

MORE SOLID NOURISHMENT IN GRO-PUP

GRO-PUP is solid food—not 70% water like most canned dog foods. You add the water.

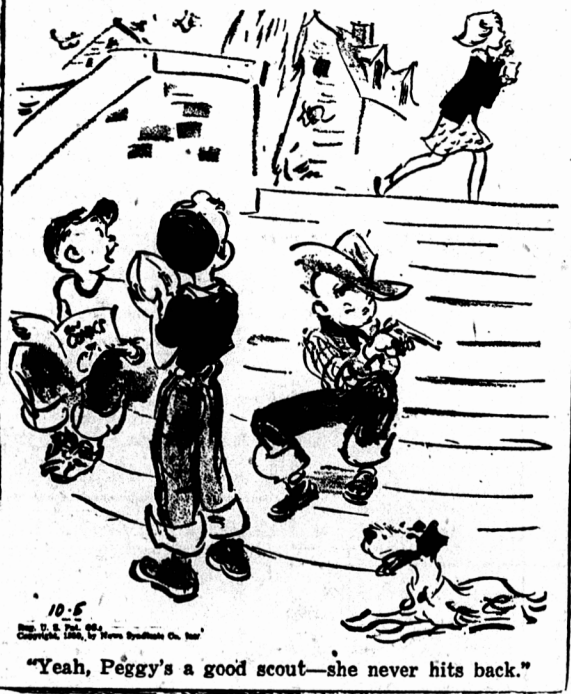

1. Hearty, nourishing Gro-Pup supplies every vitamin and mineral dogs are known to need. Easy to digest, too. No wonder so many famous breeders feed Gro-Pup!
2. Dogs really go for crunchy Gro-Pup cubes. They provide good chewing exercise. Help keep teeth strong, gums firm and healthy.
3. And Gro-Pup is thrifty to serve—less than half the cost of most canned dog foods! In 2-lb. and 25-lb. sizes.

Also in mail form: 2, 5, 25-lb. sizes

Visit Of Presbyterian Moderator Here During Anniversary Services

Dr. F. Scott MacKenzie, Moderator of General Assembly will arrive in Prince Edward Island tomorrow. Special speaker of Presbytery's celebration 75th anniversary Presbyterian Church in Canada.

Rev. Dr. MacKenzie

The Moderator was born on a farm near Lucknow, Ont. He passed his matriculation to University at the age of thirteen. He was too young to be received into the University and stayed with his father on the family homestead. Later on he decided to study law and went out to Vancouver and was articled under the Honourable Malcolm A. MacDonald.

Itinerary on Prince Edward Island by preaching in Summerside Presbyterian Church at the Women's Missionary Society's Thanks Offering Service.

Historic Minute

The 75th anniversary of the Presbyterian Church in Canada marks its formation when groups of Presbyterians divided geographically, and according to their relations with churches in the Old Country came together in 1875 on June 15th. The following is a minute of the first Assembly:

"At Montreal and within Victoria Hall there on Tuesday, June 15, 1875 which day the General Assembly of the Canadian Presbyterian Church of the Lower Provinces and the Synod of the Presbyterian Church of the Maritime Provinces in connection with the Church of Scotland, met according to appointment for the purpose of consummating the Union of these respective churches"; thus was born the Presbyterian Church in Canada, — a Dominion wide Church.

Honoured By College

After the split in the Church, he was called to Paris, but in 1925 came to the Presbyterian College as Professor of Systematic Theology, which position he still holds. In 1929 the Assembly honoured Dr. MacKenzie by appointing him Principal of the College. Under his capable leadership the college became an accredited associate of the American associations of Theological Colleges. Knox College conferred upon him a D.D. and Acadia University honoured him with a D.C.L.

Much might be said about the work of Dr. MacKenzie in the church at large. He is an excellent Presbyterian and a comrade to all working ministers and served as Convener of the Board of Education of the Assembly. Prior to the Assembly in June, he had completed the book, "Our Heritage and our Faith", with Mr. John MacNabb. Dr. MacKenzie was also elected President of the Western section of the Alliance of Reformed Churches and rendered signal honour to the Presbyterian Church in that position.

Special Services

Special services marking the 75th anniversary of the Presbyterian Church in Canada will be held during the Moderator's visit to Prince Edward Island starting Friday, October 6th in St. Andrew's Church, Montague. Dr. MacKenzie will preach at the Communion service in historic Saint John's Church, Belfast on Sunday, October 8th at 11 a.m. and in the evening he will address a Presbytery-wide Rally at Zion Presbyterian Church, Charlottetown. On Monday, October 9th he will speak to the Men's Association of Zion Church and Monday night at 8 p.m. he will preach in Clyde River Presbyterian Church.

