CANKER in the mouth can be cured only by expelling the poisonous humor from the system. To do this effectually requires the persistent use of Ayer's Sarsaparilla, together with a good generous diet. One dollar a bottle. Six bottles for $5. Begin at once.

VERY SUCCESSFUL.—The Convent Bazaar and Strawberry Festival closed last evening. The Market Hall was thronged, and sales were quite brisk. There were also the usual attractions. We have not heard the amount realized.

THE COLOSSAL TEA.—Remember the big tea at Hayden's Wharf on Wednefday next. One can get their either by rail, boat or team. Either of the ways are pleasant. A good time guaranteed after arrival. The Artillery Band will be in attendance.

MOONLIGHT EXCURSION.—Tickets for the firemen's excursion on Monday evening next are selling rapidly, and everything points to a very pleasant and successful time. There will be first-class refreshment tables, and choice music. Don't fail to attend.

ROBBED IN MONTREAL.—A man named Jamieson, belonging to Philadelphia, was robbed of $1650 in Montreal on Wednesday. According to Jamieson's statement he was under the influence of liquor when he met an individual in whose company he had been while on a previous visit to that city. Both proceeded to a restaurant somewhere in the west end and had a few more drinks, Jamieson paying for them. Exhibiting a roll of bills, his friend invited him to dinner, which he agreed to; but after commencing, Jamieson lost consciousness, and on coming to he found himself in the police cell. His purse and roll of bills were gone.

CURIOUS COMPUTATION—An electrical writer has calculated that the firing of a small pistol sets free about 600 foot-pounds of energy, while a watch consumes about one 54th-millionth of a horse-power, the energy of the bullet being sufficient to keep the time for two years. An Edison telephone transmitter requires about a thousandth of the energy in a watch; it would therefore work for 2,000 years on the energy exerted in the pistol. A lightning flash 3,500,000 volts and 14,000,000 amperes, lasting one 20th-thousand of a second, would run a 100 horse-power engine for ten hours.

Constipation

Demands prompt treatment. The results of neglect may be serious. Avoid all harsh and drastic purgatives, the tendency of which is to weaken the bowels. **The best remedy is Ayer's Pills.** Being purely vegetable, their action is prompt and their effect always beneficial. They are an admirable Liver and After-dinner pill, and everywhere endorsed by the profession.

"Ayer's Pills are highly and universally spoken of by the people about here. I make daily use of them in my practice."—Dr. I. E. Fowler, Bridgeport, Conn.

"I can recommend Ayer's Pills above all others, having long proved their value as a cathartic for myself and family."—J. T. Hess, Leithsville, Pa.

"For several years Ayer's Pills have been used in my family. We find them an

Effective Remedy

for constipation and indigestion, and are never without them in the house."—Moses Grenier, Lowell, Mass.

"I have used Ayer's Pills, for liver troubles and indigestion, during many years, and have always found them prompt and efficient in their action."—L. N. Smith, Utica, N. Y.

"I suffered from constipation which assumed such an obstinate form that I feared it would cause a stoppage of the bowels. Two boxes of Ayer's Pills effected a complete cure."—D. Burke, Saco, Me.

"I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."—James Quinn, 90 Middle st., Hartford, Conn.

"Having been troubled with costiveness, which seems inevitable with persons of sedentary habits, I have tried Ayer's Pills, hoping for relief. I am glad to say that they have served me better than any other medicine. I arrive at this conclusion only after a faithful trial of their merits."—Samuel T. Jones, Oak st., Boston, Mass.
