TORONTO (CP) - A Western oil speculative trading furiously in the last hour of business, stole the limelight away from the rest of the stock market during moderately heavy trading Wednesday.

Other oil speculators such as Quanta, Majors and Southern Energy were also active, but price changes were in a one-to-two cent range.

NEW YORK
New York (AP) - Stock market trading Wednesday was the heaviest in six weeks as the last pushed its way upward in a further extension of the current rally, leaving many casualties by the wayside.

Faster, safer, more convenient clothes drying
The Frigidaire Dryer gives you such fast, efficient turn-over of laundry that you can actually save up to 50% on your outlay for children's clothes. A snow-suit can be dried in minutes and worn again, where otherwise two suits would be necessary. Only Frigidaire gives you "Flowing Heat" which means:
- Breeze-fresh drying, safer than sunshine. The finest fabrics love it. Colours stay bright. There's no fading from the sun.
- Even drying - no hot spots to injure fabrics.
- Lower cost of operation than other makes - because it uses less electricity. Most models can be operated on 110 volts - no heavy wiring necessary. (Gas powered models available too.)

Up to 50% saving on children's clothing bills
LOOK AT ALL YOU GET FROM FRIGIDAIRE
No plumbing or venting costs on models with built-in filter, which removes moisture automatically into a side-out spill-jug pan.
No drying-time guesswork because Automatic Dry Control measures moisture, shuts off dryer when clothes are just-right dry. Choice of Timed Drying on every model, as well.
Special Settings for delicate fabrics and Wash and Wears, give you wonderful "Wrinkles-away" drying.
YOU'LL LIKE THESE HANDY FEATURES FOUND ON ALL FRIGIDAIRE DRYERS
Porcelain enamel finish on the drum; 180° aids opening door; recessed toe space; recessed spill guard top.
