

"What I did to cure a cough which was Racking my system to pieces."

"One very hot evening last summer, while in the mountains, a cold breeze suddenly came up which left me thoroughly chilled. Next day I felt a slight cold in my head but thought nothing of it. The following day the cold had developed into a cough. This kept up for some weeks but instead of getting better the cough kept getting worse. A tickling sensation developed in my throat. I tried everything I could think of to get rid of it. It was worse when I went to bed. As soon as I lay down the tickling sensation started and the only relief I could get was to sit up in bed. Towards morning, I sometimes, from sheer exhaustion, managed to get a little sleep. During all this time my cough was getting worse. Sometimes in these severe fits of coughing I was left weak and exhausted. Anything I tried only gave me temporary relief. I couldn't take anything but liquid foods. I couldn't sleep. I was losing weight every day. At times I suffered the most intense agony with headaches. A friend of mine told me about Carnol. After trying it for three weeks I noticed that my cough was beginning to soften, that my appetite was returning, that the headaches had left me, that I slept longer. After taking seven bottles of Carnol, I am perfectly well and enjoying better health than I have ever had before in my life."

Writes Mrs. J. of Montreal
Carnol is sold by your druggist and if you can conscientiously say after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. 10-122

Cuticura Heals Itching Burning Pimples On Face

"My face was entirely covered with pimples which not only disfigured me but bothered me with itching and burning. They were large, hard and red, and after a while began to feater. They itched so that I had to scratch them which made the burning more intense.
"I used various salves and creams but they gave no relief. The trouble lasted for nearly three months until I heard of Cuticura Soap and Ointment. I sent for a free sample. In about a week a decided improvement was made so I bought more, and two cakes of Soap with one box of Ointment healed me." (Signed) Elmer V. Foss, 7 Ocean View Ave., East Lynn, Mass.