On Tuesday, October 10th he will preach in Keir Memorial Presbyterian Church, Malpeque, where the first Presbyterian Church on Prince Edward Island was built in 1780. On Wednesday night, October 11th at 8 p.m. he will preach in Friends Presbyterian Church; on Thursday night, October 12th in West Point Presbyterian Church and on Friday, October 13th he will close his

CITY POLICE COURT. — At the Specially Magistrate's Court yesterday, two men charged with being drunk and incapable appeared. One was fined \$10.00 and costs or 20 days in jail and the other was remanded for one week. The only other case heard was that of a man charged with illegal parking who was fined \$5.00 and costs or 10 days.

LARGE HERRING SHIPMENTS — The fifth carload of frozen herring to leave the government cold storage plant within the last three days will be shipped from the city this morning. It is going to Glace Bay, N.S. Three carloads have been shipped to Halifax and one to Barrington Passage, N.S. The five carloads, representing 200,000 pounds, together with the 50,000 pounds sent to Tignish, mean that 250,000 pounds of the 350,000 pounds of herring put in the plant last spring have now been sold, leaving 100,000 pounds still to be cleared out.

TRAFFIC LIGHTS DEMONSTRATED — Representatives of the Northern Electric Company Limited from Moncton and Halifax were at City Hall yesterday demonstrating a Traffic Actuated Traffic Signal System. A model intersection complete with miniature signal lights and motor vehicles was used in the demonstration. One of the main features of this system is the automatic changing of lights according to the amount of traffic through the intersection. Mr. John P. C. Mackay of Halifax and Mr. J. D. Mackay of Moncton carried out the demonstration at the request of Councillor C. M. Cox, Chairman of the Police Committee.

IN MEMORIAM

MRS. MARGARET VICKERSON

The death occurred at the P. E. I. Hospital on Wednesday evening, Sept. 27, after an illness of two months of Mrs. Margaret Vickerson, widow of the late George Vickerson of North River.

Mrs. Vickerson was born at North River on Sept. 29, 1870, daughter of the late Mark and Jane (Taylor) MacCormack. She was the eldest of a family of eight, and is survived by two sisters, Mrs. Norman MacKenzie (Minnie), Alhambra, California, and Mrs. E. M. Vance (Ellis), St. Francis, Kansas.

A woman of sterling Christian character, Mrs. Vickerson was noted for her hospitality and kindness. She was a devoted mother, and was almost constantly, though unostentatiously, engaged in helping others. Her life of nearly four score years was one of faithful adherence to her firm religious precepts. She was gifted also with a bright and cheery disposition which not only saw a silver lining in every cloud, but could bring out the best in every person with whom she came in contact.

A short memorial service was held in the Cutcliffe Funeral Home on Thursday evening by Rev. H. E. D. Ashford, followed by service on Friday at Cornwall United Church, conducted by Rev. Mr. Ashford and Rev. M. K. Charman. The hymns sung were two favorites of the deceased, "Forever With The Lord" and "Safe in the Arms of Jesus." The pallbearers were Daniel MacArthur, Robert Jewell, Frank Walker, Stafford Vickerson, Mark Vickerson and Bert Younker. She was laid to rest in the Cornwall Cemetery beside her late husband who died a thirty-six years ago, and a daughter, Annie who died in infancy. She is survived by two daughters, Mrs. Harvey Vickerson (Eva), East Springfield, N. Y., and Mrs. James P. Campbell (Georgina), Charlottetown.

MARGATE, England, Oct. 4 (AP) — A Labor Party leader suggested today that the British Government unionize its armed forces. "The slogan of the Ministry of Defence should be 'shop stewards for the services,'" M. Garry Solomons told the party's annual congress. "A trade union for the army would do a lot of good."

Grain

WINNIPEG, Oct. 4 (CP)—Oats and barley futures displayed a firm tone in trading today on the Winnipeg Grain Exchange. Some improved shipper demand appeared in both oats and barley futures. Light offerings were well absorbed. Hedging sales appeared mostly in the deferred months. Local buying in oats and barley was attributed to forecasts of either snow or rain over the prairie grain belt. Class two wheat, for export to countries outside the International Wheat Agreement, was up one-quarter of a cent in all stations. No export business was reported today.

for more delicious Soups

"Cream Them with Carnation to glorify canned soups! Give more goodness to canned soup or soup mix. Make it with Carnation, mixed half and half with water. For extra creamy soup, use Carnation undiluted—luxurious yet thrifty."

Enrich your meals with the Milk "from Contented Cows"

Only water is removed in producing Carnation Evaporated Milk—nothing is added. But special processing makes it more useful than any other form of milk. Use Carnation like cream—it is double-rich—so heavy you can whip it. When your recipe says milk—restore the water. Diluted 50-50, Carnation has all milk's food values.
