CONVENTION AT CHARLOTTETOWN, PRINCE EDWARD ISLAND, of delegates from the Legislatures of Canada, New Brunswick, Nova Scotia and Prince Edward Island, to take into consideration the union of the British North America Colonies, September 1, 1864.

Seventy-five years ago delegates appointed by the Legislatures of Nova Scotia, New Brunswick and Prince Edward Island, and by the Parliament of Canada (Upper and Lower), met at Charlottetown to lay the foundations of the Confederation of Canada. This year Canada's Gracious King and Queen, in their Royal Tour of the Dominion from sea to sea, were acclaimed by millions of men, women and children in this "great free Nation of the North", and saw how truly the Fathers of Confederation had "builded better than they knew".

of the nation, and its more than 3,500,000 policyholders, with Two Billion Dollars of their savings invested in the Dominion, are a vital force for economic stability and progress. Linked together for their mutual welfare, they help to bind Province to Province and maintain the unity of the Dominion.

No institution could so endure and prosper if it had not given private and public service of the first quality. As with the Fathers of Confederation, so with the Fathers of Life Insurance in Canada—"They builded better than they knew."

The history of Life Insurance in Canada precedes and parallels Confederation. From small beginnings this great co-operative enterprise has grown until it is an economic bulwark

Adourn Hearing Against Dr. Dafoe

(By The Canadian Press) NORTH BAY, Ont., July 9—Hearing of an action by Olga Dionne, father of the world-famous quints, who seeks to obtain a court order which will force Dr. A. R. Dafoe, the quints' physician, to reveal his total income and its source, was adjourned for one week today when the question of Judge J. A. A. Plouffe's jurisdiction was raised. The claim against Dr. Dafoe is that he entered into contracts for his own benefit while still acting as a guardian of the quints. It also is claimed he has failed to disclose monies he has earned from the quints and has failed to reveal the sources of his income. Mr. St. Jacques submitted that a full inquiry into Dr. Dafoe's contracts should be held.
