HERE IS THIS YEAR'S BUDGET, SIRE

**gort** Oh, after I strip the edible meat & parts, I'll use the rest as by-products!

That's a mighty big animal you killed, Gort, just for a meal!

I'll use the scales for plates...tan the hide for leather...render the inedible fats for soap & lubricants...use the bones for glue & gelatin...

What'll you do with the intestines?

If you're thinking of Super-Chitlins, don't!

AFTER HIGH SCHOOL I WORKED IN THE BUSINESS WORLD AND SAW ENOUGH OF BACKSTABBING TO DO ME FOR LIFE.

SO TO ESCAPE IT, I WENT BACK TO COLLEGE.

BUT I DIDN'T ESCAPE IT. I JUST ENTERED A WORLD WHERE ALL THE BACKSTABBERS ARE YOUNGER!

SO IN THE END, I MAY FAIL MY COURSES, BUT I'M BECOMING AN EXPERT ON POLITICS!

## FAT FREDDY'S CAT in "ANIMAL CAMP"

by SHELTON & SHERIDAN

LET ME SEE... HOW DOES ONE IMPROVE THE BASIC DESIGN OF A DANCING CAT?

WE EXCHANGE THE TAIL FOR ONE OF A HORSE FOR ADDED GRACE AND BEAUTY! LIKEWISE, WE SUBSTITUTE THE EARS OF A BUNNY RABBIT! THEN THE HANDS OF A LITTLE SQUIRREL!

...AND PERHAPS A NICE LITTLE PAIR OF CANARY WINGS! NOT ENOUGH TO FLY AWAY WITH, BUT IT'S A CUTE TOUCH!

SCALPES ALL SHARP? CLAMPS AND CATHETERS AND FORCEPS ALL WARMED UP?

AW, WE'RE ALL OUT OF ANESTHETIC! I GUESS WE'LL HAVE TO DO WITHOUT!

CANARY WINGS? YARRGGH! I CAN'T LET THIS LOONY BUTCHER WORK ON ME!!

YOWCH! THE DANCING CAT HAS TURNED INTO A BLINDING BALL OF CLAWS!
