In the afternoon at three o'clock
there will be a service con-
ducted by Mr. John A. McNair and
Mr. Sidney T. Green of the group
of United Church men in Trinity
Church, Charlottetown. While this
service is for everyone it will be of
special interest to men. Music will
be by the recently organized Al-
berton male choir, with F/O Emery
of Summerside as soloist. The or-
ganist at all services will be Miss
Annie Leard.

The Alberton congregation was
organized one hundred and twenty-
two years ago, and four years later
there was built a small church
which served as a place of worship
for some twenty years. The present
church was erected in 1856. Within
the first forty years of its life this
congregation gave two of its sons,
George Nichol Gordon and James
Douglas Gordon, as missionaries to
the New Hebrides. They became
the first martyrs of the Presbyter-
ian Church in Canada. The for-
mer Methodist Church was built
about 1871. Always the happiest
relations existed between these
congregations and in 1925 they be-
came one in the United Church of
Canada. In the anniversary ser-
vices on Sunday there will be held
in remembrance God's guidance all
down through the years and the
great spiritual heritage He has
given to His people. With remem-
brance of the past there will come
the call of the future to renewed
consecration and service.

Acting mayor, W. E. Jenkins, on
behalf of the town, read an ad-

Mrs. Gordon Hutchesson, Provin-

the personal magnetism of the
guest of honor which was shown
in the way she could influence the
adults as well as the children.

Lady Baden-Powell thanked all
for the charming welcome she had
received and remarked on the
growth and development of guiding
since her last visit in 1946.

She stressed the value of guiding
in a community where it proves to
be a most valuable tool used in the
right way. She congratulated the
leaders who carry on, their reward
she said will be in seeing the
children grow up happy and cheer-
ful. She described peoples and
places in all parts of the world
where she had visited and the ef-
fects of guiding and scouting in
those countries also of how hard it
was to carry on guiding under
many difficulties presented.

Mr. Eric Tanton, District Scout
Master on behalf of the visitors

cal association and others present
expressed sincere appreciation for
the most interesting and informa-

1,200 Crows Are Shot In
Prince County Contest

—With over 1,200 crows shot in
the 2-1-2 month contest, the win-
ners of the crow shooting competi-
tion sponsored by the Prince
County Fish and Game Associa-
tion were announced at the regu-
lar monthly meeting of the asso-
ciation which was held last even-
ing in Summerside.

The first prize was won by Paul
Hansen of Summerside, with a to-
tal of 246, while his brother, Kaye
Hansen, placed second with 133.
The third prize went to Earl Tay-
lor of Kensington with 129.

Approximately 70 gunners, in-
cluding a few women, participated
in the shoot. Prizes will be awarded
at the next meeting of the asso-
ciation being held in Malpeque
on the 30th of October.

Spurgeon Jenkins, the provincial
game officer, was guest speaker of
the evening. He spoke on changes
in the hunting regulations this
year for migratory birds, and an-
swered numerous questions from
the members of season limits, bag
limits, possession, etc.

He said the season for ducks,
geese, partridge, and pheasants
opens on October 10th and the
season for native partridge on
October 15th.

Considerable discussion took
place at the meeting on the out-
look for the fall shooting season.
The majority felt that the duck
population was down about 25 per-
cent over last year and that this
could be due to the very poor weat-
her conditions that prevailed dur-
ing the nesting season last spring.
It was believed that many young
birds had not survived the damp
cold weather.

Reports from various parts of the
province seemed to indicate a good
supply of Hungarian partridge and
upland game birds. Geese, too, were
reported to be in good supply, and
were said to be arriving daily from
their northern flight.

An exceptionally fine film was
shown on "Migratory Birds", deal-
ing with their annual flight north
and south, raising of their young,
particular traits about different
very large attendance which in-
cluded a visitor from Nova Scotia,
Masonic lodge and one from Lon-
don, England. A social hour brought
a very pleasant evening to a close.

BEIRUT, Lebanon, (AP)—A third

manding that the United Nations

day a request by Norwegian Maj-
Gen. Vam Bennis, chief of staff
of the UN truce team in Palestine,
to call off the project.
