WOOL MARKETING

Wool is being received at the warehouse of the Producers' Co-operative Association Limited, 58 Fitzroy Street, Charlottetown. Wool shipped by rail or truck should be carefully tagged and addressed to the Producers' Co-operative Association Limited, Charlottetown, "freight collect". Wool may also be left at any of the following Co-op branches, and a twenty-cent (25c) advance will be paid:

Tignish Co-operative Association Ltd.
O'Leary Farmers' Co-operative Association Ltd.
Wellington Co-operative Association.
Co-op Super Market, Summerside.
Vernon River Co-op Association.
Montague Co-operative Association Ltd.
Morell Consumers' Co-operative Store.
St. Peter's Farmers' Association.
Souris Co-op Ltd.
Eastern Farmers' Co-operative Ass'n, Elmira.

In shipping, each fleece should be tied separately with paper string and packed in old, but clean sacking. Use one large sack if at all possible, as this aids in checking. A number of old, clean sacks sewed together will suffice. Large sacks may be secured at any of the above named branches for lots of over twelve fleeces. EACH SACK SHOULD BE TAGGED WITH THE NAME AND ADDRESS OF THE OWNER WRITTEN IN CLEAR LETTERING WITH INK, ONE TAG TO BE SECURELY ATTACHED TO THE OUTSIDE OF THE SACK AND ANOTHER PLACED ON THE INSIDE. No responsibility will be accepted for sacks without tags. Shipping tags and proper twine are available at any of the local branches free of charge.

It is in your interest to see that wool is properly prepared for market. Growers should:

1. Remove all tags and dung locks before tying each fleece.
2. Any burry, chaffy, or strawy portions of wool should also be removed and shipped separately.
3. Sheep should be shorn when dry, and wool should be stored in a place free from dampness.
4. If there are any black fleeces pack them in separate bags.

All wool should be shipped before June 30th. Do not sacrifice your wool and market it carelessly through unreliable sources. Market it through Canada's finest Co-operative Producer Association, the Canadian Co-operative Wool Growers, Limited, whose representative is the Producers' Co-operative Association Limited. Do not forget that patrons selling wool through these Associations have always received the top of the market. Furthermore, these Associations are working in your interests in supplying sheep producers with equipment, parasite remedies, and services at reduced prices. Some of these materials such as Phenothiazine for internal parasites, and Cooper's Sheep Dip for external treatment, are now being distributed at reduced rates at our Sheep Field Days, and from the local Co-op branches. In addition the Prince Edward Island Sheep Breeders' Association is doing everything possible in the purchase and distribution of rams to assist the industry.

Co-operate with your Association and support it by marketing your wool co-operatively this year.
