EGMONT BAY — Mr. and Mrs. Peter Gallant of Egmont Bay will have been married 50 years next Monday, July 16. As most of the family are away and unable to attend the celebration, it will be held later. Both Mr. and Mrs. Gallant taught school in their young days. Mrs. Gallant taught school when a girl, and later when the family had grown up, she took up teaching again to help educate her family. Mr. Gallant taught at Rutland Village, and at the Summerside High School. He was French Inspector for many years, and later worked for the Canadian Fox Breeds Association, and for Leo Foxes Ltd. Mr. Gallant ran in two elections on the Conservative ticket, in a splendid platform speaker, and enjoys discussing public and educational problems. Mrs. Gallant is quite active in community life, and is an Provincial Sanatorium and a Beach House. Yesterday they left the Centre for their homes throughout the Atlantic provinces and Quebec. Two representatives from the United States also attended the Centre. The Chinese used hollow sections of bamboo to make pipes from natural gas as early as 4000 B.C. Both Mr. and Mrs. Gallant are in good health and hope to be able to have a family reunion in the not too distant future. Two of the sons of Mr. and Mrs. Gallant served actively overseas during the Second World War. A Gallant in the RCAF, and Jerry, was in the army. A third, Eric, was in the navy. Eric, on his return from overseas, took forestry work, and later moved to Toronto where he is employed with a motor transport company. The other daughter, Mrs. Fred L. Arsenault of Summerside teaches in the Summerside Elementary School. A son, J. A. Gallant is a teacher in Quebec. Another son, Bruce, is in the RCAF, and Adelard (Barney) is in Germany. Eric, on his return from overseas, took forestry work, and later moved to Toronto where he is employed with a motor transport company.
